Repression Of Heresy In Medieval Germany:

Repression of Heresy in Medieval Germany Richard Kieckhefer, 1979 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

Heresy in Late Medieval Germany Reima Välimäki, 2019 First major survey of the German inquisitor Petrus Zwicker one of the most significant figures in the repression of heresy In the final years of the fourteenth century waves of persecution shattered German speaking Waldensian communities with the scale of inquisitions matching or even greater than the better known trials in southern France In the middle of the persecution was the influential and enigmatic figure of the Celestine provincial and inquisitor of heresy Petrus Zwicker d after 1404 His surviving texts and inquisition protocols offer a fresh intriguing picture of the medieval repression of heresy Zwicker was an accurate and intelligent interrogator with direct access to the Waldensians sources and knowledge But although he is one of the most effective inquisitors of the Middle Ages he was even more important as the author of anti heretical texts His *Cum dormirent homines* became a standard work on Waldensianism in the fifteenth century and this study attributes another anti heretical treatise the *Refutatio errorum* to him With his unique biblicist and pastoral style Zwicker struck the right note at a moment when the Church was in crisis His texts spread rapidly they were preached to the people and translated into German and helped to build the fear of heresy anti clericalism and disobedience in the years of the Great Western Schism This book is the first full length study on Zwicker and his significance to the history of heresy and its repression It offers a meticulous analysis of the sources left by him and teases out new ground breaking discoveries from careful examination of previously poorly known manuscripts Dr REIMA VALIMAKI is a postdoctoral research fellow at the Department of Cultural History University of Turku

Handbook of Medieval Studies Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together

Current Trends in the Historiography of Inquisitions Autori Vari, 2024-03-28T10:04:00+01:00 This volume launches the book series of Inquire International Centre for Research

on Inquisitions of the University of Bologna a research network that engages with the history of religious justice from the 13th to the 20th century This first publication offers twenty chapters that take stock of the current historiography on medieval and early modern Inquisitions the Spanish Portuguese and Roman Inquisitions and their modern continuations Through the analysis of specific questions related to religious repression in Europe and the Iberian colonial territories extending from the Middle Ages to today the contributions here examine the history of the perception of tribunals and the most recent historiographical trends New research perspectives thus emerge on a subject that continues to intrigue those interested in the practices of justice and censorship the history of religious dissent and the genesis of intolerance in the Western world and beyond

King Sigismund of Poland and Martin Luther Natalia Nowakowska, 2018 The first major study of the early Reformation and the Polish monarchy for over a century this volume asks why Crown and church in the reign of King Sigismund I 1506-1548 did not persecute Lutherans It offers a new narrative of Luther's dramatic impact on this monarchy which saw violent urban Reformations and the creation of Christendom's first Lutheran principality by 1525 placing these events in their comparative European context King Sigismund's realm appears to offer a major example of sixteenth century religious toleration the king tacitly allowed his Hanseatic ports to enact local Reformations enjoyed excellent relations with his Lutheran vassal duke in Prussia allied with pro-Luther princes across Europe and declined to enforce his own heresy edicts Polish church courts allowed dozens of suspected Lutherans to walk free Examining these episodes in turn this study does not treat toleration purely as the product of political calculation or pragmatism Instead through close analysis of language it reconstructs the underlying cultural beliefs about religion and church ecclesiology held by the king bishops courtiers literati and clergy asking what at heart did these elites understand Lutheranism and Catholicism to be It argues that the ruling elites of the Polish monarchy did not persecute Lutheranism because they did not perceive it as a dangerous Other but as a variant form of Catholic Christianity within an already variegated late medieval church where social unity was much more important than doctrinal differences between Christians Building on John Bossy and borrowing from J.G.A. Pocock it proposes a broader hypothesis on the Reformation as a shift in the languages and concept of orthodoxy

A Kingdom of Stargazers Michael A. Ryan, 2012-03-27 Astrology in the Middle Ages was considered a branch of the magical arts one informed by Jewish and Muslim scientific knowledge in Muslim Spain As such it was deeply troubling to some Church authorities Using the stars and planets to divine the future ran counter to the orthodox Christian notion that human beings have free will and some clerical authorities argued that it almost certainly entailed the summoning of spiritual forces considered diabolical We know that occult beliefs and practices became widespread in the later Middle Ages but there is much about the phenomenon that we do not understand For instance how deeply did occult beliefs penetrate courtly culture and what exactly did those in positions of power hope to gain by interacting with the occult In *A Kingdom of Stargazers* Michael A. Ryan examines the interest in astrology in the Iberian kingdom of Aragon where ideas

about magic and the occult were deeply intertwined with notions of power authority and providence Ryan focuses on the reigns of Pere III 1336 1387 and his sons Joan I 1387 1395 and Mart I 1395 1410 Pere and Joan spent lavish amounts of money on astrological writings and astrologers held great sway within their courts When Mart I took the throne however he was determined to purge Joan s courtiers and return to religious orthodoxy As Ryan shows the appeal of astrology to those in power was clear predicting the future through divination was a valuable tool for addressing the extraordinary problems political religious demographic plaguing Europe in the fourteenth century Meanwhile the kings contemporaries within the noble ecclesiastical and mercantile elite had their own reasons for wanting to know what the future held but their engagement with the occult was directly related to the amount of power and authority the monarch exhibited and applied A Kingdom of Stargazers joins a growing body of scholarship that explores the mixing of religious and magical ideas in the late Middle Ages Handbook of Medieval Culture. Volume 2 Albrecht Classen, 2015-08-31 A follow up publication to the Handbook of Medieval Studies this new reference work turns to a different focus medieval culture Medieval research has grown tremendously in depth and breadth over the last decades Particularly our understanding of medieval culture of the basic living conditions and the specific value system prevalent at that time has considerably expanded to a point where we are in danger of no longer seeing the proverbial forest for the trees The present innovative handbook offers compact articles on essential topics ideals specific knowledge and concepts defining the medieval world as comprehensively as possible The topics covered in this new handbook pertain to issues such as love and marriage belief in God hell and the devil education lordship and servitude Christianity versus Judaism and Islam health medicine the rural world the rise of the urban class travel roads and bridges entertainment games and sport activities numbers measuring the education system the papacy saints the senses death and money *Images of Medieval Sanctity* Debra Higgs Strickland, 2007-08-31 Assembled on the occasion of Gary Dickson s retirement from the University of Edinburgh following a distinguished career as an internationally acclaimed scholar of medieval social and religious history this volume contains contributions by both established and newer scholars inspired by Dickson s particular interests in medieval popular religion including religious enthusiasm Together the essays comprise a comprehensive and rich investigation of the idea of sanctity and its many medieval manifestations across time fifth through fifteenth centuries and in different geographical locations England Scotland France Italy the Low Countries By approaching the theme of sanctity from multiple disciplinary perspectives this highly original collection pushes forward current academic thinking about medieval hagiography iconography social history women s studies and architectural history **A Companion to Lollardy** Mishtooni Bose, Fiona Somerset, J. Patrick Hornbeck II, 2016-02-15 The last twenty five years have seen an explosion of scholarly studies on lollardy the late medieval religious phenomenon that has often been credited with inspiring the English Reformation In A Companion to Lollardy Patrick Hornbeck sums up what we know about lollardy and what have been its fortunes in the hands of its most recent chroniclers This volume describes trends in the study

of lollardy and explores the many individuals practices texts and beliefs that have been called lollard Joined by Mishtooni Bose and Fiona Somerset Hornbeck assesses how scholars and polemicists literary critics and ecclesiastics have defined lollardy and evaluated its significance showing how lollardy has served as a window on religion culture and society in late medieval England

Handbook of Medieval Culture. Volume 3 Albrecht Classen,2015-08-31 A follow up publication to the Handbook of Medieval Studies this new reference work turns to a different focus medieval culture Medieval research has grown tremendously in depth and breadth over the last decades Particularly our understanding of medieval culture of the basic living conditions and the specific value system prevalent at that time has considerably expanded to a point where we are in danger of no longer seeing the proverbial forest for the trees The present innovative handbook offers compact articles on essential topics ideals specific knowledge and concepts defining the medieval world as comprehensively as possible The topics covered in this new handbook pertain to issues such as love and marriage belief in God hell and the devil education lordship and servitude Christianity versus Judaism and Islam health medicine the rural world the rise of the urban class travel roads and bridges entertainment games and sport activities numbers measuring the education system the papacy saints the senses death and money

The Chronicle of William of Puylaurens William (of Puylaurens.),2003 William of Puylaurens chronicle here translated into English for the first time is one of the main contemporary accounts of these events It describes heresy in the south of France in the early 13th century provides a narrative of the crusade and then outlines the growth of the Inquisition and the sustained attack on heresy which followed including the siege of the Cathar fortress of Montsegur in 1243 44 This translation is accompanied by an introduction full notes appendices and a bibliography

BOOK JACKET The Witch-Hunt in Early Modern Europe Brian P. Levack,2015-09-25 The Witch Hunt in Early Modern Europe now in its fourth edition is the perfect resource for both students and scholars of the witch hunts written by one of the leading names in the field For those starting out in their studies of witch beliefs and witchcraft trials Brian Levack provides a concise survey of this complex and fascinating topic while for more seasoned scholars the scholarship is brought right up to date This new edition includes the most recent research on children gender male witches and demonic possession as well as broadening the exploration of the geographical distribution of witch prosecutions to include recent work on regions cities and kingdoms enabling students to identify comparisons between countries Now fully integrated with Brian Levack s The Witchcraft Sourcebook there are links to the sourcebook throughout the text pointing students towards key primary sources to aid them in their studies The two books are drawn together on a new companion website with supplementary materials for those wishing to advance their studies including an extensive guide to further reading a chronology of the history of witchcraft and an interactive map to show the geographical spread of witch hunts and witch trials across Europe and North America A long standing favourite with students and lecturers alike this new edition of The Witch Hunt in Early Modern Europe will be essential reading for those embarking on or looking to advance their studies of

the history of witchcraft *Proving Woman* Dyan Elliott, 2009-01-10 Around the year 1215 female mystics and their sacramental devotion were among orthodoxy's most sophisticated weapons in the fight against heresy. Holy women's claims to be in direct communication with God placed them in positions of unprecedented influence. Yet by the end of the Middle Ages female mystics were frequently mistrusted, derided, and in danger of their lives. The witch hunts were just around the corner. While studies of sanctity and heresy tend to be undertaken separately, *Proving Woman* brings these two avenues of inquiry together by associating the downward trajectory of holy women with medieval society's progressive reliance on the inquisitional procedure. Inquisition was soon used for resolving most questions of proof. It was employed for distinguishing saints and heretics; it underwrote the new emphasis on confession in both sacramental and judicial spheres; and it heralded the reintroduction of torture as a mechanism for extracting proof through confession. As women were progressively subjected to this screening, they became ensnared in the interlocking web of proofs. No aspect of female spirituality remained untouched. Since inquisition determined the need for tangible proofs, it even may have fostered the kind of excruciating illnesses and extraordinary bodily changes associated with female spirituality. In turn, the physical suffering of holy women became tacit support for all kinds of earthly suffering, even validating temporal mechanisms of justice in their most aggressive forms. The widespread adoption of inquisitional mechanisms for assessing female spirituality eventuated in a growing confusion between the saintly and heretical and the ultimate criminalization of female religious expression. *A Companion to the Medieval Papacy* Atria Larson, Keith Sisson, 2016-04-08 *A Companion to the Medieval Papacy* brings together an international group of experts on various aspects of the medieval papacy. Each chapter provides an up-to-date introduction to and scholarly interpretation of topics of crucial importance to the development of the papacy's thinking about its place in the medieval world and of its institutional structures. Topics covered include the Papal States, the Gregorian Reform, papal artistic self-representation, hierocratic theory, canon law, decretals, councils, legates, and judges delegate, the apostolic camera, chancery, penitentiary, and Rota, relations with Constantinople, crusades, missions. The volume includes an introductory chapter by Thomas F. X. Noble on the historiographical challenges of writing medieval papal history. Contributors are Sandro Carocci, Atria A. Larson, Andrew Louth, Jehangir Malegam, Andreas Meyer, Harald M. Iler, Thomas F. X. Noble, Francesca Pomarici, Rebecca Rist, Kirsi Salonen, Felicitas Schmieder, Keith Sisson, Danica Summerlin, and Stefan Wei. **The Sacred and the Sinister** David J. Collins, S. J., 2019-03-20 Inspired by the work of eminent scholar Richard Kieckhefer, *The Sacred and the Sinister* explores the ambiguities that made and make medieval religion and magic so difficult to differentiate. The essays in this collection investigate how the holy and unholy were distinguished in medieval Europe, where their characteristics diverged and the implications of that deviation. In the Middle Ages, the natural world was understood as divinely created and infused with mysterious power. This world was accessible to human knowledge and susceptible to human manipulation through three modes of engagement: religion, magic, and science. How these ways of understanding developed in

light of modern notions of rationality is an important element of ongoing scholarly conversation As Kieckhefer has emphasized ambiguity and ambivalence characterize medieval understandings of the divine and demonic powers at work in the world The ten chapters in this volume focus on four main aspects of this assertion the cult of the saints contested devotional relationships and practices unsettled judgments between magic and religion and inconclusive distinctions between magic and science Freshly insightful this study of ambiguity between magic and religion will be of special interest to scholars in the fields of medieval studies religious studies European history and the history of science In addition to the editor the contributors to this volume are Michael D Bailey Kristi Woodward Bain Maeve B Callan Elizabeth Casteen Claire Fanger Sean L Field Anne M Koenig Katelyn Mesler and Sophie Page

Law and the Illicit in Medieval Europe Ruth Mazo Karras, Joel Kaye, E. Ann Matter, 2013-02-11 In the popular imagination the Middle Ages are often associated with lawlessness However historians have long recognized that medieval culture was characterized by an enormous respect for law and legal procedure This book makes the case that one cannot understand the era's cultural trends without considering the profound development of law

On Becoming God: Late Medieval Mysticism and the Modern Western Self Ben Morgan, 2013 Do we have to conceive of ourselves as isolated individuals inevitably distanced from other people and from whatever we might mean when we use the word God On Becoming God offers an innovative approach to the history of the modern Western self by looking at human identity as something people do together rather than on their own as a way of managing and keeping at bay the impulses and experiences associated with the word God The self is a way of doing things or of not doing things with God The book draws on phenomenology Heidegger gender studies Beauvoir Butler and contemporary neuroscience It surveys existing approaches to modern selfhood Foucault Charles Taylor and proposes an alternative account by investigating late medieval mysticism in particular texts written in Germany by Meister Eckhart and others It concludes by exploring the parallel between late medieval confessors and their spiritual charges and late nineteenth century psychoanalysts and their patients in search of a vocabulary for acknowledging and nurturing our everyday commitments to others and to our spiritual longings

Repression Of Heresy In Medieval Germany Introduction

In today's digital age, the availability of Repression Of Heresy In Medieval Germany books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Repression Of Heresy In Medieval Germany books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Repression Of Heresy In Medieval Germany books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Repression Of Heresy In Medieval Germany versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Repression Of Heresy In Medieval Germany books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Repression Of Heresy In Medieval Germany books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Repression Of Heresy In Medieval Germany books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Repression Of Heresy In Medieval Germany books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Repression Of Heresy In Medieval Germany books and manuals for download and embark on your journey of knowledge?

FAQs About Repression Of Heresy In Medieval Germany Books

What is a Repression Of Heresy In Medieval Germany PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Repression Of Heresy In Medieval Germany PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Repression Of Heresy In Medieval Germany PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Repression Of Heresy In Medieval Germany PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Repression Of Heresy In Medieval Germany PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
