Requiem and Poem without a hero Translated by D.M. Thomas, 1976 **Requiem and Poem without a Hero** Anna Akhmatova, 2018-03-26 With this edition Swallow Press presents two of Anna Akhmatova's best known works that represent the poet at full maturity and that most trenchantly process the trauma she and others experienced living under Stalin's regime Akhmatova began the three decade process of writing Requiem in 1935 after the arrests of her son Lev Gumilev and her third husband The autobiographical fifteen poem cycle primarily chronicles a mother's wait lining up outside Leningrad Prison every day for seventeen months for news of her son's fate But from this limbo Akhmatova expresses and elevates the collective grief for all the thousands vanished under the regime and for those left behind to speculate about their loved ones fates Similarly Akhmatova wrote Poem without a Hero over a long period It takes as its focus the transformation of Akhmatova's beloved city of St Petersburg historically a seat of art and culture into Leningrad Taken together these works plumb the foremost themes for which Akhmatova is known and revered When Ohio University Press published D M Thomas's translations in 1976 it was the first time they had appeared in English Under Thomas's stewardship Akhmatova's words ring clear as a bell **Selected Essays** John Bayley, 1984-03-15 *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *Into the Heart of European Poetry* John Taylor, 2011-12-31 John Taylor's brilliant new book examines the work of many of the major poets who have deeply marked modern and contemporary European literature Venturing far and wide from the France in which he has lived since the late 1970s the polyglot writer critic not only delves into the more widely translated literatures of Italy Greece Germany and Austria but also discovers impressive and overlooked work in Slovenia Bosnia Hungary Finland Norway and the Netherlands in this book that ranges over nearly all of Europe including Russia While providing this stimulating and far ranging critical panorama Taylor brings to light key themes of European writing the depth of everyday life the quest of the thing in itself metaphysical aspiration and anxiety the dialectics of negativity and affirmation subjectivity and self effacement and uprootedness as a category that is as ontological as it is geographical historical political or cultural The book pays careful attention to the intersection of writing and history or politics as several poets featured here have faced the Second World War the Holocaust Communism the fall of Communism or the war in the former Yugoslavia Taylor gives the work of renowned upcoming and still little known poets a thorough look all the while scrutinizing recent translations of their verse He highlights several poets who are also masters of the prose poem He includes a few novelists who have fashioned a particularly original kind of poetic prose that stylistic category that has proved so difficult for critics to define *Into the Heart of European Poetry* should be of immediate interest to any reader curious about the aesthetic and philosophical ideas underlying major trends of contemporary European writing In a day and

age when much too little is translated and thus known about foreign literature and when Europeans themselves are pondering the common denominators of their own culture this book is as indispensable as it is engaging *The Word that Causes Death's Defeat* Anna Andreevna Akhmatova, Анна Андреевна Ахматова, 2004-01-01 Anna Akhmatova 1889 1966 one of twentieth century Russia's greatest poets was viewed as a dangerous element by post Revolution authorities One of the few unrepentant poets to survive the Bolshevik revolution and subsequent Stalinist purges she set for herself the artistic task of preserving the memory of pre Revolutionary cultural heritage and of those who had been silenced This book presents Nancy K Anderson's superb translations of three of Akhmatova's most important poems Requiem a commemoration of the victims of Stalin's Terror The Way of All the Earth a work to which the poet returned repeatedly over the last quarter century of her life and which combines Old Russian motifs with the modernist search for a lost past and Poem Without a Hero widely admired as the poet's magnum opus Each poem is accompanied by extensive commentary The complex and allusive Poem Without a Hero is also provided with an extensive critical commentary that draws on the poet's manuscripts and private notebooks Anderson offers relevant facts about the poet's life and an overview of the political and cultural forces that shaped her work The resulting volume enables English language readers to gain a deeper level of understanding of Akhmatova's poems and how and why they were created The Western Literary Tradition: Volume 2 Margaret L. King, 2022-03-01 This compact anthology the second volume in Margaret L King's masterful introduction to the Western literary tradition offers in whole or in part eighty key literary works of the eighteenth nineteenth and twentieth centuries The texts provided here represent an unusually broad array of languages and traditions ranging across a variety of genres such as verse drama philosophy short and long form fiction and non fiction including autobiography speech journalism and essay This second volume shares with the first a focus on works by women numerous texts by Latin American writers are included here as well King's clear engaging introductions and notes support an informed reading of the texts while extending students knowledge of particular authors and problems of interest The Western Literary Tradition's modest length and cost allow for the use of full length works many of which are available in Hackett Publishing's own well regarded and inexpensive translations and editions alongside the anthology without adding undue cost to a student's total textbook fees Object Lessons: The Life of the Woman and the Poet in Our Time Eavan Boland, 1996-07-17 In this important prose work one of our major poets explores through autobiography and argument a woman's life in Ireland together with a poet's work Eavan Boland beautifully uncovers the powerful drama of how these lives affect one another how the tradition of womanhood and the historic vocation of the poet act as revealing illuminations of the other **The Murdoch Archipelago** Bruce Page, 2013-09-17 Rupert Murdoch is one of the most powerful men in the world today As chief executive of News Corporation he controls a global media empire which boasts some of the major players in newspapers television publishing and the movie business In the English speaking world and increasingly in untapped but potentially lucrative markets such as China he wields an influence

as political kingmaker second to none How did he do it How did this empire a loose archipelago of media islands large and small come to be so successful and influential Building on many years research and featuring many previously undisclosed revelations THE MURDOCH ARCHIPELAGO is the most definitive survey yet of Murdoch s life and times how power flows from influence and whether this should or if it can be regulated **Repentance** Denise J. Youngblood, Josephine

Woll, 2001-08-24 Tengiz Abuladze s allegorical film made in Georgia is the best known film of the perestroika and glasnost years With its outspoken and controversial reference to the Stalin era and Stalin s place in the Soviet psyche Repentance was originally shelved but ultimately released in 1986 to widespread popular and critical acclaim This _KINOfile_ investigates the production context and critical reception of the film the people who made it and provides an analysis of the film itself and its place in world cinema **Lessons and Legacies VII** Peter Hayes, Dagmar Herzog, 1991 In the courtroom and the classroom

in popular media public policy and scholarly pursuits the Holocaust its origins its nature and its implications remains very much a matter of interest debate and controversy Arriving at a time when a new generation must come to terms with the legacy of the Holocaust or forever lose the benefit of its historical social and moral lessons this volume offers a richly varied deeply informed perspective on the practice interpretation and direction of Holocaust research now and in the future In their essays the authors an international group including eminent senior scholars as well those who represent the future of the field set the agenda for Holocaust studies in the coming years even as they give readers the means for understanding today s news and views of the Holocaust whether in court cases involving victims and perpetrators international national and corporate developments or fictional documentary and historical accounts Several of the essays such as one on nonarmed amidah or resistance and others on the role of gender in the behavior of perpetrators and victims provide innovative and potentially significant interpretive frameworks for the field of Holocaust studies Others for instance the rounding up of Jews in Italy Nazi food policy in Eastern Europe and Nazi anti Jewish scholarship emphasize the importance of new sources for reconstructing the historical record Still others including essays on the 1964 Frankfurt trial of Auschwitz guards and on the response of the Catholic Church to the question of German guilt bring a new depth and sophistication to highly charged sharply politicized topics Together these essays will inform the future of the Holocaust in scholarly research and in popular understanding Publisher s description [Waiting at the Prison Gate](#) Judith Pallott, Elena Katz, 2016-11-29 The Russian

A Century of Genocide Eric D. Weitz, 2015-04-27 Why did the twentieth century witness unprecedented organized genocide Can we learn why genocide is perpetrated by comparing different cases of genocide Is the Holocaust unique or does it share causes and features with other cases of state sponsored mass murder Can genocide be prevented Blending gripping narrative with trenchant analysis Eric Weitz investigates four of the twentieth century's major eruptions of genocide the Soviet Union under Stalin Nazi Germany Cambodia under the Khmer Rouge and the former Yugoslavia Drawing on historical sources as well as trial records memoirs novels and poems Weitz explains the prevalence of genocide in the twentieth century and shows how and why it became so systematic and deadly Weitz depicts the searing brutality of each genocide and traces its origins back to those most powerful categories of the modern world race and nation He demonstrates how in each of the cases a strong state pursuing utopia promoted a particular mix of extreme national and racial ideologies In moments of intense crisis these states targeted certain national and racial groups believing that only the annihilation of these enemies would enable the dominant group to flourish And in each instance large segments of the population were enticed to join in the often ritualistic actions that destroyed their neighbors This book offers some of the most absorbing accounts ever written of the population purges forever associated with the names Stalin Hitler Pol Pot and Milosevic A controversial and richly textured comparison of these four modern cases it identifies the social and political forces that produce genocide
