Requiem By The Photographers Who Died In Vietnam And Indochina:

Requiem Horst Faas,Tim Page,Peter Arnett,1997 Between the height of the French Indochina War in the fifties and the fall of Phnom Penh and Saigon in 1975 135 photographers from all sides of the conflict are recorded as missing or having been killed This book is a memorial to those men and women and in many cases it includes the last photographs they took Horst Faas and Tim Page two photographers who worked and were wounded in Vietnam have gathered many thousands of pictures by those who were killed Their search has taken them through the archives in Hanoi as well as those of Western agencies In some cases families have generously provided access to private files where unknown bodies of work have lain unseen for more than forty years The list of the dead includes some of the greatest photographers of the century such as Robert Capa and Larry Burrows and some who had been working in Vietnam for only a matter of days before their deaths A number of the Cambodian photographers working for the Western press were executed Other photographers like Sean Flynn and Dana Stone disappeared Their loss inspired Tim Page to begin this memorial The resulting sequence of photographs follows the course of the war and the transformation of the serene landscapes of Cambodia and Vietnam into scenes of nightmarish devastation At the moments of intense battle one is reminded not only of the courage of the photographers but of the compassion amid the brutality of war These photographers were intimate with war to a degree that may well be denied future generations That intimacy led to their deaths Their photographs are their legacy **Requiem** Horst Faas,1997-10-07 Between the height of the French Indochina War in the fifties and the fall of Phnom Penh and Saigon in 1975 135 photographers from all sides of the conflict are recorded as missing or having been killed This book is a memorial to those men and women and in many cases it includes the last photographs they took Horst Faas and Tim Page two photographers who worked and were wounded in Vietnam have gathered many thousands of pictures by those who were killed Their search has taken them through the archives in Hanoi as well as those of Western agencies In some cases families have generously provided access to private files where unknown bodies of work have lain unseen for more than forty years The list of the dead includes some of the greatest photographers of the century such as Robert Capa and Larry Burrows and some who had been working in Vietnam for only a matter of days before their deaths A number of the Cambodian photographers working for the Western press were executed Other photographers like Sean Flynn and Dana Stone disappeared Their loss inspired Tim Page to begin this memorial The resulting sequence of photographs follows the course of the war and the transformation of the serene landscapes of Cambodia and Vietnam into scenes of nightmarish devastation At the moments of intense battle one is reminded not only of the courage of the photographers but of the compassion amid the brutality of war These photographers were intimate with war to a degree that may well be denied future generations That intimacy led to their deaths Their photographs are their legacy **Requiem** Horst Faas,Tim Page,1997 **The American War in Contemporary Vietnam** Christina Schwenkel,2009-07-13 Christina Schwenkel s absorbing study explores how the American War is remembered and

commemorated in Vietnam today in official and unofficial histories and in everyday life Schwenkel analyzes visual representations found in monuments and martyrs cemeteries museums photography and art exhibits battlefield tours and related sites of trauma tourism In these transnational spaces American and Vietnamese memories of the war intersect in ways profoundly shaped by global economic liberalization and the return of American citizens as tourists pilgrims and philanthropists

Killing for Show Julian Stallabrass, 2020-10-30 See firsthand how war photography is used to sway public opinion In the autumn of 2014 the Royal Air Force released blurry video of a missile blowing up a pickup truck which may have had a weapon attached to its flatbed This was a lethal form of gesture politics to send a 9 million bomber from Cyprus to Iraq and back burning 35 000 an hour in fuel to launch a smart missile costing 100 000 to destroy a truck or rather to create a video that shows it being destroyed Some lives are ended it is impossible to tell whose so that the government can pretend that it taking effective action by creating a high budget snuff movie This is killing for show Since the Vietnam War the way we see conflict through film photographs and pixels has had a powerful impact on the political fortunes of the campaign and the way that war has been conducted In this fully illustrated and passionately argued account of war imagery Julian Stallabrass tells the story of post war conflict how it was recorded and remembered through its iconic photography The relationship between war and photograph is constantly in transition forming new perspectives provoking new challenges what is allowed to be seen Does an image have the power to change political opinion How are images used to wage war Stallabrass shows how photographs have become a vital weapon in the modern war as propaganda from close quarters fighting to the drone's electronic vision as well as a witness to the barbarity of events such as the My Lai massacre the violent suppression of insurgent Fallujah or the atrocities in Abu Ghraib Through these accounts Stallabrass maps a comprehensive theoretical re evaluation of the relationship between war politics and visual culture Killing for Show offers 190 photographs encompassing photojournalism artists images photographs by soldiers and amateurs and drones A comprehensive comparison of the role of photography in the Vietnam and Iraq Wars An explanation of the waning power of iconic images in collective memory An analysis of the failure of military PR and the public display of killing A focus on what can and cannot be seen photographed and published An exploration of the power and limits of amateur photography Arguments about how violent images act on democracy This full color book is an essential volume in the history of warfare and photography

What's Going On? Marcia A. Eymann, Charles Wollenberg, Oakland Museum of California, 2004-08-26 Eymann presents a richly illustrated collection of essays on the history of California as both microcosm and magnification of the national experience during the Vietnam War

Locating Memory Annette Kuhn, Kirsten Emiko McAllister, 2006 Paying close attention to the setting in which photographs are made and used the contributors consider how meanings in photographs from historical inquiry to quests for identity may be shifted challenged and renewed over time and for different purposes

Genocide, War Crimes and the West Doctor Adam Jones, 2013-07-04 Genocide and war crimes

are increasingly the focus of scholarly and activist attention Much controversy exists over how precisely these grim phenomena should be defined and conceptualized Genocide War Crimes in most cases their contributions are specifically written for this volume In the opening and closing sections of the book analytical issues are considered including questions of responsibility for genocide and war crimes and institutional responses at both the domestic and international levels The central section is devoted to an unprecedentedly broad range of original case studies of western involvement or alleged involvement in war crimes and genocide At a moment in history when terrorism has become a near universal focus of public attention this volume makes clear why the West as a result of both its historical legacy and contemporary actions so often excites widespread resentment and opposition throughout the rest of the world

Bill Brandt Paul Delany,2004 Bill Brandt the greatest of British photographers who visually defined the English identity in the mid twentieth century was an enigma Indeed despite his assertions to the contrary he was not in fact English at all His life like much of his work was an elaborate construction England was his adopted homeland and the English were his chosen subject The England in which Brandt arrived in the Thirties was deeply polarized He photographed both upstairs and downstairs and recorded the industrial north as well as the society rounds of the affluent south Although much of his work was for the new illustrated magazines it was frequently influenced by surrealism and an eye for the slightly strange The subjects of his portraits include the greatest creative figures of his age and his English landscapes were sublime His radical treatment of the female body forms a landmark in the history of the photography Paul Delany ambitiously traces the details of Brandt s life and reveals how the biographical facts and the fantasies that accompanied them deeply affected Brandt s work The biography is richly illustrated with duotone reproductions of his masterpieces and a number of unpublished private photographs

Journalists Under Fire Anthony Feinstein,2006-09-08 Outstanding Academic Title for 2007 Choice Magazine As journalists in Iraq and other hot spots around the world continue to face harrowing dangers and personal threats neuropsychiatrist Anthony Feinstein offers a timely and important exploration into the psychological damage of those who armed only with pen tape recorder or camera bear witness to horror Based on a series of recent studies investigating the emotional impact of war on the profession Journalists under Fire breaks new ground in the study of trauma related disorders Feinstein opens with an overview of the life threatening hazards war reporters face abductions mock executions the deaths of close colleagues and discusses their psychological consequences post traumatic stress disorder depression deterioration of personal relationships and substance abuse In recounting the experiences of reporters who encounter trauma on the job Feinstein observes that few adequate support systems are in place for them He tells the stories of media veterans who have seen it all only to find themselves and their employers blindsided by psychological aftershocks The book explores the biological and psychological factors that motivate journalists to take extraordinary risks Feinstein looks into the psyches of freelancers who waded into war zones with little or no financial backing he examines the different stresses encountered by women working in a historically male

dominated profession and he probes the effects of the September 11 attacks on reporters who thought they had sworn off conflict reporting His interviews with many of this generation s greatest reporters photographers and videographers often reveal extraordinary resilience in the face of adversity Journalists under Fire is a look behind the public persona of war journalists at a time when the profession faces unprecedented risk Plucking common threads from disparate stories Feinstein weaves a narrative that is as fascinating to read as it is sobering to contemplate What emerges are unique insights into lives lived dangerously

Bernard Fall Dorothy Fall,2006 Bernard Fall wrote the classics Street Without Joy and Hell in a Very Small Place which detailed the French experience in Vietnam One of the first and the best informed Western observers to say that the United States could not win there either he was killed in Vietnam in 1967 while accompanying a Marine platoon Written by his widow Dorothy Bernard Fall Memories of a Soldier Scholar tells the story of this courageous and influential Frenchman who experienced many of the major events of the twentieth century His mother perished at Auschwitz his father was killed by the Gestapo and he himself fought in the Resistance It focuses however on Vietnam and on two love stories The first details Fall s love for Vietnam and his efforts to save the country from destruction and the United States from disaster The second shows a husband and father dedicated to a cause that continuously lured him away from those he loved With a foreword by the late David Halberstam

The Oriental Obscene Sylvia Shin Huey Chong, 2012 This book explores the impact of media representations of violence during the Vietnam War on people in the U S specifically how images of violence done to and by the Vietnamese were traumatic in ways that deeply affected the American psyche

Understanding Contemporary Journalism Tatah Mentan, 2022-01-03 Journalism is one of the most important professions today Without it large swaths of the world similarly might have remained dark impoverished tortured because few people would have been aware of the nature and depth of the atrocities therein You can't fix what you can't find Indeed we have only to look at places today where journalists must risk their lives to do their jobs places such as Central Europe the Philippines Mexico Myanmar Russia Turkey Democratic Republic of Congo Rwanda Cameroun Afghanistan and too many others to appreciate anew what an incalculable difference the media make reporting on wars famines genocide and the tyrants who green light them But saving the world apparently is not enough I have included a chapter on Peace Journalism because it uses conflict analysis and transformation to update the concept of balance fairness and accuracy in reporting This approach provides a new road map tracing the connections between journalists their sources the stories they cover and the consequences of their reporting the ethics of journalistic intervention to play a role in global peace rather than fuelling conflicts
