Judd E. Hollander

Res Publica Roman Politics And Society According To Cicero Sources In Translation:

Cicero's Social and Political Thought Neal Wood,1991-02-20 In this close examination of the social and political thought of Marcus Tullius Cicero 106 43 B C Neal Wood focuses on Cicero s conceptions of state and government showing that he is the father of constitutionalism the archetype of the politically conservative mind and the first to reflect extensively on politics as an activity

Reading Acts in the Discourses of Masculinity and Politics Eric Barreto,Matthew L. Skinner,Steve Walton,2017-01-12 This book looks at the Acts of the Apostles through two lenses that highlight the two topics of masculinity and politics Acts is rich in relevant material whether this be in the range of such characters as the Ethiopian eunuch Cornelius Peter and Paul or in situations such as Timothy s circumcision and Paul s encounters with Roman rulers in different cities Engaging Acts from these two distinct but related perspectives illuminates features of this book which are otherwise easily missed These approaches provide fresh angles to see how men masculinity and imperial loyalty were understood experienced and constructed in the ancient world and in earliest Christianity The essays present a range of topics some engage with Acts as a whole as in Steve Walton s chapter on the way Luke Acts perceives the Roman Empire while others focus on particular sections passages and even certain figures such as in an Christopher Stroup s analysis of the circumcision of Timothy Together the essays provide a tightly woven and deeply textured analysis of Acts The dialogue form of essay and response will encourage readers to develop their own critiques of the points raised in the collection as a whole

Reading Acts Theologically Steve Walton,2022-06-30 Steve Walton has consistently focused his research and scholarship upon the theological perspective of Acts while considering the book s nature and focus its portrait of the early Christian communities and their mission in the culturally varied first century world and its major theological themes Walton now collects several of his key essays into an expansive and coherent perspective bringing together studies published over nearly two decades during his time of study and reflection in the process of writing the Word Biblical Commentary on Acts The collection begins with an exploration of what reading Acts theologically means the divine perspective of Acts and how Luke theologizes through narrative Walton presents analyses covering the nature of the early Church and the main terms used by the communities the believers sharing of possessions early Christian attitudes to the Jewish temple decision making among the earliest Christians and the church s engagement with the Roman empire and its representatives This volume studies theological themes in Acts such as Jesus role as a character in the text while also located in heaven and the cosmology and anthropology communicated by Acts thus providing a new reflection on the early Christian understanding of God Jesus and humanity

Ancient Rome Matthew Dillon,Lynda Garland,2015-06-26 In this second edition Ancient Rome presents an extensive range of material from the early Republic to the death of Augustus with two new chapters on the Second Triumvirate and The Age of Augustus Dillon and Garland have also included more extensive late Republican and Augustan sources on social developments as well as further information on the Gold Age of Roman literature Providing comprehensive

coverage of all important documents pertaining to the Roman Republic and the Augustan age Ancient Rome includes source material on political and military developments in the Roman Republic and Augustan age 509 BC AD 14 detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic and early empire Students of ancient Rome and classical studies will find this new edition invaluable at all levels of study **Cicero's Cilician Letters** Marcus

Tullius Cicero,2023-09-21 A selection of Cicero s Cilician letters in new English translations to support ancient history students **The Romans and Their World** Brian Campbell,2020-10-07 A concise and accessible account of one of the largest longest lasting and most influential empires in world history ancient Rome This one volume history of the Roman world begins with the early years of the republic and carries the story nearly a thousand years forward to 476 when Romulus Augustus the last Western Roman emperor was deposed Brian Campbell respected scholar and teacher presents a fascinating and wide ranging introduction to Rome drawing on an array of ancient sources and covering topics of interest to readers with little prior background in Roman history as well as those already familiar with the great civilization Campbell explores several themes including the fall of the republic the impact of colorful and diverse emperors on imperial politics the administrative structure of empire and the Roman army and how warfare affected the Roman world He also surveys cultural and social life including religion and the rise of Christianity Generously enhanced with maps and illustrations this book is a rich and inspiring account of a mighty civilization and the citizens who made it so A lucid survey of Roman history Adam Kirsch New Yorker One of the great joys of Campbell s unfailingly readable account is the readiness with which it returns to the Roman record drawing on ancient sources to give a lively and immediate feel for Roman life and culture Michael Kerrigan Scotsman Campbell masterfully discusses military affairs as expected from this scholar Excellent translations of ancient sources enliven the text Rare will be the scholar who also does not learn from Campbell P B Harvey Jr Choice **Ancient History** ,1992 **Stereotypes of Women in Power** Barbara Garlick,Suzanne Dixon,Pauline Allen,1992-01-30 How have women at different times and in different places been perceived when they cross the gender coded boundaries between the public and private realms This broad ranging study of the continuing ambivalence toward women in positions of power and authority describes domineering dowagers witches and scheming concubines in ancient medieval and modern days in ancient Egypt Rome Byzantium China medieval Europe the Victorian era and today This sourcebook also offers coverage of the political representation of women in various cultures and historical periods **American Classical Review** ,1972

Rome in the Late Republic Mary Beard,Michael Crawford,1999 This textbook outlines the key features of the period of Rome in the late Republic from the attitudes of the aristocracy and the role of state religion to the function of political

institutions This second edition also contains a new introduction and an updated bibliography Res Publica: Roman Politics and Society According to Cicero Marcus Tullius Cicero,1970 **Res Publica** Marcus Tullius Cicero,1978

Roman Theories of Translation Siobhán McElduff,2013-08-29 For all that Cicero is often seen as the father of translation theory his and other Roman comments on translation are often divorced from the complicated environments that produced them The first book length study in English of its kind Roman Theories of Translation Surpassing the Source explores translation as it occurred in Rome and presents a complete culturally integrated discourse on its theories from 240 BCE to the 2nd Century CE Author Siobhán McElduff analyzes Roman methods of translation connects specific events and controversies in the Roman Empire to larger cultural discussions about translation and delves into the histories of various Roman translators examining how their circumstances influenced their experience of translation This book illustrates that as a translating culture a culture reckoning with the consequences of building its own literature upon that of a conquered nation and one with an enormous impact upon the West Rome's translators and their theories of translation deserve to be treated and discussed as a complex and sophisticated phenomenon Roman Theories of Translation enables Roman writers on translation to take their rightful place in the history of translation and translation theory **Res Publica and the Roman Republic** Louise Hodgson,2016-12-22 Res Publica and the Roman Republic tells the story of an idea res publica and shows us what it meant and was made to mean in the particular historical context of the late Roman Republic Since the term was politically ubiquitous often used emotively and as a consequence is hard to define the temptation to take res publica as a universally understood and relatively uncontroversial given is rarely resisted A close look at how res publica was perceived and manipulated however brings into focus not just the political crises of the late Republic but also the various attempts to clean up these crises through dubiously legal and often outright illegal emergency measures Although this book is at root a philological study of a political concept it aims to make a historical point about a politically turbulent period by addressing three key questions What did it mean for Republican politicians to appeal to the res publica What did the increasing tendency to do so reveal about the dangerous fragmentation of political legitimacy How did these pressures transform res publica as a concept Through a detailed examination of res publica as it appears in the ancient historians orators poets commentaries and letters inscriptions and historical episodes of the late Republic and early Principate this book demonstrates how the rhetoric surrounding res publica mirrored the changes in the Roman political landscape towards the end of the Republic *The Classical Review* ,1995 **The Bonds of Humanity** Cary J. Nederman,2020-01-06 Of the great philosophers of pagan antiquity Marcus Tullius Cicero is the only one whose ideas were continuously accessible to the Christian West following the collapse of the Roman Empire Yet in marked contrast with other ancient philosophers Cicero has largely been written out of the historical narrative on early European political thought and the reception of his ideas has barely been studied The Bonds of Humanity corrects this glaring oversight arguing that the influence of Cicero's ideas in medieval and early modern Europe

was far more pervasive than previously believed In this book Cary J Nederman presents a persuasive counternarrative to the widely accepted belief in the dominance of Aristotelian thought Surveying the work of a diverse range of thinkers from the twelfth to the sixteenth century including John of Salisbury Brunetto Latini Marsiglio of Padua Christine de Pizan and Bartolom de Las Casas Nederman shows that these men and women inherited deployed and adapted key Ciceronian themes He argues that the rise of scholastic Aristotelianism in the thirteenth century did not supplant but rather supplemented and bolstered Ciceronian ideas and he identifies the character and limits of Ciceronianism that distinguish it from other schools of philosophy Highly original and compelling this paradigm shifting book will be greeted enthusiastically by students and scholars of early European political thought and intellectual history particularly those engaged in the conversation about the role played by ancient and early Christian ideas in shaping the theories of later times Roman Military Law C. E.

Brand,2013-08-21 Rome was the law giver for much of the modern world She was also the greatest military power of antiquity operating her military organization with remarkable efficiency and effectiveness throughout most of the then known world In view of the importance of both the legal and military aspects of the Roman Empire an account of their combination in a system of disciplinary control for the Roman armies is of considerable significance to historians in both fields and in fact to scholars in general In Roman Military Law C E Brand describes this system of control Since a characterization of such a system can be made most meaningful only against a background of Roman constitutional government and in the light of ideologies current at the time Brand follows his initial Note on Sources with a sketch of the contemporary Roman scene This first section includes a discussion of the Roman constitution and an examination of Roman criminal law The history of Rome as a republic principate and empire extended over a period of a thousand years so any attempt to represent a generalized picture must be essentially a matter of extraction and condensation from the voluminous literature of the whole era Nevertheless from the fantastic evolution that is the history of Rome Brand has been able to construct a more or less static historical mosaic that may be considered typically Roman This comes into sharpest focus during the period of the Punic Wars when the city and its people were most intensely Roman The picture of the Roman armies is set into this basic framework in chapters dealing with military organization disciplinary organization religion and discipline and offenses and punishments The final section of the book considers briefly the vast changes in Roman institutions that came about under the armies of the Empire and then concludes with the Latin text and an English translation of the only known code of Roman military justice promulgated sometime during the later Empire preserved in Byzantine literature and handed down to medieval times in Latin translations of Byzantine Greek law which it has heretofore been confused A Companion to Greek and Roman Political Thought Ryan K. Balot,2012-12-26 A COMPANION TO GREEK AND ROMAN POLITICAL THOUGHT Justice virtue and citizenship were at the center of political life in ancient Greece and Rome and were frequently discussed by classical poets historians and philosophers This Companion illuminates Greek and Roman political thought in all its range diversity and

depth Thirty four essays from leading scholars in history classics philosophy and political science provide stimulating discussions of classical political thought ranging from the Archaic Greek epics to the final days of the Roman Empire and beyond These essays strike a judicious yet thought provoking balance between theoretical and historical perspectives A Companion to Greek and Roman Political Thought is an authoritative guide to the ancient Greek and Roman political questions that continue to shape and challenge the modern world *Saving the City* Malcolm Schofield,2003-09-02 Saving the City provides a detailed analysis of the attempts of ancient writers and thinkers from Homer to Cicero to construct and recommend political ideals of statesmanship and ruling of the political community and of how it should be founded in justice Malcolm Schofield debates to what extent the Greeks and Romans deal with the same issues as modern political thinkers

Richard Hooker and the Christian Virtues Daniel F. Graves,Scott N. Kindred-Barnes,2024-07-15 This collection of essays explores Richard Hooker s treatment of the Christian Virtues within his sixteenth century theological and polemical context and the wider Christian tradition The contributors focus on the relationship of the virtues to Richard Hooker s ontology to questions of justification by faith how righteousness is appropriated by the Christian how the virtues relate to Hooker s polemical context what he takes from both Scripture and his theological forbearers and how he demonstrates the virtues in his own literary persona Contributors Benjamin Crosby Paul Dominiak Daniel Eppley Andr A Gazal Daniel F Graves Dan Kemp Scott N Kindred Barnes W J Torrance Kirby W Bradford Littlejohn Arthur Stephen McGrade W David Neelands and John K Stafford

While this might not be the Res Publica Roman Politics And Society According To Cicero Sources In Translation full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Res Publica Roman Politics And Society According To Cicero Sources In Translation eBooks, including some popular titles.

FAQs About Res Publica Roman Politics And Society According To Cicero Sources In Translation Books

What is a Res Publica Roman Politics And Society According To Cicero Sources In Translation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Res Publica Roman Politics And Society According To Cicero Sources In Translation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Res Publica Roman Politics And Society According To Cicero Sources In Translation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Res Publica Roman Politics And Society According To Cicero Sources In Translation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Res Publica Roman Politics And Society According To Cicero Sources In Translation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are

many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
