## **Rescue Of Miss Yaskell And Other Pipe Dreams:**

**The Rescue of Miss Yaskell** Outlet, Russell Baker, 1986-07-01 A selection of Baker's witty trenchant observations on society, morals, manners, and current events encompasses literary parodies, reminiscences, and personal anecdotes about topics ranging from high interest rates to pro football. **The Rescue of Miss Yaskell and Other Pipe Dreams** Russell Baker, 2014-08-05 Humorous essays by the Pulitzer Prize winning supreme satirist. The Washington Post Book World: This collection of more than a hundred anecdotes and essays from the legendary journalist, New York Times columnist, and author of the bestselling memoir *Growing Up* offers wise and sharply witty reflections on an extraordinary array of topics ranging from youth, wealth, the media, and the joy of anger to the difference between dinner and supper. Russell Baker is the Alka Seltzer of the American experience. The most effective comic relief available for the agonizing absurdities we encounter every day. Houston Chronicle: When it comes to satire of a controlled but effervescent ferocity, nobody can touch Baker. The Washington Post Book World. **The Good Times** Russell Baker, 2014-08-05 A superb and often hilarious memoir of a life in journalism from the Pulitzer Prize winning author of *Growing Up*. The New York Times Book Review: Baker here recalls his years at the Baltimore Sun, where on starvation wages he worked on the police beat as a rewrite man, feature writer, and White House correspondent. Sent to London in 1953 to report on the coronation, he spent the happiest year of his life there as an innocent abroad. Moving to the New York Times and becoming a two-fisted drinker, he covered the Senate and the national political campaigns of 1956 and 1960, and just as he was becoming bored with routine reporting and the obligation to keep judgments out of his stories, was offered the opportunity to write his own op-ed page column, *The Observer*. With its lively stories about journalists, Washington politicians, and topical scandals, the book will delight Baker's devotees and significantly expand their already vast number. Publishers Weekly: Aspiring writers will chuckle over Baker's first horrible day on police beat, his panicked interview with Evelyn Waugh, and his arrival at Queen Elizabeth's coronation in top hat, tails, and brown bag lunch. Library Journal: A wonderful book. Kirkus Reviews. **Encyclopedia of American Humorists** Steven H. Gale, 2016-04-14 First published in 1988, this book contains entries on famous American humorists. Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character, both regional and national. Although American literature was in the past treated as inferior to British literature, there has always been a large popular audience for the genre, which this book shows. The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten, setting out to expose the foibles and foolishness of society and the individuals who compose it. It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume. Indeed, the book will demonstrate that the best humor has at its base a ready understanding of human nature. *It Runs In My Family* Joan C. Barth, 2013-10-28 This volume offers therapists effective practical strategies for helping patients overcome the psychological impact of a history of serious illness in the family. Using illustrative case material, the

author discusses the feelings of powerlessness that family illness can produce in an individual and describes techniques for fostering a healthier more empowered attitude She shows how various assessment exercises and validation techniques can help the person distinguish between reality and the myths that evolved as a result of the family illness American Satire Nicholas Bakalar,1997-04-01 This entertaining informative collection covers the best of American satire from Ben Franklin s cutting satiric attacks to Nathaniel Hawthorne s Celestial Railroad Calvin Trillin s Old Marrieds Mark Twain s American Abroad to P J O Rourke s The Innocents Abroad Updated a late 20th century take on Twain s classic piece Entertaining and satisfying An excellent introduction Amazon com *Ebony* ,1985-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
