## **Rescue Ferrets At Sea:**

**Rescue Ferrets at Sea** Richard Bach,2002 This second Ferret Chronicle is the story of Bethany Ferret a kit from humble beginnings who joined the Ferret Rescue Service and rose to command the swift rescue boat Resolute [Hypnotizing Maria](#) Richard Bach,2009-09-18 This philosophical novel mines the same territory as *The Secret* but is far richer raising provocative questions Publishers Weekly Flight instructor Jamie Forbes guides a woman to landing her plane safely after her husband loses consciousness then flies on to his own destination unimpressed by his act flight instructors guide students every day Only after she tells reporters that a stranger appeared in an airplane alongside hers and hypnotized her into landing and after he meets his own guiding stranger does he solve the bigger mystery how each of us creates step by step what seems to be the solid world around us The best mysteries are the ones whose answers lie in front of us in plain sight The best solutions are those moments when all of a sudden we realize what we ve known all along [The Last War](#) Richard Bach,2003-10-07 Relentless investigator ferrets Shamrock and Burrows seek out an object that has the ability to change the future and may enable modern ferrets to contact the ancient and secret home planet from which they came [Flying](#) Richard Bach,2003-10-29 Here for the first time in a single volume are three of Richard Bach s most compelling works about flight From his edgy days as a USAF Alert pilot above Europe in an armed F84 F Thunderstreak during the Cold War to a meander across America in a 1929 biplane Bach explores the extreme edges of the air his airplane and himself in glorious writing about how it feels to climb into a machine leave the earth and fly Only a handful of writers have translated their experiences in the cockpit into books that have mesmerized generations *Furry Fandom* , **The A to Z of Fantasy Literature** Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Curious Lives** Richard Bach,2005-01-01 A collection of five novels featuring ferret

protagonists present a series of adventures that double as tales about courage sacrifice heroism creativity and finding what matters most in life

**Original**      **Furry Tales** Fred Patten,2019-09-26 Tales featuring anthropomorphic animals have been around as long as there have been storytellers to spin them from Aesop s Fables to Reynard the Fox to Alice in Wonderland The genre really took off following the explosion of furry fandom in the 21st century with talking animals featuring in everything from science fiction to fantasy to LGBTQ coming out stories In his lifetime Fred Patten 1940 2018 one of the founders of furry fandom and a scholar of anthropomorphic animal literature authored hundreds of book reviews that comprise a comprehensive critical survey of the genre This selected compilation provides an overview from 1784 through the 2010s covering such popular novels as Watership Down and Redwall along with forgotten gems like The Stray Lamb and Where the Blue Begins and science fiction works like Sundiver and Decision at Doona      *Shooting Adventures, Canine Lore and Sea-fishing Trips* Lewis Clements,1879      Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

**Historical Dictionary of Fantasy Literature** Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature
