Research in Urban Sociology Ray Hutchison,1992-01-01 The second volume in a series which studies research in urban sociology this work is an analysis of gentrification and urban change *Visual and Multimodal Urban Sociology* Luc Pauwels,2023-07-24 Presented over two volumes Visual and Multimodal Urban Sociology A and B explore the use and potential of visual materials and methodologies that expand the level of analysis and ways of seeing in urban sociology

The Gentrification and Inequality in Brooklyn Judith DeSena,2009-06-16 While most studies on gentrification focus almost exclusively on its causes and consequences through an examination of housing class conflict and the displacement of residents this book analyzes the process of gentrification Gentrification and Inequality in Brooklyn examines the ways in which the established working class and lower income residents of Greenpoint Brooklyn remain socially segregated from the incoming gentrifiers with both groups forming parallel cultures within the shared physical spaces of the community Desena broadens the typical analyses of gentrification to include the grass roots dynamics which create social class relations that lead to residential segregation created by social class relations Drawing upon areas traditionally under represented in urban sociology including families women children and local institutions other than housing this study explores the ways in which working class residents in the course of their everyday lives negotiate change in their neighborhood and dissimilarity with their new gentry neighbors Gentrification and Inequality in Brooklyn touches on issues familiar to anyone who has lived in a multi class or multi ethnic community while offering new perspectives on the ways that such communities develop and maintain the boundaries of social segregation Urban Ethnography Richard E. Ocejo,2019-10-22 Showcasing the ideas

analysis and perspectives of experts in the method conducting research on a wide array of social phenomena in a variety of city contexts this volume provides a look at the legacies of urban ethnography s methodological traditions and some of the challenges its practitioners face today **Urban Areas and Global Climate Change** William Holt,2012-10-12 Examining urban environmental issues at the macro municipal level down to the micro community and individual level this volume features cities and metropolitan regions across the global north and south with case studies from the United States Canada Eastern and Western Europe to India Central America South America and Africa **Gender in an Urban World** Judith N.

DeSena,Ray Hutchison,2008-02-14 Brings the analysis of gender from the margin to the center of urban theory This volume examines the influence of gender in shaping relations in urban spaces and places It represents a crack in the landscape of urban sociology and engages in the discourse of the field from a gendered perspective **Urban Megaprojects** Gerardo del Cerro Santamaria,2013-06-06 This book discusses the economic and political conditions that facilitate megaproject implementation and what are the impacts on urbanity and livability of such costly mode of urban development It includes contributions from sociologists planners geographers and architects making it a truly multidisciplinary project Picturing the Social Landscape Caroline Knowles,Paul Sweetman,2004-08-02 In this collection international experts explain how they

have used visual methods in their own research examine their advantages and limitations and show how they have been used alongside other research techniques

Gentrification and Urban Change, 1992 Current Perspectives in Social Theory presents essays on the major issues in contemporary theoretical work in sociology providing both a critical overview of the development of major debates and original formulations by specialists working in various fields Emphasis is put upon the presentation of new developments in special areas Intended to cover the discipline as a whole Current Perspectives in Social Theory seeks to maintain a balance between the general and the particular by dividing each volume into two parts the first consisting of field statements by recognized academics in major areas of sociology the second consisting of pieces focused on more detailed theoretical issues

From Sustainable to Resilient Cities William G. Holt, 2014-11-28 This edited volume addresses sustainability efforts in cities and metropolitan regions around the world focusing on four key areas environment economic sociopolitical and cultural sustainability It includes chapters about applications to urban regions focusing on the movement from sustainable development to resilient urban centers

Everyday Life in the Segmented City Camilla Perrone, Gabriele Manella, Lorenzo Tripodi, 2011-11-10 The conference Everyday Life in the Segmented City held in July 2010 Florence gathered a multiplicity of approaches and points of view dealing with issues of global urbanization This title contains a selection of the papers presented at the conference

Public Spaces Joao Teixeira Lopes, Ray Hutchison, 2016-11-17 This volume is about the plurality and complexity of modern urban public spaces The authors move far beyond the nostalgia of traditional streets squares and gardens to mobilize contemporary sociological knowledge based on the mediated relations between spatial morphology and everyday life in cities across several continents

Rhythmanalysis Dawn Lyon, 2021-11-26 This collection brings together new and original research on the concept and practice of rhythmanalysis in urban sociology as a means to analyse the relationship between the time and space of the city

The World in Brooklyn Judith N. DeSena, Timothy Shortell, 2012-01-01 The World in Brooklyn Gentrification Immigration and Ethnic Politics in a Global City is a collection of scholarly papers which analyze demographic social political and economic trends that are occurring in Brooklyn Brooklyn as the context reflects global forces while also contributing to them The idea for this volume developed as the editors discovered a group of scholars from different disciplines and various universities studying Brooklyn Brooklyn has always been legendary and has more recently regained its stature as a much sought after place to live work and have fun Popular folklore has it that most U S residents trace their family origins to Brooklyn It is presently referred to as one of the hippest places in New York Thus this book is a collection of demographic ethnographic and comparative studies which focus on urban dynamics in Brooklyn The chapters investigate issues of social class urban development immigration race ethnicity and politics within the context of Brooklyn As a whole this book considers both theoretical and practical urban issues In most cases the scholarly perspective is on everyday life With this in mind there are also social justice concerns Issues of social segregation and attendant homogenization are brought to light Moreover social

class and race advantages or disadvantages as part of urban processes are underscored through critiques of local policy decisions throughout the chapters A common thread is the assertion by contributors that planning the future of Brooklyn needs to include multi ethnic racial and economic groups those very residents who make up Brooklyn Gentrification around the World, Volume II Jerome Krase, Judith N. DeSena, 2020-07-09 Bringing together scholarly but readable essays on the process of gentrification this two volume collection addresses the broad question In what ways does gentrification affect cities neighborhoods and the everyday experiences of ordinary people In this second volume of Gentrification around the World contributors contemplate different ways of thinking about gentrification and displacement in the abstract and on the ground Chapters examine among other topics social class development im migration housing race relations political economy power dynamics inequality displacement social segregation homogenization urban policy planning and design The qualitative methodologies used in each chapter which emphasize ethnographic participatory and visual approaches that interrogate the representation of gentrification in the arts film and other mass media are themselves a unique and pioneering way of studying gentrification and its consequences worldwide *Protecting One's Turf* Judith DeSena, 2005-02-22 Protecting One's Turf is a qualitative study that both analyzes informal residential segregation and investigates the effects of racial segregation The focus of the study is Greenpoint a working class neighborhood in Brooklyn New York The book's first edition chronicled the community wide strategies employed to maintain a predominantly white community in Greenpoint The revised edition examines the community's continuing gentrification *The Routledge Handbook of Housing Policy and Planning* Katrin B. Anacker, Mai Thi Nguyen, David P. Varady, 2019-07-02 The Routledge Handbook of Housing Policy and Planning provides a comprehensive multidisciplinary overview of contemporary trends in housing studies housing policies planning for housing and housing innovations in the United States the United Kingdom and Continental Europe In 29 chapters international scholars discuss aspects pertaining to the right to housing inequality homeownership rental housing social housing senior housing gentrification cities and suburbs and the future of housing policies This book is essential reading for students policy analysts policymakers practitioners and activists as well as others interested in housing policy and planning **City of Rhetoric** David Fleming, 2009-07-01 Examines the relationship of civic discourse to built environments through a case study of the Cabrini Green urban revitalization project in Chicago Spatialities of Urban Change Lochner Marais, Gustav Visser, 2008-07-01 It is against a post colonial backdrop that the collection of essays assembled in this book aims to make a contribution to understanding the realities of urban centres which feature less frequently in the academic press The research reported in this collection echoes and highlights many of the themes found in both urban theory derived from the realities of many world cities and the challenges remarked upon in development theory seen in much of the work focused on South Africa's main metropolitan regions *The New Blackwell Companion to The City* Gary Bridge, Sophie Watson, 2011-02-23 This book considers the state of the city and contemporary urbanisation from a range of intellectual and

international perspectives The most interdisciplinary collection of its kind Provides a contemporary update on urban thinking that builds on well established debates in the field Uses the city to explore economic social cultural environmental and political issues more broadly Includes contributions from non Western perspectives and cities
