Sexuality and the Elderly Bonnie L. Walker, 1997-05-12 This literature review was undertaken in order to determine what caregivers needed to know about elderly sexuality to determine the needs of elderly people related to their sexuality and to determine how caregivers could best assist them in meeting those needs In selecting materials to be annotated for this book the first priority was given to empirical studies Also included were articles by prominent practitioners and researchers interested in elderly sexuality literature reviews and books written for the lay population which are often cited in the professional literature In addition to seeking knowledge about elderly sexuality and

understanding attitudes about sexuality this literature review sought information about measurement issues and measurement instruments frequently used in research within elderly populations Also of interest were investigations of educational and training programs involving caregivers

The Encyclopedia of Aging Linda S. Noelker, PhD, Kenneth Rockwood, MD, FRCPC, Richard L. Sprott, Ph.D., 2006-03-17 A COMPREHENSIVE RESOURCE ON GERONTOLOGY AND GERIATRICS Since its inception in 1987 The Encyclopedia of Aging has proven to be the definitive resource for scholars and students across the burgeoning and increasingly interdisciplinary fields of gerontology and geriatrics Like its three esteemed predecessors the fourth edition contains concise readable explorations of hundreds of terms concepts and issues related to the lives of older adults as well as timely coverage of the many new programs and services for the elderly Updated under the distinguished stewardship of editor in chief Richard Schulz to reflect the infusion of new information across the scientific disciplines this new edition brings readers up to the moment significant advances in biology physiology genetics medicine psychology nursing social services sociology economics technology and political science While retaining the format and standard of excellence that marked the first three editions the fourth edition encompasses a wealth of new information from the social and health sciences It contains the most current bibliography of an expanding literature an exhaustive index and extensive cross references This much anticipated update of the field s most authoritative resource will take its place as an indispensable reference for specialists and non specialists across a broad range of disciplines that now comprise the field of aging

Spirituality and Social Work Dr. Veda C.V,Mrs. Anitha.S,2021-06-10 *Encyclopedia of Aging: Qualitative research-Yeast, index* ,2002 **Religious Influences on Health and Well-Being in the Elderly** K. Warner Schaie, PhD,Neal Krause, PhD,Alan Booth, PhD,2004-06-15 What makes the book s approach so captivating is that each chapter is written by a different researcher in the study of religion and health These researchers are responsible for significant portions of the existing literature and methodologies found in this field today The versatility of the book warrants special mention It is effective as a survey of work that has already been done on this topic At the same time it serves as a wellspring of ideas for new research This work makes a valuable contribution to the present understanding of research on religion and health It also serves as a road map to help chart directions for future endeavors in the field Sociology of Religion This volume focuses on the ways in which religious institutions religious practices and religious organizations impact the health and well being of older persons Topics examined include the conceptualization and measurement of religion in late life the relationship between religious coping and possible stress reduction the role of forgiveness as an alternate mediator how social class gender and race can influence the specific effect of religion and religious institutions in a diverse aging society Contributors include L Chatters K Ferraro L K George E Idler S McFadden and K Meador **Gerontology in Theological Education** Barbara P. Payne,1989 Gerontology in Theological Education provides a wealth of useful information to those interested in planning the introduction or improvement of gerontological materials in the curriculum of theological schools The need for including aging in the professional education of the clergy is clear yet it is a relatively unmet need In response to this general lack of gerontological training in theological education this landmark volume documents a model project planned and implemented at the Gerontology Center at Georgia State University and provides suggestions for its use elsewhere Administrators and faculty will find here the results of a national study of gerontology in theological education Detailed descriptions of eight innovative programs nationwide and an extensive bibliography will also provide guidance for

administrators and faculty interested in locating materials that relate to their gerontological concerns **Biblical Perspectives on Aging** J. Gordon Harris, 2013-04-03 As the population of older Americans grows meaningful perspectives on aging are needed by both the young and the old Biblical Perspectives on Aging God and the Elderly takes a detailed look at the views of aging presented in the Old and New Testaments This wide ranging and insightful survey encompasses not only the entire Bible but also interpretations of sacred Middle Eastern and Judaic documents This new expanded edition of the original classic text adds thorough discussions of the wisdom of the Bible and Jewish literature with ways to interpret these readings and what they teach about spirituality and growing older Approaches to aging issues have changed in recent years With the average American lifespan increasing the view of old age as a solitary time of waiting has been pushed aside So too has the assumption that the elderly simply want to remember the good old days This updated edition of Biblical Perspectives on Aging God and the Elderly has expanded its scope to incorporate and address the effects of these changing views This sweeping study of the Bible s positive treatment of aging and elderly figures sheds new light on contemporary society s negative view of the elderly and what can be done about it Clear examples from both Scripture and literature provide a wealth of understanding comfort and wisdom to everyone interested in aging and the Bible In addition this new edition explores the changing relationships that exist among aging hermeneutics mentoring and spirituality The new insights revealed here reinvigorate the challenge against ageism and traditional pictures of old age as a time of withdrawal and living in the past Among the issues explored in Biblical Perspectives on Aging God and the Elderly are aging experiences and the Bible biblical theology and its role in social support for the elderly hermeneutics and old age spirituality and its relationship to aging cross generational relationships and mentoring and a detailed index of Old and New Testament Scripture references Accessible and concise with compelling arguments and numerous examples Biblical Perspectives on Aging God and the Elderly is an ideal resource for pastors seminary students professionals and leaders of programs for the elderly It shows both young and old that while aging may not be easy Biblical theology can ease some of its mystery **Religion, Health, and Aging** Harold G. Koenig, Mona Smiley, Jo Ann Ploch Gonzales, 1988-12-14 This book presents a comprehensive and scientific review of the research during the past fifty years on the relationship between religion and health in later life It will help professionals gain awareness of the importance of religious and spiritual variables among older people The widespread interest in religion among today s elderly suggests its value as a coping strategy and personal resource Unlike any other in the field this volume synthesizes both past research and new findings including recent unpublished data into a model of how religion might interact with other variables to help determine adaptation to stress in later life Religion Health and Aging provides substantial contributions to both the applied and academic aspects of religion and aging With over 500 references this work brings together research findings from a wide variety of disciplines and organizes them in an easily retrievable format The introduction provides a theoretical framework and model of interactions Subsequent chapters address the

relationship between religious beliefs and attitudes and both mental and physical health Next investigated are the impacts on health of private religious activity community religious involvement and personal religious experience A model that demonstrates how religion might interact with stress and illness in later life is presented Actual cases exemplify the role of religion in the lives of older people facing life threatening illness Perspectives from the disciplines of social gerontology geriatric medicine and the clergy are analyzed A review is presented of the implications of research findings for professionals working with older persons A detailed bibliography list of publications and organizations to contact for further information provide access to further resources The appendix contains a review of the development and validation of the Springfield Religiosity Schedule an instrument measuring religious activities attitudes and beliefs of the elderly Religion Health and Aging will serve as a centralized resource of significant value to gerontologists physicians in psychiatry and medicine nurses educators therapists clinical psychologists social workers the clergy and others whose professional and personal lives touch older people
