Research In Domestic And International Agribusiness Management Volume 3

Rute Gonçalves, Patrícia Teixeira Lopes

Research In Domestic And International Agribusiness Management Volume 3:

Handbook Of International Food And Agricultural Policies (In 3 Volumes) ,2017-11-28 Handbook of International Food and Agricultural Policies is a three volume set that aims to provide an accessible reference for those interested in the aims and implementation of food and farm policies throughout the world The treatment is authoritative comprehensive and forward looking The three volumes combine scholarship and pragmatism relating academic writing to real world issues faced by policy makers A companion volume looking at the future resource and climate challenges for global agriculture will be published in the future Volume I covers Farm and Rural Development policies of developed and developing countries The volume contains 20 country chapters together with a concluding comprehensive synthesis of lessons to be drawn from the experiences of the individual countries Volume II examines the experience of countries with food policies including those dealing with food safety and quality and the responsibility for food security in developing countries The chapters address issues such as obesity nutritional supplements organic foods food assistance programs biotech food acceptance and the place of private standards Volume III describes and explains the international trade dimension of farm and food policies both at the bilateral and regional level and also the multilateral rules that influence and constrain individual governments The volume also looks at the steps that countries are together taking to meet the needs of developing and low income countries The volumes are of value to students and researchers interested in economic development agricultural markets and food systems Policy makers and professionals involved in monitoring and regulating agricultural and food markets would also find the volumes useful in their practical work This three volume set is also a suitable source for the general public interested in how their food system is influenced by government policies **Land, Power, And Poverty** Charles D. Brockett,2019-03-04 This book Land Power and Poverty explores the development of the rigid and unequal structures of rural Central American society and the role in the conflicts of five governments of the region Guatemala Costa Rica Honduras El Salvador and Nicaragua

Farm Policy Perspectives ,1984 The Journal of Agricultural Economics Research ,1989 **Subject Guide to Books in Print** ,1997 Food Security Strategies C. Peter Timmer,Food and Agriculture Organization of the United Nations,1997-01-01 This publication reviews the recent literature on food systems and economic development and underlines their limitations Simultaneously it analyzes the Asian approach to food security and concludes that the lesson from East and Southeast Asia for achieving and maintaining food security can be summed up as a growth process stimulated by a dynamic rural economy leads to rapid poverty alleviation which in the context of public action to stabilize food prices ensures food security Publisher s description *International Social Science Journal* ,1985 **Agricultural Economics Research** ,1987

The Corn Economy of Indonesia C. Peter Timmer,2019-05-15 Dealing with a dynamic commodity system in a country that has experienced rapid economic growth over the past fifteen years The Corn Economy of Indonesia offers expert policy analysis conducted within a political economy framework *Agricultural Policy for the 21st Century* Luther G.

Tweeten, Stanley R. Thompson, 2008-06-02 Agricultural policy reform has become a very hot topic Over the next couple of years we will see the funding for these programs being hotly debated The thesis of this book is that a better informed public is essential to bring rationality to farm policy This book provides telling evidence that markets work that competent commercial farmers will earn returns on their resources as high as those earned elsewhere in the absence of income transfer to farmers

Size, Structure, And The Changing Face Of American Agriculture Arne Hallam, 2019-09-05 Presents the latest findings on past changes in structure the factors that lead to structural change its effect on societal welfare and what will happen to the structure of agriculture in the years ahead The book provides insights on issues such as the family farm the industrialization of agriculture and the impact of agricultural technology on the environment

Accounting for Biological Assets Rute Gonçalves, Patrícia Teixeira Lopes, 2017-10-16 This book explores accounting for biological assets under IAS 41 Agriculture and explains the recent adjustments introduced by the IASB which allow firms to choose between cost or revaluation models concerning mature bearer plants Identifying the firm and country level drivers that inform the disclosure and measurement practices of biological assets this concise guide examines the value relevance of measuring those assets at fair value It also analyses how firm and country level drivers explain the differences in the disclosure level and practices used to measure biological assets under IAS 41 Finally it evaluates whether there is a difference in the relevance of biological assets among the listed firms with high and low disclosure levels on biological assets Based on a major international study of a wide selection of firms and country level drivers this book is vital for standard setters stakeholders students accountants and auditors who need to understand disclosure and measurement practices of biological assets under IAS 41

Subject Guide to Forthcoming Books, 1983 Presents by subject the same titles that are listed by author and title in Forthcoming books

Agricultural Economics and Rural Sociology Wallace C. Olsen, 1991 The first of an eight volume series The Literature of the Agricultural Sciences this book analyzes the trends in the published literature of agricultural economics and rural sociology during the past fifty years It uses citation analysis and other bibliometric techniques to identify the primary journals report series and monographs of current importance to the developed industrial countries as well as those in the Third World

The Evolving Sphere of Food Security Rosamond L. Naylor, 2014-08-18 Hundreds of millions of people still suffer from chronic hunger and food insecurity despite sufficient levels of global food production The poor's inability to afford adequate diets remains the biggest constraint to solving hunger but the dynamics of global food insecurity are complex and demand analysis that extends beyond the traditional domains of economics and agriculture How do the policies used to promote food security in one country affect nutrition food access natural resources and national security in other countries How do the priorities and challenges of achieving food security change over time as countries develop economically The Evolving Sphere of Food Security seeks to answer these two important questions and others by exploring the interconnections of food security to security of many kinds energy water health climate the

environment and national security Through personal stories of research in the field and policy advising at local and global scales a multidisciplinary group of scholars provide readers with a real world sense of the opportunities and challenges involved in alleviating food insecurity In sub Saharan Africa for example management of HIV AIDS the establishment of an equitable system of land property rights and investment in solar powered irrigation play an important role in improving food security particularly in the face of global climate change Meanwhile food price spikes associated with the United States biofuels policy continue to have spillover effects on the world s rural poor with implications for stability and national security The Evolving Sphere of Food Security traces four key areas of the food security field 1 the political economy of food and agriculture 2 challenges for the poorest billion 3 agriculture s dependence on resources and the environment and 4 food in a national and international security context This book connects these areas in a way that tells an integrated story about human lives resource use and the policy process

Computer and Computing Technologies in Agriculture, Volume I

Daoliang Li, 2008-02-19 The papers in this volume comprise the refereed proceedings of the the First International Conference on Computer and Computing Technologies in Agriculture CCTA 2007 in Wuyishan China 2007 This conference is organized by China Agricultural University Chinese Society of Agricultural Engineering and the Beijing Society for Information Technology in Agriculture The purpose of this conference is to facilitate the communication and cooperation between institutions and researchers on theories methods and implementation of computer science and information technology By researching information technology development and the sources integration in rural areas in China an innovative and effective approach is expected to be explored to promote the technology application to the development of modern agriculture and contribute to the construction of new countryside The rapid development of information technology has induced substantial changes and impact on the development of China s rural areas Western thoughts have exerted great impact on studies of Chinese information technology development and it helps more Chinese and western scholars to expand their studies in this academic and application area Thus this conference with works by many prominent scholars has covered computer science and technology and information development in China s rural areas and probed into all the important issues and the newest research topics such as Agricultural Decision Support System and Expert System GIS GPS RS and Precision Farming CT applications in Rural Area Agricultural System Simulation Evolutionary Computing etc
