Once Inside A Circle:

Inside the Circle Casey James Miller, 2023-06-16 Drawing on over a decade of ethnographic fieldwork in northwest China Casey James Miller offers a novel compelling and intimately personal perspective on Chinese queer culture and activism In *Inside the Circle* Queer Culture and Activism in Northwest China Miller tells the stories of two courageous and dedicated groups of queer activists in the city of Xi an a grassroots gay men s HIV AIDS organization called Tong ai and a lesbian women s group named UNITE Taking inspiration from the circle a term used to imagine local national and global queer communities Miller shows how everyday people in northwest China are taking part in queer culture and activism while also striving to lead traditionally moral lives in a rapidly changing society The queer stories in this book broaden our understandings of gender and sexuality in contemporary China and show how taking global queer diversity seriously requires us to de center Western cultural values historical experiences and theoretical perspectives

Once in a New Moon Nancy Warren, 2017-09-22 In this story two significant events in Canadian history intersect the Rollout of the Avro Arrow on October 4 1957 and the ongoing land claims of the First Nations Mississauga Lois Michelsen is almost fourteen when she is uprooted from her childhood home in small town Ontario and moved to Centrewood a brand new model satellite community located on the outskirts of Toronto Her father views it as his ideal city since its plan is based on concentric circles instead of a grid plan which Lois prefers Only the adjacent abandoned farm with its fallow pastureland resurgent wildlife winding stream and quiet woods offers her solace through the long hot and lonely summer There she befriends a newly hatched painted turtle discovers a red salamander and finds herself protected by a bald headed eagle Concerned about Lois facing a new school alone her mother foists on her a new little friend from the neighbourhood a little hussy named Mitsy whose cat s eyes sharp tongue and lewd behaviour wreak havoc Unlike normal dreams Lois is susceptible to waking visions when real time is suspended in dual planes of reality Her father is lead aeronautical engineer for the Avro Arrow When she attends the Rollout in Malton her sensibilities open her up to the waking vision of an Indian chief standing on the tarmac next to the Arrow

Annual Report of the New York State College of Agriculture at Cornell University and the Agricultural Experiment Station New York State College of Agriculture, 1917 Elohim Phenomenon I. D. McClain, 2013-03-08 This book is a mathematical and scientific portrayal of the creation of the physical universe We examine all the details of forming a neutron the atoms the earth and the galaxies as related to the Torah Unlike most creational science books that biologically attack evolution or focus in on the flood or the big bang theory we build the entire universe from scratch namely nothing After building the microcosm we build the macrocosm and the earth We only touch biology from the standpoint of transition from before and after the fall After structuring the initial universe and earth we examine all the cataclysmic activity that formulates the world as we know it today Truly the reverence for Elohim is the beginning of knowledge and the Torah a light to follow for understanding The reverence for Elohim is like deciding to look at the map for directions The Torah is like the images on the map The Ruach
