her husband My father would die on the floor of a VA hospital and my mother would go on to develop Alzheimer s disease As the first thirty seven years of my life came its darkest point I found myself searching for my biological roots Fate gracefully stepped in and guided me towards the mother who was forced to give me away at birth and a reunion took place that changed two lives forever One Lucy Bastard A Memoir will appeal to anyone who has been involved in an adoption experience and to everyone who has struggled to find authenticity in their lives James B Myers lives in Los Angeles California
