The Future and Related Nonsense Antony Funnell, 2012-07-01 Prepare to be completely captivated by this compelling, informative, and entertaining look at the world around us and where we're headed: new technologies, new approaches, and new ways of thinking. So verily I say unto you, brothers and sisters, cast aside your digital rosary beads and look more closely at the world around you. Or better still, roll up your trouser legs and join me for a paddle through the shallow water at the edge of the future. Be curious, be positive, and embrace your inner sceptic. Do you really understand the world around you? Do you know how crowdsourcing works, what terraforming does, and what alternative currency is? Do you believe Google is great, or is there a sneaky feeling in the back of your mind that it might know way too much about you? And by the way, just what happened to the great promises of the future: the paperless offices, the Jetsons-style commutes? Come with guide and host of Radio National's *Future Tense*, Antony Funnell, as he unravels the mysteries of the world we've created, cuts through the mumbo jumbo, warns of the dangers, and laughs at the hype. Smart, articulate, and refreshingly humorous, *THE FUTURE AND RELATED NONSENSE* delivers the answers to things you should know but were too busy or too confused to ask.

NIV, Game Plan for Life Bible Zondervan, 2012-09-25 This is your Playbook for life. In life, you're going to get tackled, intercepted, or end up in the wall. So how do you prepare and be ready when life slams you unexpectedly? Maybe your struggle is with your finances, your relationships, your job, or perhaps you just hope to gain understanding of some of the basics about God, salvation, and what your purpose is in life. If so, the *Game Plan for Life Bible NIV* will reveal God's perspectives in these areas in a practical, engaging way and provide the tools you need to create a solid, God-honoring game plan for your life. The notes that lead you to the Bible's answers on your toughest questions are based on a national survey that former NFL coach and current NASCAR team owner Joe Gibbs commissioned. This research targeted the everyday life issues that men struggle with most. He may have Super Bowl rings and NASCAR Cup championship trophies to his credit, but Coach Gibbs believes that by turning to the Bible in times of failure and adversity, he has learned about true success. Written specifically for the average Joe, Joe Gibbs' notes will enlighten, encourage, and inspire you as you strive to build a game plan for your life. Features key articles from well-known experts on the areas of God, creation, finances, relationships, career, vocation, and other topics of interest to men. Devotions from Joe Gibbs that help you to learn from the Coach himself. Character studies of Bible characters who actually followed God's Game Plan and how you can follow it too. Book introductions for every book of the Bible. Winning the game of life is like winning in NASCAR or the NFL: if you don't have the right game plan, you won't succeed. Like a lot of guys, I tried many game plans. None led me to true success.

and a couple ended in disaster Not until I turned to the Bible did I gain the insights of God s game plan for my life and experience true eternal success Written for the average Joe like me I m convinced the Game Plan for Life Bible will help you if you re serious about developing a successful game plan for your life Joe Gibbs 8 5 point type size
