Place Of Hiding A:

A Place of Hiding Elizabeth George, 2009-03-24 In one of her most compelling mysteries bestselling novelist Elizabeth George explores the darker landscapes of human relationships Here she tells a gripping suspenseful story of betrayal and devotion war and remembrance love and loss and the higher truths to which we must all ultimately answer An isolated beach on the island of Guernsey in the English Channel is the scene of the murder of Guy Brouard one of Guernsey s wealthiest inhabitants and its main benefactor Forced as a child to flee the Nazis in Paris Brouard was engaged in his latest project when he died a museum honoring those who resisted the German occupation of the island during World War II It is from this period that his murderer may well have come But there are others on Guernsey who want Guy Brouard dead As forensic scientist Simon St James and his wife Deborah soon discover seemingly everyone on the history haunted island has something to hide And behind all the lies and alibis a killer is lurking The Sacco-Vanzetti Case Newton Diehl

The Oxford Handbook of Names and Naming Carole Hough, 2016-05-03 In this handbook scholars from around the world offer an up to date account of the state of the art in different areas of onomastics in a format that is both useful to specialists in related fields and accessible to the general reader Since Ancient Greece names have been regarded as central to the study of language and this has continued to be a

major theme of both philosophical and linguistic enquiry throughout the history of Western thought The investigation of name origins is more recent as is the study of names in literature Relatively new is the study of names in society which draws on techniques from sociolinguistics and has gradually been gathering momentum over the last few decades The structure of this volume reflects the emergence of the main branches of name studies in roughly chronological order The first Part focuses on name theory and outlines key issues about the role of names in language focusing on grammar meaning and discourse Parts II and III deal with the study of place names and personal names respectively while Part IV outlines contrasting approaches to the study of names in literature with case studies from different languages and time periods Part V explores the field of socio onomastics with chapters relating to the names of people places and commercial products Part VI then examines the interdisciplinary nature of name studies before the concluding Part presents a selection of animate and inanimate referents ranging from aircraft to animals and explains the naming strategies adopted for them
