updated handbook essential **The Monogamy Gap** Eric Anderson,2012-02-07 The Monogamy Gap is a groundbreaking volume that explains why men cheat Drawing on a range of theories across academic disciplines the book highlights the biological compulsion of the sexual urge the social construction of the monogamous ideal and the devastating chasm that lies between them **Love's Refraction** Jillian Deri,2015-03-27 Popular wisdom might suggest that jealousy is an inevitable outcome of non monogamous relationships In Love s Refraction Jillian Deri explores the distinctive question of how and why polyamorists people who practice consensual non monogamy manage jealousy Her focus is on the polyamorist concept of compersion taking pleasure in a lover s other romantic and sexual encounters By discussing the experiences of queer lesbian and bisexual polyamorous women Deri highlights the social and structural context that surrounds jealousy Her analysis making use of the sociology of emotion and feminist intersectionality theory shows how polyamory challenges traditional emotional and sexual norms Clear and concise Love s Refraction speaks to both the academic and the polyamorous community Deri lets her interviewees speak for themselves linking academic theory and personal experiences in a sophisticated engaging and accessible way **Principles and Practice of Sex Therapy, Fourth Edition** Sandra R. Leiblum,2006-11-30 This widely adopted text and clinical reference provides a comprehensive guide to assessment and treatment of all of the major female and male sexual dysfunctions Leading authorities demonstrate effective ways to integrate psychological interpersonal and medical interventions Every chapter includes detailed clinical examples illustrating the process of therapy and the factors that influence treatment outcomes Winner Society for Sex Therapy and Research SSTAR Health Professional Book Award **The Palgrave Handbook of the Psychology of Sexuality and Gender** Christina Richards,Meg-John Barker,2015-04-28 The Palgrave Handbook of the Psychology of Sexuality and Gender combines cutting edge research to provide a thorough overview of all the normative and many of the less common sexualities genders and relationship forms alongside psychological and intersectional areas relating to sexuality and gender **Fraught Intimacies** Nathan Rambukkana,2015-05-30 Adultery scandals involving politicians Dating websites for married women and men Raids of polygamous communities Reality shows about polyamorists It seems that non monogamy is everywhere in popular culture in the news and before the courts In Fraught Intimacies Nathan Rambukkana examines how polygamy adultery and polyamory are represented in the public sphere and the effect this is having on intimate relationships and aspects of contemporary Western society As this book demonstrates although monogamy is considered and presented as the norm in Western society many kinds of sexual and romantic relationships exist within its borders Rambukkana s intricate analysis reveals how some forms of non monogamy are tacitly accepted even glamourized while others are vilified and reviled By questioning what this says about intimacy power and privilege this book offers an innovative framework for understanding the status of non monogamy in Western society **Opening Up** Tristan Taormino,2008-05-01 A practical guide to making sexually open arrangements work outlines options for transforming monogamous relationships into effective polyamorous

ones in a reference that addresses such topics as boundary setting child raising and conflict resolution Original **In Defense of Plural Marriage** Ronald C. Den Otter,2015-05-28 With over half of Americans now in favor of marriage equality it is clear that societal norms of marriage are being quickly redefined The growing belief that the state may not discriminate against gays and lesbians calls into question whether the state may limit other types of marital unions including plural marriage While much has been written about same sex marriage as of yet there has been no book length legal treatment of unions among three or more individuals The first major study on plural marriage and the law In Defense of Plural Marriage begins to fill this lacuna in the scholarly literature Ronald C Den Otter shows how the constitutional arguments that support the option of plural marriage are stronger than those against Ultimately he proposes a new semi contractual marital model that would provide legal recognition for a wide range of intimate relationships **What Is Compersion?** Marie Thouin,2024-06-10 What is compersion Is it the opposite of jealousy as it is usually believed Is it an emotion or a behavior What causes it to arise and bloom Can we learn compersion or invite more of it into our lives Based on her seminal research with consensually non monogamous CNM individuals Dr Marie Thouin unravels these questions and more in the first ever book to offer a comprehensive model of compersion and a practical road map to cultivating it Each chapter features compelling stories from real CNM people making this a captivating and highly applicable read In addition Thouin addresses the broader social context explaining how understanding compersion is a groundbreaking step toward a world that supports relational diversity and freedom By disrupting the idea that jealousy is the only valid response to intimacy beyond monogamy the existence and practice of compersion builds the foundation for a completely new paradigm of loving relationships This book and its conclusions have profound implications for many fields of study and practice including psychology sexuality studies philosophy and ethics and law Indispensable for CNM individuals therapists counselors and scholars this book is also invaluable for anyone curious to learn about positive empathy intentional relationships and radical love **How to Make Art at the End of the World** Natalie Loveless,2019-08-09 In recent years the rise of research creation a scholarly activity that considers art practices as research methods in their own right has emerged from the organic convergences of the arts and interdisciplinary humanities and it has been fostered by universities wishing to enhance their public profiles In How to Make Art at the End of the World Natalie Loveless draws on diverse perspectives from feminist science studies to psychoanalytic theory as well as her own experience advising undergraduate and graduate students to argue for research creation as both a means to produce innovative scholarship and a way to transform pedagogy and research within the contemporary neoliberal university Championing experimental artistically driven methods of teaching researching and publication research creation works to render daily life in the academy more pedagogically politically and affectively sustainable as well as more responsive to issues of social and ecological justice *Sonia's Journey: from Chinese Communist to American Polyamorist* Sonia Song,2023-06-30 Polyamory one form of open relationships is rapidly entering mainstream

consciousness Among the many books on polyamory Sonia Song s story is unique in that it is the first one that has been written on this subject by a new immigrant from another culture A contemporary of New China Sonia s amazing journey from Beijing to Berkeley and to Hawaii with the massive backdrop of historic events in China and the U S over more than half a century unfolds like a scroll depicting how these two vastly diverse cultures shaped her way of thinking and choices Sonia s book is warm and engaging Reading her fascinating memoir feels like sitting down with a new friend who invites you into her most intimate and vulnerable moments over a cup of tea Lexikon der Sexualität Rosa von Zehnle,2023-05-17
