Becoming Carole Lombard Olympia Kiriakou, 2020-02-20 *Becoming Carole Lombard* Stardom Comedy and Legacy is a historical critique of the development and reception of Carole Lombard's stardom from the classical Hollywood period to present day Based on original archival research Olympia Kiriakou combines theoretically informed textual analyses of Lombard's performances and star image across different media biographies publicity materials photography and film with a critical engagement of the cultural economic social and industrial conditions that shaped her stardom Sitting at the intersection of feminist film theory star studies and comedy theory this work presents Lombard as a case study to challenge the screwball canon and existent academic discourse about female physical comedy and the alleged delicate female body In doing so it formulates a new historical approach to understanding gender femininity and identity in Hollywood comedies of the 1930s Moreover this is the first research of its kind to offer a comprehensive understanding of Lombard's stardom beyond her associations with the screwball comedy genre

Shakespeare's cinema of love R. S. White,2016-10-03 This engaging and stimulating book argues that Shakespeare's plays significantly influenced movie genres in the twentieth century particularly in films concerning love in the classic Hollywood period Shakespeare's green world has a close functional equivalent in tinseltown and on the silver screen as well as in hybrid genres in Bollywood cinema Meanwhile Romeo and Juliet continues to be an enduring source for romantic tragedy on screen The nature of generic indebtedness has not gained recognition because it is elusive and not always easy to recognise The book traces generic links between Shakespeare's comedies of love and screen genres such as romantic comedy screwball comedy and musicals as well as clarifying the use of common conventions defining the genres such as mistaken identity errors disguise and shrew taming Speculative challenging and entertaining the book will appeal to those interested in Shakespeare movies and the representation of love in narratives *Reeling with Laughter* Michael V.

American Postfeminist Cinema Michele Schreiber, 2014-03-11 In light of their tremendous gains in the political and professional sphere and their ever expanding options why is it that most contemporary American films aimed at women still focus almost exclusively on their pursuit of a heterosexual romantic relationship American Postfeminist Cinema explores this question and is the first book to examine the symbiotic relationship between heterosexual romance and postfeminist culture The book argues that since 1980 postfeminism s most salient tensions and anxieties have been reflected and negotiated in the American romance film Case studies of a broad range of Hollywood and independent films reveal how the postfeminist romance cycle is intertwined with contemporary women s ambivalence and broader cultural anxieties about women s changing social and political status

Songs of Innocence and Experience Magdalena Grabias-Zurek, 2013-07-26 Songs of Innocence and Experience Romance in the Cinema of Frank Capra is a study of the director s chosen movies from the perspective of three types of comedies paradisaal purgatorial and infernal as assigned by Dante in his Divine Comedy Magdalena Grabias views Capra s films in two broader categories of innocence and experience where innocence represents Dantean paradisaal level and experience combines the levels of purgatory and inferno Such a division constitutes the means to interpret Capra s filmic universe and to describe the ever evolving directorial vision of Frank Capra The main purpose of the book is to demonstrate how in the light of the theory of literary romance as presented by Northrop Frye in his seminal works concerning the subject the films of Frank Capra fit into the genre of romance Romantic elements in Frank Capra s movies can be found in both innocence and experience categories and hence consequently in his paradisaal purgatorial and infernal comedies However in both categories and all three comedy types the romantic reality of each examined film is structured and developed in a different manner The book offers an insight into Frank Capra s films and the complex process of creating his multidimensional romantic universe within them

A Companion to Pedro Almodóvar Marvin D'Lugo, Kathleen M. Vernon, 2013-04-22 A Companion to Pedro Almodóvar Marvin D Lugo and Kathleen M Vernon give us the ideal companion to Pedro Almodóvar s films Established and emerging writers offer a rainbow of insights for fans as well as academics Jerry W Carlson Professor of Film Studies The City College Graduate Center CUNY Rarely has a contemporary film artist been treated to the kind of broad rich discussion of their work that can be found in A Companion to Pedro Almodóvar Richard Pe a Professor of Film Studies Columbia University Once the enfant terrible of Spain s youth culture explosion the Movida Pedro Almodóvar s distinctive film style and career longevity have made him one of the most successful and internationally known filmmakers of his generation Offering a state of the art appraisal of Almodóvar s cinema this original collection is a searching analysis of his technique and cultural significance that

includes work by leading authorities on Almodóvar as well as talented young scholars. Crucially included here are contributions by film historians from Almodóvar's native Spain where he has been undervalued by the academic and critical establishment. With a balance between textual and contextual approaches the book expands the scope of previous work on the director to explore his fruitful collaborations with fellow professionals in the areas of art design fashion and music as well as the growing reach of a global Almodóvar brand beyond Europe and the United States to Latin America and Asia. It also proposes a reevaluation of the political meanings and engagement of his cinema from the perspective of the profound cultural and historical upheavals that have transformed Spain since the 1970s. Leo McCarey Wes D. Gehring, 2005 This first full length biography of a legendary and award winning Hollywood writer producer and director *Duck Soup* *My Favorite Wife* *An Affair to Remember* *Going My Way* and *The Bells of St Mary's* explores the director's life as filtered through his art. Gehring maintains that McCarey's films were often a reworking of his antiheroic self. In addition the apparent diversity of his films actually represents an interrelated web of various comedy genres and a pattern of antiheroic characters and themes.

Genre-Busting Dark Comedies of the 1970s Wes D. Gehring, 2016-03-09 This examination of dark comedies of the 1970s focuses on films which concealed black humor behind a misleading genre label. *All That Jazz* 1979 is a musical about death. *Hardly Fred and Ginger* territory. This masking goes beyond misnomer to a breaking of formula that director Robert Altman called anti-genre. Altman's *MASH* 1970 ridiculed the military establishment in general the Vietnam War in particular under the guise of a standard military service comedy. The picaresque Western *Little Big Man* 1970 turned the bluecoats vs Indians formula upside down the audience roots for the Indians instead of the cavalry. The book covers 12 essential films including *Harold and Maude* 1971 *Slaughterhouse Five* 1972 *One Flew Over the Cuckoo's Nest* 1975 and *Being There* 1979 with notes on *A Clockwork Orange* 1971. These films reveal a compounding complexity that reinforces the absurdity at the heart of dark comedy.

Urban Noir James J. Ward, Cynthia J. Miller, 2017-09-06 Film noir has always been associated with urban landscapes and no two cities have been represented more prominently in these films than New York and Los Angeles. In noir and neo noir films since the 1940s both cities are ominous locales where ruthless ambition destructive impulses and dashed hopes are played out against backdrops indifferent to human dramas. In *Urban Noir* New York and Los Angeles in *Shadow and Light* James J. Ward and Cynthia J. Miller have brought together essays by an international group of scholars that examine the dark appeal of these two cities. The essays in this volume explore aspects of the noir and neo noir cityscape that have been relatively unexamined including the role of sound and movement through space the distinctive character of certain neighborhoods and locales and the importance of individual moments in time. Among the films discussed in this book are classic noirs *Double Indemnity* 1944 *He Walked by Night* 1948 and *Criss Cross* 1949 as well as neo noirs such as *Cotton Comes to Harlem* 1970 *Klute* 1971 *Taxi Driver* 1976 *Eyes of Laura Mars* 1978 *Cruising* 1980 *Alphabet City* 1984 *Devil in a Blue Dress* 1995 *Drive* 2011 *Rampart* 2011 and *Nightcrawler* 2014. Uniting these essays is a thematic orientation toward

darkness whether interpreted in atmospheric and architectural terms in social and psychological terms or in terms of disruptive change economic dislocation and real or perceived existential threats Offering multiple new perspectives on a wide range of films Urban Noir will be of interest to scholars of film media politics sociology history and popular culture

Picturing Argentina: Myths, Movies, and the Peronist Vision Currie K. Thompson, 2014-05-28 Although Juan Domingo Peron's central role in Argentine history and the need for an unbiased assessment of his impact on his nation's cinema are beyond dispute the existing scholarship on the subject is limited In recent decades Argentina has witnessed a revival of serious film study some of which has focused on the nation's classical movies and in one case on Peronism None of this work has been translated into English however This is the first English language book that offers an extensive assessment of Argentine cinema during first Peronism It is also the first study in any language that concentrates systematically on the evolution of social attitudes reflected in Argentine movies throughout those years and that assesses the period's impact on subsequent filmmaking activity By analyzing popular Argentine movies from this time through the prism of myth second order communication systems that present historically developed customs and attitudes as natural the book traces the filmic construction of gender criminality race the family sports and the military It identifies in movies the development and evolution of mindsets and attitudes that may be construed as Peronist By framing its consideration of films from the Peron years in the context of earlier and later ones it demonstrates that this period accelerates and sometimes registers backward looking responses to earlier progressive mythic shifts and it traces the development in the 1950s of a critical mindset that comes to fruition in the new cinema of the 1960s *Picturing Argentina Myths Movies and the Peronist Vision* is an important book for Latin American studies film studies and history collections
