Davidson, 1990 **Dirty Little Secrets of the Vietnam War** James F. Dunnigan, Albert A. Nofi, 2014-11-04 James F. Dunnigan and Albert A. Nofi's *Dirty Little Secrets of the Vietnam War* allows us to see what really happened to American forces in Southeast Asia separating popular myth from explosive reality in a clear concise manner Containing more than two hundred examinations of different aspects of the war the book questions why the American military ignored the lessons taught by previous encounters with insurgency forces probes the use of group think and mind control by the North Vietnamese and explores the role technology played in shaping the way the war was fought Of course the book also reveals the dirty little secrets the truth behind such aspects of the conflict as the rise of the Montagnard mercenaries the most feared group of soldiers participating in the secret war in Laos and the details of the hidden struggle for the Ho Chi Minh Trail With its unique and perceptive examination of the conflict *Dirty Little Secrets of the Vietnam War* by James F. Dunnigan Albert A. Nofi offers a critical addition to the library of Vietnam War history **The History Of Vietnam War** Cyrus Livasy, 2021-06-03 The Vietnam War pitted communist North Vietnam and the Viet Cong against South Vietnam and the United States The war ended when U.S. forces withdrew in 1973 and Vietnam unified under Communist control two years later Many remarkable events happened during wartime and the Vietnamese people's victory remained magical and exceptional which marked the big questions on the power of the U.S. Army This book will explore this controversial subject of American history and reveal facts that not too many are aware of Like leaks that revealed the war would have ended just before Nixon came to power with the Paris talks But this would have foiled his plans as he had focused on getting Americans out of Vietnam during his campaign and Nixon deliberately facilitated the war to continue The Vietnam War Rob Rattray, 2017-02-04 Explore The Dark Secrets of The Vietnam War Could America Have Won This War If it Didn't Withdraw What Mistakes Did The American Government Make Explore These Unanswered Questions of The Vietnam War To this day the Vietnam war proves to be one of the most controversial subjects of American history Some believe that it was disgraceful how America left the war without finishing it and others believe that it was correct to leave Vietnam without finishing the war since it was becoming too costly We will explore this controversial subject of American history and reveal facts that not too many are aware of Like leaks that revealed the war would have ended just before Nixon came to power with the Paris talks But this would have foiled his plans as he had focused on getting Americans out of Vietnam during his campaign and Nixon

deliberately facilitated the war to continue *The Cold War Book* Mel Madayag,2021-06-03 The Vietnam War pitted communist North Vietnam and the Viet Cong against South Vietnam and the United States The war ended when U S forces withdrew in 1973 and Vietnam unified under Communist control two years later Many remarkable events happened during wartime and the Vietnamese people s victory remained magical and exceptional which marked the big questions on the power of the U S Army This book will explore this controversial subject of American history and reveal facts that not too many are aware of Like leaks that revealed the war would have ended just before Nixon came to power with the Paris talks But this would have foiled his plans as he had focused on getting Americans out of Vietnam during his campaign and Nixon deliberately facilitated the war to continue **Sog** John L. Plaster,2010-09-07 The most comprehensive examination of widespread covert American actions during the Vietnam War Kirkus Reviews Code named the Studies and Observations Group SOG was the most secret elite U S military unit to serve in the Vietnam War so secret its very existence was denied by the government Composed entirely of volunteers from such ace fighting units as the Army Green Berets Air Force Air Commandos and Navy SEALs SOG took on the most dangerous covert assignments in the deadliest and most forbidding theaters of operation Major John L Plaster three tour SOG veteran shares the gripping exploits of these true American warriors Here is a minute by minute heartbeat by heartbeat account of SOG s stunning operations behind enemy lines penetrating heavily defended North Vietnamese military facilities holding off mass enemy attacks launching daring missions to rescue downed U S pilots From sabotage to espionage to hand to hand combat these are some of the most extraordinary true stories of honor and heroism in the history of the U S military Secrets Daniel Ellsberg,2003-09-30 The true story of the leaking of the Pentagon Papers the event which inspired Steven Spielberg s feature film *The Post* In 1971 former Cold War hard liner Daniel Ellsberg made history by releasing the Pentagon Papers a 7 000 page top secret study of U S decision making in Vietnam to the New York Times and Washington Post The document set in motion a chain of events that ended not only the Nixon presidency but the Vietnam War In this remarkable memoir Ellsberg describes in dramatic detail the two years he spent in Vietnam as a U S State Department observer and how he came to risk his career and freedom to expose the deceptions and delusions that shaped three decades of American foreign policy The story of one man s exploration of conscience *Secrets* is also a portrait of America at a perilous crossroad Ellsberg s well told memoir sticks in the mind and will be a powerful testament for future students of a war that the United States should never have fought The Washington Post Ellsberg s deft critique of secrecy in government is an invaluable contribution to understanding one of our nation s darkest hours Theodore Roszak San Francisco Chronicle Most Dangerous Steve Sheinkin,2015-09-22 The story of Daniel Ellsberg and his decision to steal and publish secret documents about America s involvement in the Vietnam War Secrets and Lies in Vietnam Panagiotis Dimitrakis,2016-05-20 The Vietnam War lasted twenty years and was the USA s greatest military failure An attempt to stem the spread of Soviet and Chinese influence the conflict in practice created a chaotic state torn

apart by espionage terrorism and guerilla warfare American troops quickly became embroiled in jungle warfare and knowledge of the other side's troop movements communication lines fighting techniques and strategy became crucial Panagiotis Dimitrakis uncovers this battle for intelligence and tells the story of the Vietnam War through the newly available British American and French sources including declassified material In doing so he dissects the limitations of the CIA the NSA the MI6 and the French intelligence the SDECE in gathering actionable intelligence Dimitrakis also shows how the Vietminh under Ho Chi Minh established their own secret services how their high grade moles infiltrated the US and French military echelons and the government of South Vietnam and how Hanoi's intelligence apparatus eventually suffered seriously from spies amongst us paranoia In doing so he enhances our understanding of the war that came to define its era **Spies and Commandos** Kenneth Conboy, Dale Andradé, 2000-03-16 During the Vietnam war the United States sought to undermine Hanoi's subversion of the Saigon regime by sending Vietnamese operatives behind enemy lines A secret to most Americans this covert operation was far from secret in Hanoi all of the commandos were killed or captured and many were turned by the Communists to report false information Spies and Commandos traces the rise and demise of this secret operation started by the CIA in 1960 and expanded by the Pentagon beginning in 1964 in the first book to examine the program from both sides of the war Kenneth Conboy and Dale Andrade interviewed CIA and military personnel and traveled in Vietnam to locate former commandos who had been captured by Hanoi enabling them to tell the complete story of these covert activities from high level decision making to the actual experiences of the agents The book vividly describes scores of dangerous missions including raids against North Vietnamese coastal installations and the air dropping of dozens of agents into enemy territory as well as psychological warfare designed to make Hanoi believe the resistance movement was larger than it actually was It offers a more complete operational account of the program than has ever been made available particularly its early years and ties known events in the war to covert operations such as details of the 34 A Operations that led to the Tonkin Gulf incidents in 1964 It also explains in no uncertain terms why the whole plan was doomed to failure from the start One of the remarkable features of the operation claim the authors is that its failures were so glaring They argue that the CIA and later the Pentagon was unaware for years that Hanoi had compromised the commandos even though some agents missed radio deadlines or filed suspicious reports Operational errors were not attributable to conspiracy or counterintelligence they contend but simply to poor planning and lack of imagination Although it flourished for ten years under cover of the wider war covert activity in Vietnam is now recognized as a disaster Conboy and Andrade's account of that episode is a sobering tale that lends a new perspective on the war as it reclaims the lost lives of these unsung spies and commandos *The United States, Vietnam, and Our Abusers/Monsters/Traitors* Charlie Alongi, 2010-07-12 These monsters were also traitors that caused American soldiers to be tortured and killed The answer to the Americas oil crises was a cover up by the U S government in 1973 and is still a secret today The oil is still untapped today The U S government knows where the largest untapped oil field in the world

is and kept it a secret till today Once you start you will not be able to put this book down Learn the unspeakable truth At times this book will scare you then make you laugh then amaze you and also make you cry Last entry is my trip back to Vietnam on December of 2009 I tell you about Vietnam today MACVSOG Command History Charles F.
