Secrets of Watchman Nee Dana Roberts,2005 This is a well researched easy to read personal glimpse into the soul of one of the world s great teachers Reading Hebrews and 1 Peter from Majority World Perspectives Sofanit T. Abebe,Elizabeth W.

Mburu,Abeneazer G. Urga,2024-09-19 The contributors to this volume offer a bold re reading of Hebrews and 1 Peter from the perspective of the Global South The chapters provide enriching new hermeneutical and theological insights revealing facets of the text that may not at first be apparent to readers within a Eurocentric context The volume is thus able to explore topics ranging from the authorship of Hebrews in the Ethiopian Orthodox tradition and the Batak reading of Christus Victor to a Xhosa perception of the solidarity and sacrifice of Jesus and intercultural readings of Christian identity in the context of persecution With an introduction and final response by scholars from the Global North this volume encourages awareness of how the Global South contributes to world Christianity Theosis, Sino-Christian Theology and the Second Chinese

Enlightenment A. Chow,2013-05-07 For a millennium and a half in China Christianity has been perceived as a foreign religion for a foreign people This volume investigates various historical attempts to articulate a Chinese Christianity comparing the roles that Western and Latin forms of Christian theology have played with the potential role of Eastern Orthodox theology

Secrets of the Apostles W.C. Hinzie,2011-09-07 This study describes the lives of the twelve disciples called by Jesus Christ for training repentance and transformation into effective and spirit filled apostles They were charged with establishing the Church of Jesus Christ in the hostile world of Jewish Greek Roman and many other groups of intense unbelievers They were laymen untrained in deep Jewish doctrine but practiced as businessmen and filled with zeal for the Jewish Messiah to return They wanted to be a part of his new kingdom and expected major roles in ruling Israel They became the first of many converts to see that the Jews had missed the heart of Gods message and the new message was that they would die to their own minds wills and emotional structures and replace it with the will of their Father through the Holy Spirit Jesus taught them for more than ten thousand hours of practical ministry teaching and supernatural endowment during their time together This is considerably more hours than it takes to achieve a doctorate in theology today In this time they were still

incapable of standing up to the Jewish authorities until endued with power from on high at Pentecost These secrets which the apostles found in their ministries will help the disciple who is serious about transforming his or her life and knowledge of the Gospel into effective ministry

Modern Chinese Theologies Chloë Starr,2023 From the Pentecostal and Charismatic movements in the mission church landscape of the early twentieth century to the Calvinist Reformed movement in the contemporary Protestant church this volume presents a selection of new studies on the theology of the church in China concentrating on independent and indigenous Chinese churches

Translating Nephesh in the Psalms into Chinese Hui Er Yu,2018-08-31 This interdisciplinary study tackles the controversy of translating nephesh by using an intergenerational translation team to deepen our understanding of this term and providing a more valuable translation in Chinese especially for use in specialist Children s Bibles Traditionally nephesh is often translated in the Bible as soul but despite the limitations of this popular rendering it has led Christians in Chinese contexts to falsely understand views regarding the nature of human beings as a trichotomy Dr Hui Er Yu s study offers different options for translating nephesh using the context of where the word appears in Scripture as well as in reference to linguistic and cultural meanings in Chinese contexts The findings in this book will help to remove anthropological misunderstandings among many Chinese Christians related to nephesh as a result of historic translation decisions Dr Yu takes a unique approach to translation by using an intergenerational Bible translation team ranging from seven to fifty one years of age which not only demonstrates the importance of intergenerational ministry but also presents a way to fulfill the growing need for well translated Children s Bibles in China for thousands of young believers This book provides important lessons for the many translation projects working towards Children s Bibles but also for how translation of biblical terms can be better reached through this intergenerational process

Awesome! Dick Eastman,2021-08-17 Prompted by a friend to describe Jesus as he is not as he was or will be in the coming days Dick Eastman found himself stammering What followed over many months was a desire to get to know the Jesus who had changed his life but in a much fuller and richer way now From then on on scraps of folded paper in his pockets Eastman found himself recording adjectives describing the nature and character of Jesus Christ expanding them later into a personal devotional journal Reflecting Eastman s spiritual journey this book of insights will challenge you to see Jesus as you may never have seen him before Eastman s approach to studying the nature and names of Jesus will bring you closer to your Savior Each day of this enriching 31 day resource consists of Scripture a short exposition insights from Christian leaders a prayer and a practical application to help deepen your faith You too will find Jesus awesome

GOD'S ETERNAL PURPOSES FOR MANKIND James V. Robertson BS ThM DD,2023-11-29 As a young man I read many books and took many courses of study in pursuit of God s purposes for mankind and wished there was a book that covered most of the major themes in the Bible As you may have correctly suspected I never found such a book and decided to work to provide that vital resource for not only aspiring young people but people of every age believers and unbelievers in particular parents caregivers teachers ministers

of the gospel and government officials This book outlines in clear terms the purposes for which the Living God Jehovah our Creator made man including the motivation He experienced Sections that will gain special attention are the constitution of man and the nature of angels topics theologians have debated for generations Apostle Peter in his salutation to all saints said Grace and peace be multiplied unto you through the knowledge of God and of Jesus our Lord According as His divine power has given us all things that pertain unto life and godliness through the knowledge of Him that has called us to Glory and virtue 2 Peter 1 2 3 The teaching of this book will assuredly provide prayerful readers a guide to receiving the manifold provisions of God for the needs they experience in life and ministry Christian Women and Modern China Li

Ma, 2021-01-28 *Christian Women and Modern China* presents a social history of women pioneers in Chinese Protestantism from the 1880s to the 2010s The author interrupts a hegemonic framework of historical narratives by exploring formal institutions and rules as well as social networks and social norms that shape the lived experiences of women This book achieves a more nuanced understanding about the interplays of Christianity gender power and modern Chinese history It reintroduces Chinese Christian women pioneers not only to women's history and the history of Chinese Christianity but also to the history of global Christian mission and the global history of many modern professions such as medicine education literature music charity journalism and literature *The Man God Shook* Kenneth C. Rowley, 2018-06-12 Nothing gives significance and purpose more than developing intimacy with God That is why this book *The Man God Shook* can be dynamic in your journey I love reading this brilliantly written book the honesty of the pastor the struggles he endured being physically shaken for years and his coming out the other side in the presence of God Kent Parker Oh wow so many points I loved it all Scripture notes from other pastors personal stories step by step to get to certain ideas so many things touched me I can't give just one detail I like the way it was all joined together Amazing Judy Treherne I was around when God shook the man What I remember the most is bringing a man that was addicted on crack cocaine in the front door of the church for deliverance The shaking man laid eyes on him and immediately the Power of God blazed through him and the addict fell and was so plowed by the Holy Ghost that he literally could not stand up It was sooo powerful and awesome He would try to get up and could only crawl on his hands and knees while drunkenly say we're having church and it's not even Sunday What a POWERFUL deliverance I shall never forget it That man left set free from addiction Brenda Reed *The Church as Safe Haven*, 2018-11-23 *The Church as Safe Haven* conceptualizes the rise of Chinese Christianity as a new civilizational paradigm that encouraged individuals and communities to construct a sacred order for empowerment in modern China Once Christianity enrooted itself in Chinese society as an indigenous religion local congregations acquired much autonomy which enabled new religious institutions to take charge of community governance Our contributors draw on newly released archival sources as well as on fieldwork observations investigating what Christianity meant to Chinese believers how native actors built their churches and faith-based associations within the pre-existing social networks and how they appropriated Christian

Dislodging Demons Lawrence Obisakin,2002 *Religious Entrepreneurism in China's Urban House Churches* Li Ma,2019-06-27 This book offers a unique historical documentation of the development of the ambitious religious entrepreneurship by leaders of the Early Rain church and later Western China Presbytery leadership in an effort to gain social influence in China through local institution building and global public image management It unravels the social processes of how this Christian community with a public image of defending religious freedom in China was undermined by an internal loss of moral authority Based on publicly available texts from Chinese social media that aren t readily available in the West as well as in depth interviews it is framed by existing scholarship in social theories of the public sphere charismatic domination in social transition and the role of power in organizational behaviour These churches stories show how Christianity which has long been politically marginalized in communist China has not only adapted and challenged the socio political status quo but how it was also ironically shaped by the political culture This is an insightful and critical ethnographic study of one of modern China s most famous house churches As such it will be of great interest to scholars of Religion in China as well as those working in Religious Studies Asian studies Chinese studies and Mission Studies more generally

Prayer Toolbox Volume 2 Ebenezer Gyasi,2014-12-05 It has been said that Lucifer knows very well that one authentic Kingdom builder and warrior rightly equipped for warfare can strike terror and wreak havoc in the kingdom of darkness Why By the covenant of His own blood Jesus has made us unto our God kings and priest to reign on the earth As a king you have a kingdom and your kingdom is under attack It is being overrun and violated by demonic kings and kingdoms Let me ask you a question if according to Jesus since from the days of John the Baptist until now the kingdom of heaven suffers violence what do you think has happened to your kingdom The secret to possess the kingdoms of your enemies is through the Word and prayer As a king you have the power to decree and declare the Word of God for it to be established In this book you will learn how To avoid feeble spiritless faithless halfhearted and spineless prayers Why Here is a mystery In

the realms of the spiritual the weaker spirit bows to the stronger power Therefore to dethrone demonic kings and other ruling personalities and entities over your life You need to arm all areas of spiritual vulnerabilities in your life You need to pray with a plan passion purpose power precision persistence and perseverance You need to pray with faith firepower intensity and expectancy based on the Word at all times To enter into the Kingdom of heaven you must be triumphant in many fierce secular trials and spiritual battles For these fights you need anointed weaponry as revealed in Prayer Toolbox Volumes 1 and 2 Do you want to be in control of your destiny and become a regional taker a nation changer and an overcomer of the world Here is a secret To legally battle and rout demonic kings and kingdoms you need the backing of a more powerful king Fear Not You have Jesus the only King of Kings and the Lord of Lords your Commander in Chief to back you up God has given us the power of His Word in our mouths to defeat and destroy nations and overthrow the kingdoms Jeremiah 1 10 NKJV You are the mouthpiece of God His instrument of dominion to release into His Kingdom deliverance restoration peace healing prosperity protection and much more on earth The Collected Works of Watchman Nee

Watchman Nee,1992 **Who Are You God?** Olga Hermann,2024-03-26 In 1995 Olga Hermann learned about the love of Jesus Christ In that all her sins against God could be completely erased through repentance and accepting Jesus already paid with His own life Since then she has served our Lord in leadership roles in her church and in prayer and healing ministries as well as Christian media sharing the love and compassion of God Olga is an ordained minister with The Missionary Church International and holds a bachelor s degree in Messianic Bible studies giving her a deeper understanding of the Hebrew roots of the Bible Her goal is to share who God is and His amazing love especially to the broken hearted and the vulnerable Jesus came to set the captives free and the love of God is the only answer He wants that none of us should perish and we each fulfill our destiny s here on earth The Spiritual and Mental Transformation (Revised Edition) Stanley

Njoroge,2020-06-12 The purpose of writing this book is to create an awareness that life is a journey that has a starting point in life and an end Man in his finite mind need an infinite mind which helps in both spiritual and mental development This book is primarily intended to educate young Christians in faith to which steps to make toward spiritual and mental maturity In other words simplicity of theology I trust that the chapters and pages in this book will revolutionize the reader to seek God s purpose in this earthly and heavenly life And you and I are of those people God want to impart his divine power so that we can live lives of abundance of knowledge and prosperity Knowing God intellectually is not enough until the soul and spirit become captives of divinity Spirit filled Christians in all circumstances and situations seek the Holy Spirit s guidance putting carnal mind into the subjective will of God Therefore spiritual and mental transformation is vital not reformation For spiritual and mental transformation leads to another image in the likeness of God Another feature of this book is of shaping the soul mind and spirit in order to live above the earthly distractions which enslaves us and subjects us to feel defeated in our endeavors Victory and success lie upon the obedience of the sound scriptures Study to shew thyself approved unto God a

workman that needeth not to be ashamed rightly dividing the word of truth 2 Tim 2 15 This book of the law shall not depart out of thy mouth but thou shalt meditate therein day and night that thy mayest observe to do according to all that is written therein for then thou shalt make thy way prosperous and then thou shalt have good success Josh 1 8 Obedience pleases God at all times and provokes his blessings to fall upon his faithful servants Therefore obedience is cardinal virtue from the regeneration to generation until the translation into heaven I would recommend this book to all those who seek Christian lifestyle
