**Secrets of the Interior Life** Luis Maria Martínez, 1965 Secrets of the Interior Life Luis M. Archbishop of Mexico Martinez, 1958 Zarathustra's Secret Joachim Köhler, 2002-01-01 In this groundbreaking biography the author seeks to understand Nietzsche's philosophy through a reconstruction of his inner life Briskly written almost a philosophical detective story Volksblatt 43 illustrations **From Mother to Son**, 2014-07-01 Marie de l'Incarnation 1599-1672 renowned French mystic and founder of the Ursulines in Canada abandoned her son Claude Martin when he was a mere eleven years old to dedicate herself completely to a consecrated religious life In 1639 Marie migrated to the struggling French colony at Quebec to found the first Ursuline convent in the New World Over the course of the next thirty one years the relationship between Marie and Claude would take shape by means of a trans Atlantic correspondence in which mother and son shared advice and counsel concerns and anxieties and joys and frustrations **From Mother to Son** presents annotated translations of forty one of the eighty one extant full length letters exchanged by Marie and her son between 1640 and 1671 These letters reveal much about the early history of New France and the spiritual itinerary of one of the most celebrated mystics of the seventeenth century Uniting the letters into a coherent whole is the distinctive relationship between an absent mother and her abandoned son a relationship reconfigured from flesh and blood to the written word exchanged between professed religious united in Jesus Christ as members of the same spiritual family In providing a contemporary translation of Marie's letters to Claude

Mary Dunn renders accessible to an English speaking readership a rich source for the history of colonial North America providing a counterpoint to a narrative weighted in favor of Plymouth Rock and the Puritans and a history of New France dominated by the perspectives of men both religious and secular Dunn expertly contextualizes the correspondence within the broader cultural historical intellectual and theological currents of the seventeenth century as well as within modern scholarship on Marie de l'Incarnation From Mother to Son offers a fascinating portrait of the nature and evolution of Marie's relationship with her son By highlighting the great range of their conversation Dunn provides a window onto one of the more intriguing and complicated stories of maternal and filial affection in the modern Christian West The Path of Perfection in Religious Life. A Work Intended for Persons Consecrated to God. ... Translated from the French LEGUAY (Vicar-General of Perpignan.),1862 The Path of Perfection in Religious Life ... Translated from the French Leguay (l'Abbe, Vicar-General of Perpignan.),1862 Black Aesthetics and the Interior Life Christopher Freeburg,2017-09-12 Christopher Freeburg's Black Aesthetics and the Interior Life offers a crucial new reading of a neglected aspect of African American literature and art across the long twentieth century Rejecting the idea that the most dehumanizing of black experiences such as lynching or other racial violence have completely robbed victims of their personhood Freeburg rethinks what it means to be a person in the works of black artists This book advances the idea that individual persons always retain the ability to withhold express or change their ideas and this concept has profound implications for long held assumptions about the relationship between black interior life and black collective political interests Examining an array of seminal black texts from Ida B Wells's antilynching pamphlets to works by Richard Wright Nina Simone and Toni Morrison Freeburg demonstrates that the personhood represented by these writers unsettles rather than automatically strengthens black subjects' relationships to political movements such as racial uplift civil rights and black nationalism He shows how black artists illuminate the challenges of racial collectivity while stressing the vital stakes of individual personhood In his challenge to current African Americanist criticism Freeburg makes a striking contribution to our understanding of African American literature and culture
