Securing Peace In The Middle East Project On Economic Transition:

Securing Peace in the Middle East, 1993 **Executive Summary** John F. Kennedy School of Government. Institute for Social and Economic Policy in the Middle East, 1993 **Securing Peace in the Middle East**, 1993 *Practical Peacemaking in the Middle East* Steve L. Spiegel, David J. Pervin, 2014-04-23 First published in 1995 Routledge is an imprint of Taylor Francis an informa company Routledge Handbook on Middle East Security Anders Jägerskog, Michael Schulz, Ashok Swain, 2019-02-11 Routledge Handbook on Middle East Security provides the first comprehensive look at Middle East security issues that includes both traditional and emerging security threats Taking a broad perspective on security the volume offers both analysis grounded in the hard military and state security discourse but also delves into the soft aspects of security employing a human security perspective As such the volume addresses imminent challenges to security such as the ones relating directly to the war in Syria but also the long term challenges The traditional security problems which are deep seated are at risk of being exacerbated also by a lack of focus on emerging vulnerabilities in the region While taking as a point of departure the prevalent security discourse the volume also goes beyond the traditional focus on military or state security and consider non traditional security challenges This book provides a state of the art review of research on the key challenges for security in the Middle East it will be a key resource for students and scholars interested in Security Studies International Relations Political Science and Middle Eastern Studies *The Middle East Peace Process* Ilan Peleg, 2012-02-01 This volume offers a series of focused analyses of various aspects of the peace process This interdisciplinary book includes insights developed by scholars in such diverse disciplines as anthropology economics history law political science social psychology and international relations Although the book is strongest in dealing with Israel s political behavior it also focuses specifically on the Palestinians and on Jordan The contributors combine the perspective of the last few years the insights of a variety of social science disciplines making the complexity of the Middle East situation more manageable and penetrable and offer a commitment to an analysis which is relatively detached from everyday politics and non normative in tone and in essence Contributors include Myron J Aronoff Pierre M Atlas Mordechai Bar On Gad Barzilai Neil Caplan Stuart A Cohen JoAnn DiGeorgio Lutz Laura Zittrain Eisenberg Tamar S Hermann Aharon Klieman Guy Mundlak Ilan Peleg Curtis R Ryan Ofira Seliktar Daphne Tsimhoni and Ephraim Yuchtman Yaar **Security Challenges in the Mediterranean Region** Roberto Aliboni, George Joffe, Tim Niblock, 2013-04-03 Contributions to this book question the concept of the clash of cultures The challenge to the West does not lie in the monolith of Islam turning aggressively outward to Europe and the US but in the rivalries between regimes ruling over societies divided by an imbalance in wealth and power **The Peace Business** Markus Bouillon, 2004-02-26 Markus Bouillon s book makes an important and original contribution to the literature on the Middle East peace process It is based on extensive and imaginative research and it is packed with new and fascinating material Bouillon places the behaviour of the elites under an

uncompromising lens His work serves as a useful corrective to the conventional wisdom by highlighting the negative effects of the peace process for all but the elites in Israel Jordan and the Palestinian territories Avi Shlaim Oxford University The first full length authoritative account of the various dimensions of business in the context of Arab Israeli peace an empirically dense and nuanced analysis James Piscatori Oxford University Eradicating Terrorism from the Middle East Alexander R. Dawoody,2016-08-22 This book analyzes the contributing factors responsible for the emergence of terrorism in the Middle East with specific case studies based on empirical data that anchors the analyses in real life observation and posits unbiased bipartisan solutions Terrorists are targeting civilian populations around the world and increasing pressure on civil liberties public policy and democratic institutions With the defeat of one terrorist organization several more take its place This book includes case studies in public administration initiatives from various Middle Eastern countries and investigates regulation public information monetary and financial responsibilities security and civic infrastructure as possible solutions to this ever worsening problem With terrorism emerging as a major global policy issue this book speaks to global security and public policy and administrative issues in the Middle East and will be of interest to researchers in terrorism and security in the Middle East public administration international relations political economy and to government officials security analysts and investors Middle East Dilemma Michael C. Hudson,1999 From the unification of North and South Yemen to the struggle for Mahgreb unity and the experiences of the six member Gulf Cooperation Council this book presents a complex portrait of the history and prospects for Arab integration From Boycott to Economic Cooperation Gil Feiler,2013-09-13 A study of the Arab economic boycott of Israel This title includes the evolution and development of the boycott and examines aspects such as theory practice and legality of the longest lasting example of economic sanctions in the 20th century ,

Review Essays in Israel Studies Laura Zittrain Eisenberg,Neil Caplan,2000-01-06 Introduces the cutting edge issues and current scholarship in the interdisciplinary field of Israel Studies New Political Entities in Public and Private International Law Amos Shapira,Mala Tabory,1999-03-01 New political entities usually come into being in the midst of political wrangling often accompanied by security problems and not infrequently violence This book taking the Israeli Palestinian conflict as its starting point goes on to deal with the general problems of new entities including such core concepts as sovereignty autonomy and legal personality In exploring human rights issues the complex notions of nationality and minority rights are examined On a more practical level several authors inquire into issues of legal assistance in civil and criminal matters security arrangements fiscal and monetary policies foreign investment guarantees economic privatization and transboundary water pollution On many of these topics German and European legal experience is introduced to shed a useful comparative light Altogether this volume represents an attempt to provide a primer for those responsible for or interested in the various aspects of new political entities at the end of the second millennium **Justice and Fairness in International Negotiation** Cecilia Albin,2001-03-15 International negotiations have become an increasingly widespread

feature of international affairs as the number of parties involved have grown and regional and global fora have multiplied Cecilia Albin examines the role of considerations of justice and fairness in these negotiations She argues that negotiators do not simply pursue their narrow interests or those of their countries but regularly take principles of justice and fairness into account These principles come into play at an early stage as talks are structured and agendas set in the bargaining process itself and in the implementation of and compliance with agreements The analysis is based on cases in four important areas the environment international trade ethnic conflict the Israeli Palestinian conflict and arms control Drawing on a mass of empirical data including a large number of interviews this book relates the abstract debate over international norms and ethics to the realities of international relations

The New Israel Gershon Shafir, 2018-02-13 The New Israel Peacemaking and Liberalization argues that the ongoing Israeli Palestinian peace process will be expedited by increased economic liberalization Israel has undergone dramatic economic change in the 1990s shifting from a strongly protectionist state centered economy to a more international neoliberal one The book maintains that these fundamental changes have in turn transformed Israeli society as a whole resulting in a significant moderation of attitudes toward the Palestinian people and Palestinian nationalism The New Israel contains contributions from both established Israeli sociologists and promising young scholars The New Israel Peacemaking and Liberalization is an insightful commentary on one of the most crucial international issues of our time

Index Islamicus, 1996 **Palestine and the Palestinians** Samih K. Farsoun, 2018-05-04 Palestine and the Palestinians is a sweeping social economic ideological and political history of the Palestinian people from antiquity to the Road Map to Peace This second edition is thoroughly revised and updated including entirely new chapters on the most current issues confronting Palestine today including Palestinians in Israel the Oslo Accords and the Second Intifada Palestinian refugees and the right to return Jerusalem the diplomatic peace process and two state single state solutions

Water Matters Franklin M. Fisher, 2020-01-16 Water Matters is a book that dispels the myth of economics as the dismal science The book puts a noted microeconomist author Franklin M Fisher in the midst of one of the most intractable clashes of the twentieth century the ongoing Arab Israeli conflict and in particular the conflict over water between Israel the Palestinians and the Jordanians Fisher found himself drawn to an academic challenge how could economics inform the resolution of a dispute over a natural resource desperately needed by people and drawn into a complex and fascinating maze of political and institutional intrigue Along the way Fisher met and worked with a host of people from politics academia bureaucracies many with what seem like larger than life personalities Some of them became his friends The story in Water Matters is told as part memoir and part explication of the technical organizational and institutional challenges an academic economist faced in developing a model aimed at helping guide negotiations to solve an obstinate geopolitical problem It is also a narrative about how negotiation happens along with what works and what does not The technical challenges the author and his colleagues faced are explained in lay terms that will teach many readers and the memoir is a rich narrative of

people places travel and culture told from the perspective of an American Jew dropped into a unique situation where he never expected to be and in the company of people he never expected to meet **Transatlantic Perspectives on Security Imperatives** Transatlantic Policy Consortium. Annual Colloquium, 2007 The third volume of the Transatlantic Public Policy Series contains papers prepared by members of the Transatlantic Policy Consortium TPC representing American and European universities and institutions The 13 contributions focus on the future of NATO the possibilities of transatlantic cooperation in the Middle East problems and the challenges to human security The collection serves as an illustration of the state of the debate on security problems in transatlantic relations at this specific time It will contribute to greater synergies of thinking and studies of global security pursued in American and European institutions
