Securite Des Systemes D'information Et Maitrise Des Risques:

Sécurité des systèmes d'information et maîtrise des risques Michel Lafitte, 2003 Le XXI^e siècle sera le siècle des réseaux de télécommunications du nomadisme et de la virtualité. L'interconnexion généralisée entre les organisations deviendra progressivement la règle. Dans le cadre de ce nouveau paradigme organisationnel les préoccupations sécuritaires constitueront progressivement un enjeu stratégique majeur pour les entreprises notamment celles du secteur financier qui génèrent des flux immatériels. Partir des caractéristiques de ce nouveau paysage technologique cet ouvrage montre la diversité et la complexité des problèmes sécuritaires liés à l'émersion des réseaux ouverts. Il dresse ensuite un panorama des techniques sécuritaires de leurs forces et de leurs faiblesses puis propose une typologie des risques encourus par les organisations. Il explicite enfin partir d'une vision assurancielles des risques les fondements d'une politique sécuritaire d'entreprise. *Le management du système d'information dans sa complexité* Daniel Alban, Philippe Eynaud, Jean-Loup Richet, Claudio Vitari, 2023-09-01 Le management du système d'information dans sa complexité a pour vocation de sensibiliser les responsables des organisations aux enjeux soulevés par les systèmes d'information SI. Par son caractère pédagogique il entend faire en sorte que les questions relatives au SI ne soient pas laissées aux seuls experts du domaine. L'ouvrage associe et analyse conjointement trois concepts clés de la science des SI : la gouvernance, l'urbanisation et l'alignement. Alors que la gouvernance suppose la mise en œuvre d'un certain nombre de moyens d'instances et de procédures pour gérer plus efficacement les SI, l'urbanisation engage des méthodes de visualisation pour permettre au manager de prendre en compte les différents niveaux de l'organisation d'un SI et leur cohérence. Quant à l'alignement il value la capacité du SI contribuer de manière significative la stratégie de l'organisation.
