Security Without War A Post Cold War Foreign Policy

Navniit Gandhi

Security Without War A Post Cold War Foreign Policy:

Security Without War Michael Shuman, Hal Harvey, 2019-06-21 The Cold War may be over but the United States is still practicing Cold War foreign policies From the Persian Gulf to El Salvador from Bosnia to Somalia U S policymakers continue to rely on force threats arms and military aid A fundamental redefinition of national security beyond war and militarization beyond bilateralism beyond sovereign states is long overdue In *Security Without War* a dynamic author team lays out new principles and policies for the United States to adopt in a post Cold War world Shuman and Harvey encourage Americans to take account of all threats not just military ones to emphasize preventing conflicts over winning wars to enhance every nation's security including that of its enemies to favour multilateral approaches over bilateral ones and to promote greater citizen participation in foreign policy Throughout they show how military political economic and environmental security interests are all linked and how emphasizing one over the others can undermine the nation's safety *Security Without War* brings together for the first time the major elements of post Cold War security thought The authors show how a new framework for U S international relations can enhance U S and indeed global security at a substantially lower cost *SECURITY WITHOUT WAR* MICHAEL. HARVEY SHUMAN (HAL.), 2019

Pakistan's National Security Approach and Post-Cold War

Security Arshad Ali, 2021-03-30 This book analyzes the paradox that despite being a national security state Pakistan has become even more insecure in the post Cold War era It provides an in depth analysis of Pakistan's foreign and security policies and their implications for the overall state and society The book identifies the immediate security challenges to Pakistan and charts the distinctive evolution of Pakistan's national security state in which the military elite became the dominant actor in the political sphere of government during and after the Cold War period By examining the national security state militarization democracy and security proxy wars and the hyper military industrial complex the author illustrates how the vanguard role of the military created considerable structural sociopolitical economic and security problems in Pakistan Furthermore the author argues that the mismatch between Pakistan's national security stance and the transformed security environment has been facilitated and sustained by the embedded interests of the country's military industrial complex A critical evaluation of the role of the military in the political affairs of the government and how it has created structural problems for Pakistan this book will be of interest to academics in the field of South Asian Politics and Security South Asian Foreign and Security Policy International Relations Asian Security and Cold War Studies *Security Without Nuclear Weapons?* Stockholm International Peace Research Institute, 1992 This book examines the question Is the elimination of nuclear weapons feasible Individual chapters address the major conceptual technical and economic issues in the design of a non nuclear security regime Other chapters explore more specialized issues as they relate to the feasibility of the elimination of nuclear weapons elite perceptions and the decision making process verification nuclear proliferation fissile materials and warheads alliance and regional hegemonies and deterrence Neoclassical Realism and Defence Reform in Post-Cold War

Europe T. Dyson, 2016-02-29 Dyson explains the convergence and divergence between British French and German defence reforms in the post Cold War era He engages with cultural and realist theories and develops a neoclassical realist approach to change and stasis in defence policy bringing new material to bear on the factors which have affected defence reforms

Analyzing Foreign Policy Derek Beach, Rasmus Brun Pedersen, 2019-11-19 The second edition of this introductory textbook on foreign policy analysis focuses on the key explanatory factors that underlie the foreign policies of states and other actors to show how theory can illuminate practice Genuinely international in scope and drawing on a wide range of examples it provides an accessible introduction to the key elements of foreign policy analysis to explain predict and evaluate what states and other collective actors want how they make decisions and key determinants of state security diplomatic and economic foreign policies Providing a broad set of theoretical tools for analysing foreign policy and including increased coverage of methodology this new edition provides students with the skills to undertake their own foreign policy analysis

Post-Cold War Conflict Deterrence Naval Studies Board, Commission on Physical Sciences, Mathematics, and Applications, Division on Engineering and Physical Sciences, National Research Council, 1997-04-16 Deterrence as a strategic concept evolved during the Cold War During that period deterrence strategy was aimed mainly at preventing aggression against the United States and its close allies by the hostile Communist power centers the Union of Soviet Socialist Republics USSR and its allies Communist China and North Korea In particular the strategy was devised to prevent aggression involving nuclear attack by the USSR or China Since the end of the Cold War the risk of war among the major powers has subsided to the lowest point in modern history Still the changing nature of the threats to American and allied security interests has stimulated a considerable broadening of the deterrence concept Post Cold War Conflict Deterrence examines the meaning of deterrence in this new environment and identifies key elements of a post Cold War deterrence strategy and the critical issues in devising such a strategy It further examines the significance of these findings for the U S Navy and Marine Corps Quantitative and qualitative measures to support judgments about the potential success or failure of deterrence are identified Such measures will bear on the suitability of the naval forces to meet the deterrence objectives The capabilities of U S naval forces that especially bear on the deterrence objectives also are examined Finally the book examines the utility of models games and simulations as decision aids in improving the naval forces understanding of situations in which deterrence must be used and in improving the potential success of deterrence actions

Chinese Foreign Policy Suisheng Zhao, 2016-07-22 This volume explores how China is adapting to international norms and practices while still giving primacy to its national interests It examines China's strategic behaviour on the world stage particularly in its relationships with major powers and Asian neighbours

Environmental Change and Security Project Report, 1998

In Search of a Post-Cold War Security Structure Gregory D. Foster, 1996-11 Contents doing hard time in psychic prison stumbling blind into the future bowing to the organizational imperative old war thinking cold war organization changed strategic environment

unchanged security structure a general failure of performance the imperatives for reform the elements of a revamped structure and afterword bowing to futility Extensive notes

National Security : Emerging Dimensions and Threats
 Navnii Gandhi, 2010 There is a visible change in the outlook towards security all over the world probably because of the increasing complexity of global problems and their repercussions for millions of people all over the world Insecurity is not just all pervasive but is reiterating its alarming overtones more forcefully than during the cold war era There are now threats very different from a military attack on a nation's territory The concept of National Security hence needs to be redefined The gamut of its perceptions has undergone a paradigm shift The context against which the policy makers seek to establish national security is undergoing tumultuous changes While not downplaying the relevance of strategic means of maintaining national security this book explores the emerging non strategic threats to national security with the obvious grave consequences on human security This book attempts to address several questions Can the concepts of National Security and Human Security be reconciled meaningfully Can their approaches and objectives be intertwined so that we can live a fuller life Can the nations and citizenry both feel equally secure at the same time

Old Europe, New Europe and the Transatlantic Security Agenda Kerry Longhurst, Marcin Zaborowski, 2013-09-13 The post September 11th security policies of Poland the UK France the US and Germany presented in this new book illustrate how and why the Atlantic community ruptured over Iraq a result in part it is argued of the existence of particular national strategic cultures Whilst the longer term effects of Iraq for the transatlantic security agenda have yet to fully transpire what is certain is that the EU's ambitions to become a credible security actor have been seriously questioned as has the notion of multilateralism as an international norm as has the function of international law The book addresses these issues by considering the evolution of the EU's role in the world and the development of American perspectives on the transatlantic security agenda This volume was previously published as a special issue of the journal *European Security*

Post-Cold War Anglo-American Military Intervention
 James Fiddes, 2019-10-17 Exploring case studies from the first Gulf War to the Syria crisis this book discusses different approaches to the use of international law and the role it plays in international power politics Analysis of the post Cold War overseas military involvements of Western powers has focused on their legality and legitimacy allowing for a conflation of the concepts and distracting from the true source of international legitimacy Demonstrating compliance with international law can be helpful but it plays a secondary role to other more powerful considerations such as national interest and shared national security concerns Exploring the key drivers for decision makers this book identifies the impact of previous experience on the use of international law in the quest for legitimacy ahead of launching military action Patterns in approach and of relations between close Western allies in particular the UK and US are identified offering valuable lessons for future strategic decision making This book will appeal to scholars and students of International Relations and International Law Think Tanks focussing on International Relations and the use of force and practitioners working in the realm of foreign policy

with a focus on the UN and international law will also be interested in the study and conclusions drawn UGC NET Paper 2 _ Political Science Volume - 2 Mr. Rohit Manglik, 2024-03-03 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

NATO in the New European Order F. Carr, K. Ifantis, 1996-07-03 In contrast to the Cold War era the new European order is characterised by uncertainty fluidity and new security challenges including separatism ethnic conflict and intra state conflict This book examines the process of change and its implications for transatlantic relations institutional development regional stability and NATO s rationale Balkan instability forms a major theme of the work illustrating the challenge for policy makers The book concludes with a discussion of NATO enlargement and relations with Russia

Global Security in the Twenty-First Century Sean Kay, 2015-03-06 This thoroughly updated edition of *Global Security in the Twenty First Century* offers a balanced introduction to contemporary security dilemmas throughout the world Sean Kay assesses the impact of the global economic crisis on international security and considers how the range of thinking about power and peace has evolved in relation to major flashpoints including in the Middle East Asia and Eurasia Kay builds on the first and second edition s emphasis on the roles of trade and technology the militarization of space the privatization of security the use of sanctions ethnic conflict and transnational crime This edition goes even farther to incorporate traditional thinking about national security in the context of human rights democracy population health environment energy and especially education The author includes full updates on emerging challenges out of Iraq Russia and viral diseases in the context of larger strategic questions like the rise of China and America s pivot to rebalance its priorities toward Asia Writing in an engaging style Kay integrates traditional and emerging challenges in one easily accessible study that gives readers the tools they need to develop a thoughtful and nuanced understanding of global security

Toward a More Amicable Asia-Pacific Region Yoneyuki Sugita, 2015-12-15 The Asia Pacific region has been enjoying fast growing economy As President Barack Obama s pivot to Asia strategy indicates this region is an engine for the world economic growth However the Asia Pacific has also been an unstable region suffering from many sources of conflicts such as disputes on Senkaku Diaoyu Islands the unsettled Exclusive Economic Zone EEZ borders and many others Do we need a hegemonic power to stabilize this region What can we do to deal with the emergence of China How can we understand anti Japanese feelings Is there any way to deal with the problem on Senkaku Diaoyu Islands How can we analyze nuclear crisis on the Korean peninsula Can the European Union make any contribution to stabilizing the Asia Pacific region Those are some of the concrete questions this book tackles with in order to find ways and means to establish a more amicable Asia Pacific region

American Security and the Global War on Terror Edwin Jacob, 2020-04-08 This book delivers an interpretive framework for making sense of today s geopolitical landscape and casts new light on the impact ideology and technology have had on

American foreign policy and contemporary security practices Edwin Daniel Jacob argues that America's security practices in the Global War on Terror have been guided by an anachronistic Cold War logic that has subordinated strategy to tactics Jacob shows that deep rooted prejudices and presuppositions regarding American exceptionalism have had a disastrous impact on the policies of the United States not only in dealing with terrorism but also in seeking to impose American hegemony in the Middle East Ineffectual security practices of dubious moral character from rendition and torture to preemptive strikes and nation building to drones and assassinations privilege exigency over ethics Yet the result of this post strategic approach to security where interchangeable tactics like these masquerade as strategy only increases insecurity Jacob offers a fresh perspective on American foreign policy that links national security with human security in regional terms This approach highlights the need for order predictability and stability the cornerstone of political realism Making use of insights derived from Machiavelli Hobbes Marx Weber Schmitt and Morgenthau this interdisciplinary work provides an overview of American foreign policy in the twenty first century and speaks to crucial themes in the fields of history political science and sociology

The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

Bridging the European Divide Joshua B. Spero, 2004-10-20 Do middle powers matter geopolitically to great powers when confronting the unconventional twenty first century threats from nation states or nonstate actors Bridging the European Divide explores how key regional middle powers perceived and advocated their political power options in the aftermath of September 11 2001

Security Without War A Post Cold War Foreign Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Security Without War A Post Cold War Foreign Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Security Without War A Post Cold War Foreign Policy has opened up a world of possibilities. Downloading Security Without War A Post Cold War Foreign Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Security Without War A Post Cold War Foreign Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Security Without War A Post Cold War Foreign Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Security Without War A Post Cold War Foreign Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Security Without War A Post Cold War Foreign Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Security Without War A Post Cold War Foreign Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
