Seduction And Betrayal Women And Literat:

Seduction and Betrayal Elizabeth Hardwick, 2001-08-31 The novelist and essayist Elizabeth Hardwick is one of contemporary America's most brilliant writers and *Seduction and Betrayal* in which she considers the careers of women writers as well as the larger question of the presence of women in literature is her most passionate and concentrated work of criticism. A gallery of unforgettable portraits of Virginia Woolf and Zelda Fitzgerald, Dorothy Wordsworth and Jane Carlyle as well as a provocative reading of such works as *Wuthering Heights*, *Hedda Gabler* and the poems of Sylvia Plath. *Seduction and Betrayal* is a virtuoso performance, a major writer's reckoning with the relations between men and women, women and writing, writing and life. **Women & Literature**, 1975 Annual bibliography by **Dorothy Wordsworth and Hartley Coleridge** N. Healey, 2012-04-05 This book provides a reassessment of the writings of Hartley Coleridge and Dorothy Wordsworth and presents them in a new poetics of relationship, re-evaluating their relationships with William Wordsworth and Samuel Taylor Coleridge to restore a more accurate understanding of Hartley and Dorothy as independent and original writers. **Heroines, new edition** Kate Zambreno, 2024-03-05 A manifesto reclaiming the wives and mistresses of literary modernism that inspired a generation of writers and scholars. Reissued after more than a decade, I am beginning to realize that taking the self out of our essays is a form of repression. Taking the self out feels like obeying a gag order, pretending an objectivity where there is nothing objective about the experience of confronting and engaging with and swooning over literature. On the last day of December 2009, Kate Zambreno, then an unpublished writer, began a blog called *Frances Farmer Is My Sister*, arising from her obsession with literary modernism and her recent transplantation to Akron, Ohio, where her partner held a university job. Widely reposted, Zambreno's blog became an outlet for her highly informed and passionate rants and melancholy portraits of the fates of the modernist wives and mistresses reclaiming the traditionally pathologized biographies of Vivienne Eliot, Jane Bowles, Jean Rhys, and Zelda Fitzgerald, writers and artists themselves who served as male writers' muses only to end their lives silenced, erased, and institutionalized. Over the course of two years, *Frances Farmer Is My Sister* helped create a community of writers and devised a new feminist discourse of writing in the margins and developing an alternative canon. In *Heroines*, Zambreno extends the polemic begun on her blog into a dazzling original work of literary scholarship. Combining theories that have dictated what literature should be and who is allowed to write it, she traces the genesis of a cultural template that consistently exiles feminine experience to the realm of the minor and diagnoses women for transgressing social bounds. ANXIETY. When she experiences it, it's pathological, writes Zambreno. When he does it, it's existential. With *Heroines*, Zambreno provided a model for a newly subjectivized criticism, prefiguring many group biographies and forms of autotheory and hybrid memoirs that were to come in the years to follow. A book that has become its own canon, *Heroines* was named one of the 50 Books that define the past 5 Years in Literature by Flavorwire, an Essential Feminist Manifesto by Dazed, and one of the 50 Greatest Books by Women in BuzzFeed. Fiction Sofie Behluli, 2025-05-30 This book addresses the recent surge of Anglo American novels about visual art since the 2010s and interprets it as a coming of age of an old literary sub genre which is here termed as the ekphrastic novel These novels are distinguished by their systematic use of ekphrasis which creatively and critically negotiates the intertwined aesthetics of literature and visual art By addressing the challenge of representing visual images such as photographs paintings and art installations with words these novels reveal a greater interest in exploring how and why we engage with art rather than merely depicting the art itself In this way ekphrastic novels present themselves as powerful practitioners and critics of contemporary image making The book focuses on four aspects emerging from ekphrastic passages value form affect and scale to explore critical questions posed by contemporary ekphrastic novels Who has the power to assign value today and at what cost Which social political historical cultural and ethical dimensions are obscured by certain forms and how can ekphrasis re introduce these aspects into public discourse What affects do images and artworks elicit and how do they reinforce or challenge existing value systems How can narrative scale uncover potential injustices in the interplay between life and art Moreover what insights do ekphrastic novels offer into contemporary reading habits and strategies By tracing a literary tradition from nineteenth century to contemporary fiction and offering detailed close readings of several critically acclaimed and widely read contemporary novels this book delves into the theoretical and practical intersections of ekphrasis and the novel

Lacework or Mirror? Diary Poetics of Frances Burney, Dorothy Wordsworth and Mary Shelley

Magdalena Ozarska, 2014-01-08 Lacework or Mirror Diary Poetics of Frances Burney Dorothy Wordsworth and Mary Shelley sets out to determine whether each of the diaries by three female writers namely Frances Burney Dorothy Wordsworth and Mary Shelley approximates the Philippe Lejeunean concept of the diary as lacework or the more sweeping view typical of the broadly conceived autobiography which Georges Gusdorf famously likened to the mirror The author explores Burney s Wordsworth s and Shelley s attempts at concealing the gaps between their narrating and narrated I s as well as examining their diary lacunae especially helpful for illustrating the gradual emergence of the diarists individual selves Broader issues connected with diary poetics such as the use of metaphors and symbols the degree of reliance on dialogue and ensuing narrativity down to handling the past by means of anachronous eccentricities are also subject to examination The study is based on the assumption that the journal is a literary genre which can be investigated with tools routinely used for the examination of literary texts Yet beyond the issues of literariness in accordance with Philippe Lejeune s dictum the three journals reveal the writers diaristic practices In fact it seems that issues of the journal genre and the journal practice cannot be divorced and neither can their lacework and mirror aspects

Madness and Sexual Politics in the Feminist Novel

Barbara Hill Rigney, 1978 A greater part of the feminist movement has considered traditional psychology to be both a product and a defense of the status quo a patriarchal society Here Barbara Hill Rigney explores emerging feminist psychology by applying it to literary works by women who have depicted the relationship between madness and the female condition The

result is a fascinating and illuminating exposition certain to be welcomed by students and scholars in literature and women's studies as well as those in sociology and psychology whose interests include feminism and problems of women and society. Among the works Rigney considers are Charlotte Brontë's *Jane Eyre*, Virginia Woolf's *Mrs Dalloway*, Doris Lessing's *The Four Gated City* and Margaret Atwood's *Surfacing*, all of which depict insanity in relation to sexual politics. These authors portray a patriarchal social system which in itself manifests symptoms of collusive madness in the form of war or sexual oppression and is thereby seen as threatening to female psychological survival. Each of Rigney's author subjects sees her protagonist as tragically divided between male society's prescribed roles for women and a sense of an authentic self. Thus emerges a pattern common to all works in which the divided self is reflected by the inevitable juxtaposition of the protagonist to a doppelgänger, an insane self, an extension of the protagonist who herself can be regarded as sane only by degree. A return to true sanity is traced through the patterns found in the selected works. Rigney explores the literary metaphor of the return of Demeter or the Amazon mother to restore the alienated female protagonists. In order to begin the return from psychosis, Rigney concludes they must find the mother within themselves in the form of a feminist consciousness of self-worth.

Cultural Conservatism, Political Liberalism James Seaton, 1996. Examines whether cultural studies has been too dismissive of the tradition of literary cultural criticism that preceded it. The Educational Legacy of Romanticism John Willinsky, 2006-01-01.

This international collection of essays by leading authorities in literature and education presents the first comprehensive view of the impact of Romanticism on education over the course of the last two centuries. Romanticism's reconception of self, nature, writing, and the imagination forms a chapter of intellectual history that has led to a number of innovative programs in the schools. The book returns to the educational thinking of key figures from the time: Rousseau, Wordsworth, Mary Shelley, and Coleridge, before charting their influence on such historical and contemporary developments as Montessori schools, art education, free schools, and current writing programs. The contributors tend to challenge common assumptions concerning Romanticism and do not shy away from its darker side; their work encompasses both theoretical considerations of Romantic and post-modern conceptions of the self and practical concerns with Romanticism's potential for the school curriculum. The Educational Legacy of Romanticism represents a multi-disciplinary inquiry into the continuing influence which cultural endeavours can have on the social practices of society.

Thomas Carlyle Resartus Paul E. Kerry, Marylu Hill, 2010. The essays in this volume represent some of the most recent reconsiderations of the living legacy of Thomas Carlyle from both established and upcoming Carlyle scholars. Readers will have the opportunity to explore the richness of Carlyle's ideals, including the ones which challenge modern sensibilities the most. The essays examine carefully the complexities, difficulties, and contours of Carlyle's political and social vision. They also sample the breadth of Carlyle's thought along with that of Jane Welsh Carlyle, his wife and fellow intellectual traveler, covering topics from political philosophy and cultural critique to education, historiography, biography, and the vagaries of editing. His roles as a political thinker and professional historian are

investigated in depth in addition to his better known position as a critic of Victorian mores Thomas Carlyle truly emerges resartus or re tailored ready to speak with renewed hope to the weighty concerns of the present Book Jacket **The Encarta Book of Quotations** Bill Swainson,2000-09-30 Here are 25 000 quotations drawn from the history politics literature religions science and popular culture of the world ranging from the earliest Chinese sages through Shakespeare to the present day **Kate Chase and William Sprague** Peg A. Tough Enough Deborah Nelson,2017-04-03 This book focuses on six brilliant women who are often seen as particularly tough minded Simone Weil Hannah Arendt Mary McCarthy Susan Sontag Diane Arbus and Joan Didion Aligned with no single tradition they escape straightforward categories Yet their work evinces an affinity of style and philosophical viewpoint that derives from a shared attitude toward suffering What Mary McCarthy called a cold eye was not merely a personal aversion to displays of emotion it was an unsentimental mode of attention that dictated both ethical positions and aesthetic approaches *Tough Enough* traces the careers of these women and their challenges to the pre eminence of empathy as the ethical posture from which to examine pain Their writing and art reveal an adamant belief that the hurts of the world must be treated concretely directly and realistically without recourse to either melodrama or callousness As Deborah Nelson shows this stance offers an important counter tradition to the familiar postwar poles of emotional expressivity on the one hand and cool irony on the other Ultimately in its insistence on facing reality without consolation or compensation this austere school of the unsentimental offers new ways to approach suffering in both its spectacular forms and all of its ordinariness
