## **Seduction Of Morality:**

The Seduction of Morality Thomas Murphy, 1995 The Irish playwright Tom Murphy's first novel Featuring a 38 year old who returns from America to the small Irish town of her childhood it is a story about the awakening of a woman's capacities for love and sex and a tale of family rivalries      The Ethical Seduction of the Analytic Situation Viviane

Chetrit-Vatine, 2018-05-11 According to Jacques Andre the patient's encounter with the analyst is a scene of seduction the seductive statement being that of the fundamental rule or the invitation to address that which is most intimate or personal to a complete stranger But the practice of psychoanalysis can only unfold if there is a strict respect for ethics The words seduction and ethics which at first sight seem mutually exclusive are thus as the author shows at the heart of the analytic perspective The author takes as her starting point an encounter which is not necessarily consensual between Emmanuel Levinas thought and his conception of philosophy as ethics ethics understood as responsibility for the other and that of the psychoanalyst Jean Laplanche who posits the first adult other as a seducer of the young psyche from the outset due to the transmission of enigmatic messages compromised by his or her unconscious The analyst's ethical position is re-examined and with it the feminine maternal origins of the human capacity for responsibility for the other      **Tom Murphy's Theatre of**

**Everyday Space** Moonyoung Hong, 2025-05-08 By the time of his death in 2018 Tom Murphy was widely recognised as one of Ireland's most important modern playwrights Ireland's experience of rapid modernisation emigration and globalisation is vividly captured in his plays challenging generic notions of space place and the nation In particular his drama reconfigures Irish theatre's uneasy relationship with globalisation with the peasant kitchen the pub and the bog having traditionally been exported as the quintessential Irish spaces Focusing on one of Murphy's central innovations his experimentation with theatre and everyday space the book considers the significance of Murphy's work in modern drama more broadly The idea of home has preoccupied modern playwrights since the naturalist dramas of Henrik Ibsen and Anton Chekhov leading theatre scholars to focus on the everyday space of the home to the exclusion of other everyday spaces Murphy's works by contrast offer a new politics of the interior engaging with a diverse range of other spaces such as dancehalls grocery shops pubs hotels offices churches gasworks and airports His drama presents a global sense of the local an emotional map of the shifting geographies of everyday life By applying new theoretical perspectives and showcasing new archival materials inaccessible to previous scholars the book revisits Murphy as an international playwright a cartographer of our modern day global village

Discourses of Seduction Hosea Hirata, 2020-03-17 If the postmodernist ethical onslaught has led to the demise of literature by exposing its political agenda if all literature is compromised by its entanglement with power why does literature's subterranean voice still seduce us into reading Why do the madness and the scandal of transgressive literature its power to force us to begin anew its evil escape the gaze of contemporary literary criticism Why do we dare not reject ethics and the ethical approach to literature If the primary task of literary criticism is to correct others ethical missteps should we not begin by confronting the seductiveness of ethics our desire for ethics the pleasure we take in being ethical And what is the relationship between ethics and history in the study of literature What would be the ethical consequences of an erasure of history from literary criticism In a series of essays on the writings of Kawabata Yasunari Murakami Haruki Karatani Kjin Furui Yoshikichi Mishima Yukio Oe Kenzaburo Natsume Soseki and Kobayashi Hideo Hosea Hirata visits the primal force of the scandalous in an effort to repeat in the Kierkegaardian sense the originary scene that initiates the obscure yet insistent poetry that is literature and to confront the questions raised
