Teaching Mysteries Clifford Mayes, 2005-02-22 By carefully examining a handful of great exemplars of teaching from various spiritual traditions and

cultural contexts this book breaks new ground in helping both prospective and practicing teachers discover and deepen their sense of spiritual calling The masters examined in this book are found in many venues Some appear in biographies such as Yogananda the great Hindu saint of the 20th century in his Autobiography of a Yogi or Eugene Herrigel and his Zen archery master in Zen in the Art of Archery Some are enshrined in literature such as St Thomas More in Robert Bolt s dramatization of More s life A Man for All Seasons Others like the Yaqui medicine man Don Juan in Carlos Castaneda s Journey to Ixtlan occupy an intriguing region that moves on the misty boundaries between biography and fiction A few even reside in academia among them the Jewish theologian Martin Buber author of the 20th century theological classic I and Thou In encountering these exemplars of spiritual teaching each teacher may discover and uniquely appropriate ways to further his or her own spiritual growth as a teacher as well as the growth of his or her students in the most traditional to the most experimental school settings Special emphasis is placed on the perspectives and needs of public school teachers and administrators At the end of each chapter are Topics for Discussion and Topics for Research to stimulate further thought and research

Benjamin Waugh,1889 **Survival of the Heart Tragedy of the Mind** Dwight N. Wood Sr,2013-04 After a life that has spanned more than six decades Dwight N Wood Sr now provides an intensely painful but transparent account of his story starting from birth and leading to the present day He always attempted to hide away the damaging scars of a major heart surgery and the sometimes cruel events prompted by poverty It was his choice to cover up and contain his deepest emotions within his heart and mind Survival of the Heart Tragedy of the Mind is a spiritual and surprising story of medical survival and human tragedy Wood characterizes his most detailed memories of his childhood and the sacrifices of his family which always supported his dreams of living a normal life After he became an adult he once again faced the demons of his past physical and mental battles He recounts the hardships associated with despair dying and death He expresses the mental struggles of living in the past while not looking toward the present and future The emotional and monetary costs of failing to seek professional guidance nearly led to his demise Wood admits to the consequences of being a man who has had to deal with denial and rejection His book is about learning the lessons of life and making the confusing connections between commonsense and poor judgment He rationalizes the reasons we should embrace love and forgive people The crucial decisions he

made as a child and an adult now allow him to complete his circle of life Survival of the Heart Tragedy of the Mind is an intimate portrayal of a very emotional boy who develops into a mentally quick and capable man His often hopeful approach to overcoming human miseries is highlighted by his failures as well as his victories From his youthful days to his elderly years he suffered from a congenital heart abnormality and eventually developed post traumatic stress disorder His lifelong search for the answers to human love spiritual happiness and the true meaning of human life eventually leads him to some remarkable solutions with noteworthy conclusions
