## See I Told You So:

**If I Told You So** Timothy Woodward, 2011-10-24 The summer you turn sixteen is supposed to be unforgettable It's the stuff of John Hughes movies and classic songs of heart stopping kisses and sudden revelations But life isn't always like the movies For Sean Jackson sixteen is off to an inauspicious start His options take a landscaping job in Georgia with his father or stay in his small New Hampshire hometown where the only place hiring is the local ice cream shop Donning a pink t shirt to scoop sundaes for tourists and seniors promises to be a colder stickier version of hell Still he opts to stay home On his first day at work Sean meets Becky a wickedly funny New York transplant The store manager Jay is eighteen effortlessly cool and according to Becky likes Sean the way Sean's starting to like him But before he can clear a path to the world that's waiting Sean will have to deal with his overprotective mother his sweet popular girlfriend Lisa his absentee father and all his own uncertainties and budding confusions Tender and achingly funny this coming of age story will resonate with anyone who is or has ever been a teenager when the only thing you can count on is how little you really know and the next glance or touch or breathless night can be the one that changes everything Woodward writes from the heart a genuine honest story about the joys and pains of first love and realizing that no one is as alone as it sometimes seems Robin Reardon A touching story about navigating the sometimes treacherous waters of first love J H Trumble Timothy Woodward grew up in a small town in the White Mountains of New Hampshire where Saturday evening trips to the local ice cream shop were a town ritual Later he moved to the city where he was a high school teacher and an advocate for GLBT youth with Greater Boston PFLAG and where ice cream shops have been replaced by frozen yogurt stores But Timothy still goes back to his hometown for their ice cream His favorite flavor is of course Purple Cow

**Told You So** Mayci Neeley, 2025-10-07 From TikTok and The Secret Lives of Mormon Wives star Mayci Neeley a deeply personal story of love grief motherhood and resilience Mayci Neeley and the women of MomTok burst into the center of pop culture when Hulu's The Secret Lives of Mormon Wives took the world by storm But the show barely scratched the surface of Mayci's personal story From becoming a mom at twenty to losing her son's father in a tragic car accident to going back to college as a single mother she's only ever given us glimpses of the challenging things she's been through Now finally she's ready to tell us everything In this inspiring and darkly funny memoir Mayci lifts the veil for readers on what growing up Mormon is really like and how it's strict standards completely blow up for many young people when they get to college When Mayci arrived at BYU on a tennis scholarship she was unprepared to manage the temptations she'd been taught were sins She found herself drinking too much stuck in an abusive relationship and on the verge of falling down a dark and dangerous path Suddenly she was pregnant at nineteen and mourning a boyfriend she'd been building a future with Mayci captures the period from college to adulthood with brutal honesty grace and humor offering up a heartfelt portrait of a woman finding her voice and her strength All of these trials led to her current love story her journey with IVF and of course the inside story of MomTok Fans looking for a juicy play by play on the friend

saying to my poor husband Roy Can you believe this After a while I knew he was tuning me out LOL I am what many people would describe as a political junkie I pay attention I follow the campaigns I was a beast I listened and watched as they tricked the uninformed and convinced them to vote against their own interest This time it was the absolute worst The lies were coming fast and furious We were inundated and totally on overdrive The media got caught up in the lies and it was obvious they wanted to create confusion and chaos especially when it came to Hillary I would say they were complicit in the worst election we have ever seen Everyone thought Hillary would win The entire political world including the press had given the election to Hillary She couldn't lose they said She needed to win just one of the toss up states and she would be madam president We were so excited but Comey had other ideas He found some damn e mails from Anthony Weiner and all hell broke loose The media was orgasmic They wanted a real race Elections have become all about making millions of dollars and Hillary's e mails generated a lot of interest especially if Anthony Carlos Danger Weiner was involved The media spent nine days with around the clock reporting on these e mails while Trump was getting billions of dollars worth of free airtime to spread untruths Fox News found the smoking gun they thought and Hillary was once again attacked for being unscrupulous and unworthy of the office Something was fishy with Comey Why would he release the letter to say he found more e mail and not give any further details Poor Hillary Two days before the election Comey sent another letter this time saying Never mind People were angry at Hillary for having the server Some decided to stay home and others decided to vote for someone else Trump won the presidency because of a few different factors Comeys letters just before the election played quite a significant role and now since Trump's win we learned about Russias involvement Poor Hillary never had a chance It was over The men took her down and women stabbed her in her back and never helped her Ugh *Munsey's Magazine for ...* ,1922
