Seeds Of Reconciliation Essays On Jewishchristian Understanding:

Seeds of Reconciliation Katharine T. Hargrove, 1996 Hargrove has gathered the most important articles written by world leaders in Jewish Christian dialogue and previously published in the journal SIDIC **Abraham's Promise** Wyschogrod, 2004-09 Abraham's Promise presents a selection of important writings by noted Jewish philosopher theologian Michael Wyschogrod who is widely admired for his singular contributions to Jewish Christian relations Including several pieces never published before this reader aptly captures the broad scope of Wyschogrod's work on Judaism and the Jewish Christian encounter collecting seminal essays articles and reviews that address such topics as the God of Abraham and the God of philosophy sin and atonement Judaism and the land the Six Day War Paul on Jews and Gentiles and the theology of Karl Barth An introductory essay by editor R Kendall Soulen sets Wyschogrod's career and writings in context **Jews and Christians Together** Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect [The Option for the Poor in Christian Theology](#) Daniel G. Groody, 2007-04-01 Since the publication of Gustavo Gutierrez's 1973 groundbreaking work *A Theology of Liberation* much has been written on liberation theology and its central premise of the preferential option for the poor Arguably this has been one of the most important yet controversial theological themes of the twentieth century As globalization creates greater gaps between the rich and the poor and as the situation for many of the world's poor worsens there is an ever greater need to understand the gift and challenge of Christian faith from the context of the poor and marginalized of our society This volume draws on the thought of leading international scholars and explores how the Christian tradition can help us understand the theological foundations for the option for the poor The central focus of the book revolves around the question How can one live a Christian life in a world of destitution The contributors are concerned not only with a social economic or political understanding of poverty but above all with the option for the poor as a theological concept While these essays are rooted in a solid grounding of our present reality they look to the past to understand some of the central truths of Christian faith and to the future as a source of Christian hope Following Gustavo

Gutiérrez's essay on the multidimensionality of poverty Elsa Tamez Hugh Page Jr Brian Daley and Jon Sobrino identify a central theological premise poverty is contrary to the will of God Drawing on scripture the writings of the early fathers the witness of Christian martyrs and contemporary theological reflection they argue that poverty represents the greatest challenge to Christian faith and discipleship David Tracy and J Matthew Ashley carry their reflection forward by examining the option for the poor in light of apocalyptic thought Virgilio Elizondo Patrick Kalilombe Mar a Pilar Aquino M Shawn Copeland and Mary Catherine Hilkert examine the challenges of poverty with respect to culture Africa race and gender Casiano Floristán and Luis Maldonado explore the relationship between poverty sacramentality and popular religiosity The final two essays by Aloysius Pieris and Michael Signer consider the option for the poor in relationship to other major world religions particularly an Asian theology of religions and the meaning of care for the poor within Judaism **How the Bible**

Came to be John W. Miller, 2004 The Bible comprises a large array of books teachings and stories woven into a longer narrative that opens with creation and ends with a vision of creation renewed Although it is the best selling book in history and notwithstanding its vast popularity and importance very few of its readers have any idea who actually wrote its various segments or how they came to be assembled into the sacred work we know today Moreover history has shown that it can be wrongly interpreted with devastating consequences In HOW THE BIBLE CAME TO BE John W Miller has written the first detailed study of the form and message of the Bible as a whole along with carefully documented information on how when and why its diverse components were assembled His pathbreaking work puts readers in touch for the first time with the intent and goals of those who created this large body of sacred scriptures Taken together the information in HOW THE BIBLE CAME TO BE shows how an awareness of the factors at play in the Bible's formation can greatly enrich our understanding and appreciation of the sacred scriptures and their major components Since it is both historically objective and theologically meaningful this work is ideally suited for introducing the Bible in college university or seminary courses Its ecumenical approach should make it of interest to anyone wanting a better understanding of the Bible and its origins

1999 Susan Sarah Cohen, 2013-02-18 No detailed description available for 1999 [Dangerous Religious Ideas](#) Rachel S. Mikva, 2020-11-03 Reveals how faith traditions have always passed down tools for self examination and debate because all religious ideas not just extremist ones can cause harm even as they also embody important moral teachings Scripture's abiding relevance can inspire great goodness such as welcoming the stranger and extending compassion for the poor But its authority has also been wielded to defend slavery marginalize LGBTQ individuals ignore science and justify violence Grounded in close readings of scripture and tradition in Christianity Islam and Judaism religious scholar Rachel Mikva shows us that the Abrahamic religions have always been aware of their tremendous power both to harm and to heal And so they have transmitted their sacred stories along with built in tools interpretive traditions to do the necessary work of taking on dangerous religious ideas and fostering self critical faith By exploring the themes of Scripture Election Reward and

Punishment Mikva examines how the interpretive methodologies of these religions have identified and grappled with their perilous power and positive potential Many readers presume that their understanding of scripture s meaning is absolute forgetting how these sacred texts and the history of interpretation have valued multiple perspectives and recognized ongoing rhythms of change It s not a modern phenomenon to debate the nature of truth hold space open for doubt value humility and question our capacity to know things especially about God and God s will with certainty In fact none of the traditions could remain vital or thrive together without a sustained practice of self critique Dangerous Religious Ideas reframes the way we talk about faith to create a space where public discussion of religion is more constructive nuanced and socially engaged

"Good News" After Auschwitz? Carol Rittner, John K. Roth, 2001 Many argue that Christians must address their own culpability in the destruction of Europe s Jewry If post Holocaust Christians only lament Christianity s sin the tradition will be ultimately left with little to say and no credibility Post Holocaust Christians must emphasize positive differences that Christianity can make including Repentant honesty about Christianity s anti Jewish history New appreciation for the Jewish origins of Christianity the Jewish identity of Jesus and the continuing vitality of the Jewish people and their traditions Welcome liberation from liturgies and biblical interpretations that promote harmful Christian exclusivism **Opening the Covenant** Michael S. Kogan, 2008 Michael Kogan delves deeply into the theologies of Christianity and Judaism to locate the precise points of difference and convergence He sees Christianity as the breaking open of the original Covenant to include gentile peoples God has brought this about Kogan argues through Jesus and his interpreters Encounter , 1997 Jews and Christians Michał Bron, 1997 U.S. Catholic Historian , 2001 The Journal of Jewish Studies , 1997 Pursuing the Dream Dan Cohn-Sherbok, Mary C. Grey, 2005 A feminist Roman Catholic theologian and a liberal rabbi exchange letters and emails on the major theological fundamentals of their respective faiths such as God Jesus and the Bible alongside contemporary issues such as war and peace gender ecology family sin and racism Their inspiration was a desire to focus on the ways in which their two faiths provide resources for achieving reconciliation in the contemporary world It soon became clear however that they disagreed about nearly everything except the general principle that each tradition contains invaluable spiritual resources for creating a better world The problem was that both held very different visions of what such a world should be But what the conversation finally reveals is the possibility for mutual sympathy and understanding which in a post Holocaust post 9 11 world is perhaps a good enough basis from which to attempt future dialogue and encounter

Antisemitism Susan Sarah Cohen, 1987 *The Seed of Abraham* Michael M. C. Reardon, Pesach Wolicki, 2025-06-25 The inspiration for this volume emerged from years of friendship dialogue and collaboration between a Jewish rabbi and Christian professor Historically Jewish Christian relations has been a fraught sphere of inquiry Despite sharing a set of Scriptures the relationship between Christians and Jews has been marked by distrust misunderstandings and exaggerated theological differences which taken together appear to create an indissoluble wedge between the two faiths This volume

brings the two faiths into fruitful and productive dialogue by unearthing recondite yet highly significant features shared between them Beyond being an academic exercise the aspiration undergirding this project is to bridge the gap between Jews and Christians and by doing so chart a path forward toward rapprochement reconciliation and Jewish Christian unity

Index to Book Reviews in Religion ,1999 The Cumulative Book Index ,1997 A world list of books in the English language *Converging Destinies* Stuart Dauermann,2017-03-14 While all have reason to celebrate the greening of Christian Jewish relations since the Shoah and the promulgation of Nostra Aetate 4 few will deny that much work remains to be done by Christians and Jews seeking the best way forward that they might best serve God s purposes in the world the mission of God This book addresses that need by first surveying how each community has historically conceived of its own mission and from that stance assigned an identity to the other The text illuminates how such construals have often impeded progress and therefore need to be upgraded and supplemented But how shall this be done *Converging Destinies* proposes an eschatological vision and practical suggestions to summon Jews and Christians to prepare for that day when each will be both commended and reproved by the judge of all sounding a call for more determined action greater humility and cooperative effort as together Jews and Christians serve the mission of God accountable to him for how they have served him and each other in the world that he has created according to his will **American Book Publishing Record** ,1999
