This book is the first to

explore the rich history of music at work in Britain and charts the journey from the singing cultures of pre industrial occupations to the impact and uses of the factory radio via the silencing effect of industrialisation. The first part of the book discusses how widespread cultures of singing at work were in pre industrial manual occupations. The second and third parts of the book show how musical silence reigned with industrialisation until the carefully controlled introduction of Music while You Work in the 1940s Continuing the analysis to the present day Rhythms of Labour explains how workers have clung to and reclaimed popular music on the radio in desperate and creative ways The Therapeutic Bible - Psalms Sociedade Bíblica do Brasil, 2016-03-29 The Therapeutic Bible is an original edition perhaps unique in the world today A group of highly regarded Christian mental health professionals supported by the Brazilian Body of Christian Psychologists and Psychiatrists and by the Bible Society of Brazil have dedicated themselves to the task of commentating the therapeutic content of the biblical text using their gifts and professional experience to explain how the Holy Scriptures foster our physical mental and spiritual health This volume is the first fruit of this work in the English language in the hope and prayer that the Wonderful Counselor will use it to help bring rest and relief to many souls who seek comfort from God's Word Sing Allison Adelle Hedge Coke, 2011-10 A multilingual collection of Indigenous American poetry joining voices old and new in songs of witness and reclamation Unprecedented in scope Sing gathers more than eighty poets from across the Americas covering territory that stretches from Alaska to Chile and features familiar names like Sherwin Bitsui Louise Erdrich Joy Harjo Lee Maracle and Simon Ortiz alongside international poets both emerging and acclaimed from regions underrepresented in anthologies
