What has happened in recent years is merely a continuation of a long process that has been going on for over five hundred years Who are the good guys Who are the bad guys The lines are usually blurred There are true good guys because they believe in what they are doing though many times they do not understand they are merely puppets in a game that has been being played for a very long time William Frick is one such good guy who believes in the fight to keep the world a safer place Working for the CIA he looks for the terrorists with his able team not knowing that even his boss has blurred the good and the evil All thats on Fricks mind however is to catch Omar Zaki a master terrorist a CIA trained one at that All the families of Charlemagne have one thing in mind control of the worldspiritually intellectually and economically Can they the real masterminds ever be stopped **Conquering the Seeds**

of Destruction Maureen Y. Smith, 2013-02-01 Have you conquered destructive seeds in your life Do you find yourself struggling with situations from your past that you thought you had let go of Have you avoided various temptations in your life only to find yourself still wanting to experience fulfill and satisfy the desires of your temptations Are you yearning to be set free and delivered from the negative influences corrupting your life Now is the time to end the downward slopes of condemnation chaos and confusion In *Conquering the Seeds of Destruction* Maureen Y Smith guides you on a spiritual journey that examines the dilemma of overcoming life s issues She gives you a step by step approach of how we allow the enemy s voice and people s opinions to resonate in our minds luring us into a path of destruction Unfortunately it is not until we experience unbearable life altering conflicts that we decide change is necessary As you learn from men and women in the Bible as well as her own life she addresses personal struggles and realistic issues of today while showing you the tools to not only survive destructive patterns but to discover how to live life in abundance **Seeds of Destruction** Georgina Ferrand,
