pre war days their training and preparation for Vietnam and their actual in country experiences The stories speak of fear and survival the paranoia of not knowing who or where the enemy was the bullets rockets and mortars that could mangle a body or snuff out a life in an instant and going home with a CMH not the Congressional Medal of Honor but a Casket with Metal Handles The veterans also speak of friendships and simple acts of kindness But more importantly they speak of healing both physical and mental Touched by the Dragon Frank L.
