## **Seeds Of Nonviolence:**

**Seeds of Nonviolence** John Dear, 1992      *The Vision of Peace* Mairead Corrigan Maguire, 2010-08-01 The Vision of Peace edited by John Dear features the first ever collection of writings by Mairead Corrigan Maguire the 1976 Nobel Peace Prize Winner from Belfast      *The Prophet and the Bodhisattva* Charles R. Strain, 2014-02-19 Can religious individuals and communities learn from each other in ways that will lead them to collaborate in addressing the great ethical challenges of our time including climate change and endless warfare This is the central question underlying The Prophet and the Bodhisattva It juxtaposes two figures emblematic of an ideal moral life the prophet as it evolved in ancient Israel and the bodhisattva as it flowered in Mahayana Buddhism In particular The Prophet and the Bodhisattva focuses on Daniel Berrigan and Thich Nhat Hanh who in their lives embody and in their writings reflect upon their respective moral type Berrigan a Jesuit priest pacifist and poet is best known for burning draft files in 1968 and for hammering and pouring blood on a nuclear warhead in 1980 His extensive writings on the Hebrew prophets reflect his life of nonviolent activism Thich Nhat Hanh Buddhist monk Vietnamese exile and poet struggled to end the conflict during the Vietnam War Since then he has led the global movement that he named Engaged Buddhism and has written many commentaries on Mahayana scriptures For fifty years both have been teaching us how to pursue peace and justice a legacy we can draw upon to build a social ethics for our time      **The Women of the Nobel** Massimo di Terlizzi, 2014-04-16 Forty four women Forty four stories of incredible lives each different from the other but linked by the same leitmotif of excellence perseverance and passion This book aims at being a homage to all the women whose revolutionary discoveries and works have forever changed the history of humankind It is for that reason that they received the most prestigious prize of all the Nobel Prize By reading these biographies you can feel to what extent society has changed from the beginning of the twentieth century to today You will also understand how complicated it was for women born at the turn of the century to enter higher education and to be considered by their male colleagues Unfortunately in many fields this attitude is still present and stronger than ever Proportionally only a small percentage of women have received the Swedish medal a sign that the path to gender equality is still long Many of them had to fight to establish themselves and make their talent known often going against their families who saw them exclusively as wives and mothers But they believed in themselves had a dream and with determination overcame every difficulty Notwithstanding their work all of these women scientists writers organizers and spokeswomen demonstrate that with perseverance and an openness towards others you can get where you want As the great Rita Levi Montalcini Nobel Prize in Medicine said The key to human existence is not love but curiosity      *Jesus and the Nonviolent Revolution* André Trocmé, 2004 Andr Trocmé of Le Chambon is famous for his role in saving thousands of Jews from the Nazis during World War II But his bold deeds did not spring from a void They were rooted in his understanding of Jesus way of nonviolence an understanding that gave him the remarkable insights contained in this long out of print classic In this book you ll encounter a

Jesus you may have never met before a Jesus who not only calls for spiritual transformation but for practical changes that answer the most perplexing political economic and social problems of our time      **Power in Philosophy** Anna Alomes,2012-01-01 In a world witnessing social transformation by non violent means on the scale never before seen this book offers a challenge to philosophy to catch up and support these changes with the required foundations for sustaining peace in the 21st century and beyond This book offers hope for a compassionate future issues a wake up call to academia and provides a roadmap for change      Religions and Nonviolence Rachel M. MacNair,2015-07-07 Covering the nonviolence traditions in all the major religions as well as the contributions of religious traditions to major nonviolent practices this book addresses theories of nonviolence considers each religion individually and highlights what discrete religious perspectives have in common Covering all the major and some of the larger minor religions of the world Religions and Nonviolence The Rise of Effective Advocacy for Peace examines the rich history of how human thinking on nonviolence has developed and what each religion offers to the theory and practice of nonviolence providing a counterpoint to the perspective that religion has largely inspired violence and intolerance It also traces the contributions of religious traditions to secular nonviolent practices recognizes and explains why religion has historically inspired violence and provides additional resources for investigating the crossroads of religion and advocacy of nonviolence and peace The author addresses the nonviolence traditions in religions such as Bahai Buddhism Christianity Ethical Atheism the First Nations of North America Judaism Hinduism Islam Sikhism Tenrikyo and Revitalized Paganism Ancient religions with important contributions to nonviolence Zoroastrianism Taoism and Jainism receive attention as do Mo Tse and other Chinese philosophers as well as Pythagoras and other classical Greek thinkers Students of religion history of religion sociology or psychology will find this book key to achieving a balanced and therefore more accurate understanding of both religion and history General readers will gain insights into the commonalities among different religions as well as each major religion s historical and current stances on issues of violence such as human or animal sacrifice slavery war and the death penalty      **Personal Nonviolence** Gerard Vanderhaar,2015-08-11 Spirituality is aligning our innermost being with the Way of the Cosmos It s our effort to get our total beings right ultimately right or at least as right as we can at this time in our lives given everything we know For those trying to live lives deeply influenced by Jesus of Nazareth a spirituality based on active nonviolence is in harmony with his life and teachings It is both a guide and support in times of stress turmoil terrorism fear and uncertainty In this book a compilation of much of his decades long work on nonviolence Vanderhaar explains how a spirituality of nonviolence provides methods and guidance in everyday activities such as speech leadership and dealing with difficult people or even those who might be seen as enemies He outlines how this spirituality helps us to understand both our gifts and our shortcomings and to deal with the challenges of life in the twenty first century Understanding nonviolence can guide peacemakers to a practical spirituality based on the nonviolent Christ our guide and inspiration      **Value Education** Dr. Sanjeev Salunke,2023-10-28 Values Education is a compelling literary work

that delves deeply into the profound area of moral and ethical development. Written by a distinguished philosopher and teacher, this book stands as an invaluable resource for individuals looking to refine their moral knowledge and grapple with the intricacies of life while maintaining integrity. This comprehensive work explores a rich landscape of values such as honesty, empathy, responsibility, and compassion, elucidating their important roles in shaping one's character and guiding ethical decision making. Through a tapestry of captivating anecdotes, real-world scenarios, and practical exercises, the book empowers readers to not only identify their core values but seamlessly integrate them into their daily existence. Value education is not limited to personal development; it extends its knowledge to the social sphere, underscoring the importance of values in building just and harmonious communities. Through meticulous research and insightful approaches, it analyses contemporary ethical dilemmas, offering ethical frameworks to address these complex challenges. A must-read for teachers, parents, and anyone invested in personal and community moral development, this book inspires readers to introspect on their values and encourages them to become moral leaders who have a positive impact on the world. Leave a lasting positive impression. Value education serves as a guiding light on the journey towards a more virtuous, principled, and moral existence. Its profound insights and practical guidance make it an indispensable source for those who wish to navigate life's moral maze with wisdom and compassion.

*Why Good People Do Bad Things* Gerard Vanderhaar, 2013-08-09. *Why Good People Do Bad Things* sheds new light on the ethical dilemmas of modern life. It shows how people of good will, who are generally thoughtful, caring, and reasonably well-balanced, can unwittingly contribute to the evils present in our social systems. In exposing these situations, this book also offers the hope that these same good people can take a fresh look at the world around them. In doing so, they can then see the potential of our world as well as its defects and determine to be part of the solution rather than part of the problem.

Gandhi's Paradox: Truth, Non-Violence, and Controversy Aman Shresth, 2024-10-15. In *Gandhi's Paradox*, the reader embarks on a journey to unravel the complex and often controversial life of Mahatma Gandhi. While celebrated globally as the apostle of non-violence and the driving force behind India's independence, Gandhi's life was marked by personal contradictions, moral dilemmas, and decisions that sparked intense debate. This book delves into the lesser-known aspects of his legacy, such as his contentious experiments with celibacy, his strained relationship with his family, and the political decisions that led to divisions within India. Gandhi's complex interactions with figures like Dr. B. R. Ambedkar and his controversial role in the partition of India challenge the idealized version of him that is widely celebrated.

**Building Networks for Nonviolent Social Change**, 1980. **Culture and Dignity** Laura Nader, 2012-08-31. In *Culture and Dignity*, Dialogues between the Middle East and the West, renowned cultural anthropologist Laura Nader examines the historical and ethnographic roots of the complex relationship between the East and the West, revealing how cultural differences can lead to violence or a more peaceful co-existence. Outlines an anthropology for the 21st century that focuses on the myriad connections between peoples, especially the critical intercultural dialogues between the cultures of the East and the West.

Takes an historical and ethnographic approach to studying the intermingling of Arab peoples and the West Demonstrates how cultural exchange between the East and West is a two way process Presents an anthropological perspective on issues such as religious fundamentalism the lives of women and children notions of violence and order **Violence and**

**Nonviolence** Peyman Vahabzadeh,2019-02-07 Through an original and close reading of the key literature regarding both revolutionary violence and nonviolence this book collapses the widely assumed concepts of violence and nonviolence as mutually exclusive By revealing that violence and nonviolence are braided concepts arising from human action Peyman Vahabzadeh submits that in many cases the actions deemed to be either violent or nonviolent might actually produce outcomes that are not essentially different Vahabzadeh offers a conceptual phenomenology of the key thinkers and theorists of both revolutionary violence and various approaches to nonviolence Arguing that violence is inseparable from civilizations Violence and Nonviolence concludes by making a number of original conceptualizations regarding the relationship between violence and nonviolence exploring the possibility of a nonviolent future and proposing to understand the relationship between the two concepts as concentric not opposites *Relentless Persistence* Philip McManus,Gerald W.

Schlabach,2004-12-30 In the face of enormous disparities of wealth and despite brutal repression Latin America is alive with movements for change Struggles for human rights community organization and political participation have enabled Latin Americans to assume their role as authors of their own history Relentless Persistence illustrates in human terms the vitality and diversity of these movements and their often astonishing results How did popular pressure in Uruguay drive the military dictatorship into retreat How are the indigenous people of Peru continuing their 450 year old tradition of resistance to subjugation and acculturation What are base community organizers doing to create real democracy in Chile In answering these questions Relentless Persistence gives us inspiring examples of human creativity and commitment explores the rich relationship between faith and politics and demonstrates the dynamic integration of reflection strategy and action that can lead to liberation Here are the stories of cement workers in Brazil who maintained militant nonviolence throughout a successful twelve year strike of four women whose hunger strike brought Bolivia to a standstill until tin miners rights were restored of Honduran peasants whose land occupations enable them to feed their families of the Argentinean Madres de Plaza de Mayo whose bold actions awakened the conscience of their nation Through case studies and personal testimonies Relentless Persistence offers both the fascination of remarkable success stories and a deeper understanding of how ordinary people can create dramatic change For North Americans conditioned to expect quick results Relentless Persistence provides perspective for the long haul a healthy antidote to easy discouragement It is above all a strength giving book full of moving examples of people acting with great determination and a profound joy of life **The Nonviolent Right To Vote**

**Movement Almanac** Helen L. Bevel,2012-06-22 This book contains the rich history of a people struggling to attain freedom justice and equality which is most defined by the Selma AL Right To Vote Movement From the shores of Africa to the

Americas this book explores the people through pictures articles quotes poems timelines and more Providing the history of nonviolence as applied to the Selma Movement from the unique perspective of the strategist and nonviolent scientist James L Bevel     Seeds of Peace William Henry Shannon,1996 William Shannon offers hope and answers to all of us who want peace in our personal lives our relationships and the world in which we live     Vasubandhu's "Three Natures" Ben Connelly,2022-11-08 In this book Ben Connelly shows the power of integrating early Buddhist psychology with the Mahayana emphasis on collective liberation You ll discover how wisdom from fourth century India can be harnessed to heal and transform systems of harm within ourselves and our communities The three natures svabhavas the imaginary dependent and complete realized natures are inherent aspects of all phenomena The imaginary nature of things is what we think they are Their dependent nature is that they appear to arise from countless conditions The complete realized nature is that they aren t as we imagine them to be things that can be grasped or pushed away The three natures form the backbone of Yogacara philosophy and by showing us how to see beyond our preconceived notions of ourselves and others beyond the things that we re convinced are true they open up a path to personal and communal healing Dive into this empowering approach to freedom from suffering from harmful personal and social patterns and to finding peace and joyfulness in the present     **Fides Et Historia** ,2002     *Together We Are One* Thich Nhat Hanh,2006-05-09 Based on four retreats that Zen Master Thich Nhat Hanh led specifically for people of color this book is for people of all colors backgrounds and experiences who have ever felt excluded or alienated or anyone concerned with issues of social justice Although *Together We Are One* is based on teachings given to Buddhist practitioners of color readers of all backgrounds and walks of life will find it an inspirational and practical guide In chapters focusing on honoring our ancestors developing understanding and compassion and seeing the world in terms of interbeing Nhat Hanh shows how meditation and the practice of looking deeply can help create a sense of wholeness and connectedness with others Chapters are interspersed with mindfulness practice exercises and the personal stories of skilled writers such as Larry Ward author of *Love s Garden* Sr Chan Khong author of *Learning True Love* and Rev Hilda Ryumon Gutierrez Baldoquin editor of *Dharma Color and Culture* about their discovery of a spiritual path their experience of finding balance overcoming obstacles in an unpredictable world and maintaining and sharing insights *Together We Are One* is a valuable addition to the unique expression of Buddhism in the West As in all his writings Thich Nhat Hanh does not suggest we replace traditional beliefs and customs with Buddhism but rather emphasizes that a mindful approach to daily life and interactions can help overcome misperception and separation so that we might honor and transcend our differences Nhat Hanh s primary focus highlights the basic how to s of Buddhist practice such as mindful walking and eating the practice of Looking Deeply and a never before published multicultural version of the Touching the Earth Ceremony making them accessible possibilities for a better everyday life A companion movie to the book featuring Thich Nhat Hanh s retreat can be found at [www.colorsofcompassionmovie.com](http://www.colorsofcompassionmovie.com)
