Matthew McMahon, 2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty      The Whole Works John Lightfoot, 1822      *The Whole Works of the Rev. *Silly Ghost Stories for Kids* Denis Hayes, 2013-08-23

The Ghosts that haunt Highfields Tower are spooky wild and fearsome but very entertaining In fact that is their job to scare and entertain the visitors The Reliable Ghost has become bored and boring He successfully decides to liven up his act The Absent Minded Ghost is headless and in trouble He usually carries his head tucked underneath his arm but when he puts it down he forgets where he left it The head can see but cant move and the body can move but cant see Their rows spill over into the Great Hall The Chained Woman doesnt sympathise at all with the Crying Lady until they form a double act They are so convincing as Ghosts that spectators think they are actors When they are shown that the Ghosts are real there is a panic The Necrodominator is a terrible Ghoul He doesnt just haunt he terrifies One day he goes too far and has to be found another job The Silent Lady haunts the Special Room She tempts those brave enough to stay in the room to follow her She always disappears through a door that was never there Calamity is a clumsy Ghost He cannot do ghostly things He scares no one until one day something unusual happens The Usurper just appears one day uninvited and unannounced Why he is there is a mystery until he fights to get attention and puts right what he thinks is wrong Then he disappears never to return The Invisible Ghost of course finds it difficult to convince anyone he is actually there because he is invisible He finds dramatic and startling ways to impress people The Adventures of the Man who walked through the Door that wasnt there tells the thrilling story of the man who did just that and finally found his way back after many dangerous encounters
