Hurting Circumstances Arise in the Lives of People Dr. Anniekie Ravhudzulo, 2019-08-22 The hurting and healing are the hopeless discouraged divorced widows and widowers children who still hurt due to their old wounds try to go through the motions of life with little ambition or motivation to do any better God is in charge of your seasons Don't take things personally because life is often a roller coaster ride of emotions Life is full of ups and downs and filled with a collection of unexpected surprises Behind your situation lies purpose Broken things become useful in God's time Life is Like a Puzzle Life is a like a test that you can fail if you don't do it right We can touch hearts of the hurting in different ways After a long winter spring eventually comes and with it new leaves appear on the trees in all their refreshing beauty Take care of your heart You are responsible for your heart because it is the engine of your life Pain is unavoidable and suffering is optional There is healing after hurt Your case is settled in heaven Concentrate on things you love Let go Let God Allow healing to take place Your case is settled in heaven Concentrate on things you love Let go Let God Allow healing to take place There is healing power of forgiveness We do not prolong our pain by continuing to focus on unforgiveness People differ in the sense that many can face life again despite emotional traumas while others remain stuck with either the healing or the hurting process for many years You cannot run before God Every person on earth lives out a unique script of hardship Wellness and fitness is wealth Each area of your life is connected to all the others Like a chain you are only as strong as your weakest link

You Can Overcome the Jealousites in Your Life KaShana Gallentine, 2011-02-11 What is a jealousite you might ask The term jealous means very watchful or careful in guarding or keeping resentfully suspicious of a rival or a rivals influence resentfully envious resulting from such feelings requiring exclusive loyalty An ite is a native inhabitant or citizen of a descendent from or offspring of an adherent of believer in or member of A jealousite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life even if its yourself So youve fallen into the pit of sin and jealousy and envy has a hold on you Is it to late for you or those in your territory or life who may be struggling with this sin The answer is no So many are stuck or at a stand still in life while others are watching enviously at those who are pursuing ahead We can no longer ignore this crisis for it affects our relationships on all levels Whether it be in your home in the workplace in your school in your church in your family in your friendships or in your nation Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God sized transformation If you are tired of living an average defeated self consumed and insecure life this book was designed with you in mind You dont have to sit back and watch others get to the finish line You can get in the race and finish your course also No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth You yes you are called to make a difference and a contribution in the lives of others This books message is a beckoning call for healing deliverance restoration and forgiveness to the broken hearted If youve been desiring to get ahead in life to advance beyond the pain sufferings and struggles youve been experiencing this is your time

In the Midst of Pain Juanita R. McNeil, 2012-10 The reason why I wrote this book is that I am hoping that I can reachout to others who are in pain and hopefully help them persevere and cope through life s toughest battles I want to encourage people who are in some type of pain in hopes that I can help them recover from it Now the first four chapters of this book is about my life as a child growing up in a vicious atmosphere and how this same vicious cycle always seems to repeat itself This vicious cycle grew with me into my adulthood This book also contains what reality is like for me and how it is for others Reality is very different for each individual and each individual deals with it differently I will also tell you about how I dealt with the pain and how others can learn to deal with it too Now if there is someone out there who is in despair and thinks that death is the only answer to all their pain well please I hope that you will continue to read this book I do pray that it will help you or help you deal with someone you know who thinks that death is the only answer Believe me when I say that death is not the answer because it s not So my purpose of my book is to help you change your perspective on life in THE MIDST OF PAIN But it is only now that I have come to realize that after enduring some serious traumas in my life life is good after all and it is such a blessing to live for God Just think how life can bring you understanding on how to use your pain as an opportunity to help others in need who are right in the middle of a crisis Just when you think you can t handle no more and that you feel like you are at the end of your rope that is when God shows up and God will show off his blessings in your life Please believe me when I say that this is the most beautiful and wonderful

feeling to ever have No one can make you feel as good as God does Now not only will God make you feel good but he will also change your life to the good All you have to do is just reach out and take his hand because he is waiting for you This book is based on the facts and the truth about my life Now through the pain that I have endured I have gained some insight for the purpose of my book I am blessed to say that this book has changed my life and I am in hopes that it will help change other people s lives too The more I read my own book the more I learn from it I do hope that it will do the same for you too for it is my desire to help all those who are in need of an answer May God bless you as you read this book

Theology of the Pain of God Kazoh Kitamori,2005-06-10 Until the twentieth century the Western world formulated most Christian theology Fully grounded in this tradition Kazoh Kitamori demonstrates its limitations and problems from a Japanese point of view and suggests a fresh approach to the biblical message Dr Katamori has developed the rst original theology from the East The gospel is the gospel of the cross he says God loves the objects of his wrath What is revealed in the cross is neither the wrath of God alone nor the love of God alone but the synthesis of the two The author s purpose is to clarify this synthesis identi ed as the pain of God By the theology of the pain of God he means the theology of love rooted in the pain of God He brings a new interpretation to this central theme of the Christian faith Today Christian thinkers are calling for an ecumenical theology By helping to renew the faith even as he seeks to reformulate it in non Western terms Dr Kitamori takes an important step toward expanding the dialogue between Christians of the East and West

you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass
