

A photograph of a sunset over a dark, grassy field. The sun is a bright orange orb on the horizon, with its light reflecting on the water in the distance. The sky is filled with soft, orange and pink clouds. A white, hand-drawn style oval frame encircles the sun. The text "SEEK HIS FACE" is written in white, bold, sans-serif capital letters across the middle of the image, partially overlapping the oval frame and the horizon.

Mason, William Mason, 1861 **A PROPHECY for the UNITED STATES** James Tarter, 2010-04-09 Many Christians have wondered why there is no prophecy about the United States in the Bible because it prophesies much about the world today In this book we can see clearly that God prophesies about the U S in Obadiah as the nation approaches choosing decisively for or against Jesus Obadiah reveals two alternative futures one will be chosen which will also reject the other One future is gross sin and a resulting just judgment of being destroyed forever from being a people The other future is a wonderful transformation of the U S by joining itself to Christ Jesus as one of His national disciples As the Bible shows believers in Jesus within a land prepare or fail to prepare the U S or any nation to make the good choice This book duplicates God s Word to the United States don t buy both God s Just Judgment of a Nation is a less specific picture that comes from a bigger Scripture all 12 Minor Prophets Topical Analysis of the Bible Walter A. Tarter,2005-03-03 The Bible shows God's plan to work through the Body of Christ to heal people and even whole nations God gives His plan especially in Ephesians John 2Chron 7 13 14 and Romans 8 Every nation today is sick because the Church there has not yet followed His plan which goes far beyond our imaginations or anything that has been accomplished up to now Nevertheless Ephesians shows God's commitment to fulfill His plan This book shows all these things specifically including how the Body of Christ is to heal nations and deliver people from moral corruption through Jesus Christ This book also shows the Bible's strategy for individual believers in Jesus to help the whole Body of Christ go far beyond all that it has done up to now A STUDY GUIDE TO GRACE FOR LIVING Adedayo Ekundayo,2013-10-03 I thank God for the Spirit of Grace and supplication I rejoice in His glory and grace I have a little strength but the grace of God strengthens me Tried to

Thinking Through the Problem of Hell R. Zachary Manis,2024-08-27 The Christian tradition teaches that some people will suffer eternally in hell But why Doesn t an all powerful God have the ability to prevent this from happening to anyone Wouldn t a perfectly good and loving God want to prevent it And doesn t the traditional teaching about hell function as a threat coercing those who truly believe it These questions convey the problem of hell the most disturbing of all theological problems and one of the most difficult to solve Thinking Through the Problem of Hell is a rigorous yet accessible treatment of the issue The solution that it develops called the divine presence model is that heaven and hell are the various ways that the righteous and the wicked experience the presence of God after the final judgment In its fully developed form the divine presence model addresses a whole host of theological issues the purpose of suffering the meaning of salvation the nature of free will and self deception and the reason that God remains partially hidden in this life even to those who earnestly seek Him This is a book for those who refuse pat simplistic answers to the hardest questions of the Christian faith
