This issue of *The Ministry of the Word* contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on October 8 10 2021. The messages were provided via webcast from Anaheim California and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that participated. The general subject of this series of messages is Meeting God's Need and Present Needs in the Lord's Recovery. We must see that God has His need. No matter what our human needs or the churches needs are, God's need is much greater. To see God's need we need to realize that God has a will, a good pleasure which is His heart's desire, God's good pleasure that which makes Him happy is the fulfillment of His eternal purpose to have His eternal habitation for His eternal expression. In order for His will to be done on earth and for His eternal purpose to be fulfilled, God needs our cooperation. He has placed His almighty power under the limitation of the human will; hence only when He has gained a people who will cooperate with Him by being totally responsive to Him will He have an unhindered way to accomplish His will. God also needs to recover the earth from His enemy by man's dealing with Satan and subduing and conquering the rebellious earth. Moreover, God needs the family of Noah to build the church as today's ark to terminate the present crooked and perverted age and bring in God's kingdom. God needs the man-child, the overcomers in the church as His dispensational instrument for His greatest dispensational move to end the age and bring in His kingdom. To be constituted as overcomers we must realize that through regeneration we have been made a new creation. As such we need to walk in newness of life to serve in newness of spirit and to be renewed daily. Furthermore we daily need to labor on the all inclusive Christ as the good land by seeking and enjoying Christ in every situation. Especially as elders and responsible ones we should enter into Christ's wonderful shepherding in His heavenly ministry by enjoying and ministering Christ to shepherd the church of God as a slave of God. In meeting the Lord's need, prayer is our most direct and intimate cooperation with Him. Prayer is to absorb the elements of the soil of Christ as the good land and to express what God has spoken within us by our contacting and fellowshiping with Him. The best prayer is to pray to God as a friend as portrayed in Abraham's glorious intercession, his intimate conversation with God. This kind of intercession expresses God's desire and carries out His will. The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe.

[Poems by Divine Appointment](#)

Dorothy Turner, 2019-09-24. Poems by Divine Appointment are poems with purpose. They were written to inspire and to stir up your spirit. You will find some of these poems are quite long while others are very short. Nevertheless each poem has a message that's clear and get straight to the point leaving nothing to the imagination. These poems are power packed and I hope every reader will experience the presence of God through reading these poems. Yes, Poems by Divine Appointment are

mine but they came from God's creative mind Now allow me to give you a little peek inside of the book with this poem What's

what they see Don't be disturbed by what you see It's just the beginning of what it's going to be I've seen deep in the sea

Sawyer, 2013-05-28 The phenomenon of sacred text has undergone radical deconstruction in recent times reflecting how
religion has broken out of its traditional definitions and practices and how current literary theories have influenced texts
inside the religious domain and beyond Reading Spiritualities presents both commentary and vivid examples of this evolution
engaging with a variety of reading practices that work with traditional texts and those that extend the notion of text itself
The contributors draw on a range of textual sites such as an interview Caribbean literature drama and jazz women's writings
emerging church blogs Neopagan websites the reading practices of Buddhist nuns empirical studies on the reading
experiences of Gujarati Christian and post-Christian women Chicana short stories the mosque cinema modern art and

contemporary religious and spiritual contexts and make room for readings where the spiritual resides not only in the textual
