[The Reform of Christian Doctrine in the Catechisms of Peter Canisius](#) Thomas Flowers, S.J., 2023-07-03 The catechisms of Peter Canisius reveal the contours of the struggle within the Catholic Church to reframe Christian identity in response to the Protestant Reformation Canisius published his first catechism in 1555 and immediately achieved phenomenal publishing success Yet his catechisms received neither endorsement nor approbation from Rome

Canisius's catechesis proposed a confident vision of Christian identity grounded in the practice of Catholic piety. The Roman Curia increasingly conceived of catechesis as a defensive bulwark against Protestant assault. Although Canisius's catechisms often appear in scholarship as representatives of a combative post-Reformation style of defending Catholic orthodoxy, the combat in which they actually engaged was internal to the Catholic Church over how to reframe post-Reformation Catholic identity.

This book is a translation of J. G. Bougerol's research and positions this in relation to recent post-doctoral studies of the *Summa Halensis* from King's College London. It identifies literary aspects of religious fears in medieval and nineteenth-century theology as both a New Testament and a scholastic problem. Academically trained preachers in European culture are viewed through the lens of dynamic community language and Franciscan initiatives for confident peace-seeking theology are mapped out in detail.

A Series of Lectures Particularly Adapted to Young People Enoch Mudge, 1836 *Sermons On Selected Lessons Of The New Testament* St. Augustine of Hippo, 2012

This is the extended and annotated edition including an extensive biographical annotation about the author and his life. The Sermons of St. Augustine, besides their other excellencies, furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church, adapting itself to the little ones of Christ. In them, he who has furnished the mould for all the most thoughtful minds for fourteen hundred years is seen forming with loving tenderness the babes in Christ. Very touching is the child-like simplicity with which he gradually leads them through what to them were difficulties, watching all the while whether he made himself clear to them, keeping up their attention, pleased at their understanding, dreading their approbation, and leading them off from himself to some practical result. Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities, and for those in secular life if they will not make their infirmities their boast, or in allowed duties and indulgences forget God. But his very simplicity precludes the necessity of any preface. His Sermons explain themselves. They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers, as were those of St. Chrysostom. Possidius states that this was done from the commencement of his presbyterate, and that thence, through the body of Africa, excellent doctrine and the most sweet savour of Christ was diffused, and made manifest the Church of God beyond seas when it heard thereof, partaking of the joy.

Finding God's Will Colin Hamer, 2010-08-09

Can anything be more important in this life than knowing God's will and doing it? Nonetheless, large numbers of Christians are confused about this very thing. Why is this? You believe your Bible. You accept that it is the final authority on all matters pertaining to your life of faith. God's voice is certainly and surely there on every page. But is God's voice also heard elsewhere? You fail to get into university despite several attempts. Is God telling you something? You are invited to a meeting and the preacher speaks

movingly about being a missionary something that has been on your mind is God speaking to you Is guidance to be found in miraculous spiritual gifts Can we find direction for our life decisions in the signs and wonders of the apostolic age a tongue or prophecy just for us This book gives Scriptural answers to all these questions Children's Liturgy of the Word
 2014-2015 Maureen A. Kelly,2014-04-01 Children s Liturgy of the Word provides prayer leaders with everything they need to lead children in a prayerful celebration of the Word Closely following the structure of the liturgy celebrated in the main assembly this resource invites children to experience God s presence in the liturgy Why Are You Hiding, God? D. L. Seeker,2021-06-18 God why are you hiding You created me in this beautiful world and gave me five senses to explore it with but I can t find you with any of the five senses you gave me Trying to communicate with you is like using a sixth sense that I don t know how to use One day I just popped into this world and I can t see how it began and I can t see beyond death but I still believe someone beyond comprehension had to create this amazing world and me You must want me to find you please show me how I want your love more than I want anyone or anything else *Map of Life* F. J. Sheed,1994-03-01 Considered one of Frank Sheed s best books A Map of Life is also regarded as one of the best and most popular short summaries of the Catholic faith ever written Focusing on the major truths of our existence and purpose in life Sheed draws on God s revelation to show what the divine master plan is for us and how each part of the plan is related Beginning with The Problem of Life s Purpose and The Problem of Life s Laws he covers such important parts of the map of life as The Creation and Fall The Incarnation The Mystical Body The Trinity Law and Sin The Supernatural Life and Heaven Purgatory Hell **Defense of the Faith and the Saints** B.H. Roberts,2018-05-15 Reproduction of the original Defense of the Faith and the Saints by B H Roberts **The Month** ,1886 **Nicene and Post-Nicene Fathers** Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author s personal agenda or bias Also included in this volume are a selection of Augustines sermons
