Seeking The Blessed Community A History Of Canadian Young Friends 18751996:

Historical Dictionary of the Friends (Quakers) Margery Post Abbott, Mary Ellen Chijioke, Pink Dandelion, John William Oliver, 2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the *Historical Dictionary of the Friends Quakers* relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

Quaker History, 1999 *Crisis of Conscience* Amy J. Shaw, 2009-07-01 The First World War s appalling death toll and the need for a sense of equality of sacrifice on the home front led to Canada s first experience of overseas conscription While historians have focused on resistance to enforced military service in Quebec this has obscured the important role of those who saw military service as incompatible with their religious or ethical beliefs *Crisis of Conscience* is the first and only book about the Canadian pacifists who refused to fight in the Great War The experience of these conscientious objectors offers insight into evolving attitudes about the rights and responsibilities of citizenship during a key period of Canadian nation building

Come, Bright Improvement! Heather Murray, 2002-01-01 The forerunner of today s book clubs nineteenth century literary societies provided a lively social and intellectual forum where people could gather and discuss books cultural affairs and current events In *Come bright Improvement* Heather Murray explores the literary societies of Ontario between 1820 and 1900 some of which are still in existence today and examines the extent to which they mirrored or challenged contemporary social political and intellectual trends Based on a wealth of original research with periodicals and local archival materials Murray traces the evolution from early political and debating clubs to more dedicated literary and cultural societies such as Shakespeare or Browning groups Many people formed literary societies including workers women Black fugitives and members of religious denominations such as Quakers and Methodists Murray studies the societies in detail exploring everything from the reading materials they favoured to the other kinds of social and civic activities in which they participated Of additional interest to scholars of book history is the book s resource
