eat of it so I did In the fall of Adam he became a blame deflecting narcissist Shame was introduced into paradise Out of his shame Adam took no accountability or responsibility for eating the forbidden fruit Instead he put the blame on Eve then Eve passed the buck to the Serpent Satan The devil made me do it excuse The Serpent Satan knew that he d won this first round Adam held Eve out in front of him as a shield or excuse This story line has continued on varying levels ever since Satan was the original malignant narcissist caring only about manipulation control deception lies gas lighting and destruction as he tries to take the power of God for himself Satan Narcissists are full of shame The shame of envy lies and sin Satan s goal out of his envy is to try and usurp God by perverting and destroying God s most precious and prized creation that of the human being and what better way to do this but in the romantic male female relationship Genesis 1 27 KJV So God created man in his own image in the image of God created he him male and female created he them The Serpent Satan began first thing to tarnish love peace purity bliss and joy in the male female God created connection In each and every male female connection there will be three Man woman and Satan or male female and God And of course it extrapolates out from there into the world into each and every relationship on earth There will always aspects of good and evil It only depends on the spectrum and degree of good or evil in each person in any given time as it magnifies into each relationship Along with the awareness of self either to step into self reflection and healing or to fall further and deeper into separation from self into sin and shame God s creation of Adam and Eve necessitated a maturation process as well as a process for salvation Why do we attract to those that we do and why do they attract to us This is one of life s greatest mysteries Patterns of romance selection are guided by complex internal interweavings Perhaps the attraction is to those who carry the energy needed to become more aware of imprints negative beliefs in order to heal and further expand our soul The highest of the male energy protects provides and heals The lowest of the male energy predator like destroys and steals Ayn Dillard By understanding her ways he comes to know the mystery of his heart By sharing love with her he discovers how to love the world In the merging of the two she awakens his masculinity to receive the beauty of the feminine He becomes her strength She becomes his weakness this is truest and most profound exchange of power      *Gender, Sexuality, and Space Culture* Kat Deerfield, 2019-08-28 *Gender Sexuality and Space Culture* explores how traditional ideologies of gender and sexuality have influenced the culture of space travel The time since humans first began exploring outer space has been marked by both great technological development and great social upheaval Yet while the rapid technological advancement of the mid to late twentieth century made human spaceflight a reality the field has shown some resistance to cultural change over the same period Ideas about the body in space and the future of humanity are at the core of the development of human spaceflight This book examines how these have been constructed as specifically a male body and a heterosexual future These presumptive norms are not unusual but this book argues that the unique attributes of outer space can be productively used in advancing theories of culture beyond the extra terrestrial
