genealogical tables lists of officials chronologies diagrams graphs and maps **Globalizing Confederation** Jacqueline Krikorian, Marcel Martel, Adrian Shubert, 2017-11-29 Globalizing Confederation brings together original research from 17 scholars to provide an international perspective on Canada's Confederation in 1867 In seeking to ascertain how others understood constructed or considered the changes taking place in British North America Globalizing Confederation unpacks a range of viewpoints including those from foreign governments British colonies and Indigenous peoples Exploring perspectives from the Austro Hungarian Empire France Latin America New Zealand and the Vatican among others as well as considering the impact of Confederation on the rights of Indigenous peoples during this period the contributors to this collection present how Canada's Confederation captured the imaginations of people around the world in the 1860s Globalizing Confederation reveals how some viewed the 1867 changes to Canada as part of a reorganization of the British Empire while others contextualized it in the literature on colonization more broadly while still others framed the event as part of a re alignment or power shift among the Spanish French and British empires While many people showed interest in the Confederation debates others such as South Africa and the West Indies expressed little interest in the establishment of Canada until it had profound effects on their corners of the global political landscape **Imperialism and World Politics** Parker Thomas Moon, 1926 The Oxford Handbook of the History of Eugenics Alison Bashford, Philippa Levine, 2010-08-03 Eugenic thought and practice swept the world from the late nineteenth to the mid twentieth century in a remarkable transnational phenomenon Eugenics informed social and scientific policy across the political spectrum from liberal welfare measures in emerging social democratic states to feminist ambitions for birth control from public health campaigns to totalitarian dreams of the perfectibility of man This book dispels for uninitiated readers the automatic and apparently exclusive link between eugenics and the Holocaust It is the first world history of eugenics and an indispensable core text for both teaching and research Eugenics has accumulated generations of interest as experts attempted to connect biology human capacity and policy In the past and the present eugenics speaks to questions of race class gender and sex evolution governance nationalism disability and the social implications of science In the current climate in which the human genome project stem cell research and new reproductive technologies have proven so controversial the history of eugenics has much to teach us about the relationship between scientific research technology and human ethical decision making **European Imperialism and the Partition of Africa** Ernest Francis Penrose, 2012-11-12 This volume seeks to explain the European partition of Africa between 1880 1900 A Commonwealth of Knowledge Saul Dubow, 2006-10-19 This is the first full study of the relationship of knowledge to national identity formation in modern South Africa It explores how the cultivation of knowledge served to support white political ascendancy and claims to nationhood Elegantly written and wide ranging the book addresses major themes in both South African and comparative imperial historiography Journal of the Royal United Service Institution , 1924 The Customs Union Issue Jacob Viner, 2014-01-03 Jacob Viner's The Customs Union Issue was

originally published in 1950 by the Carnegie Endowment for International Peace. It set the framework for the contemporary debate over the benefits or otherwise of preferential trading agreements such as the European Union, NAFTA and APEC. Viner developed the concepts of trade creation and diversion in this work as he pioneered the analysis of the global politics of trade agreements. This revival of Viner's classic work includes an introduction that places this book in the context of his own intellectual development and the economic and political situation of the post WWII world. The introduction also traces the reception of Viner's work and discusses its continuing relevance for international economists, political scientists and historians.
