Media Laboratories Sarah Ann Wells, 2017-02-15 Winner LASA Best Book Published in 2017 Southern Cone Section Humanities category Media Laboratories explores a pivotal time for South American literature of the 1930s and 40s Cinema radio and the typewriter once seen as promising catalysts for new kinds of writing began to be challenged by authors workers and the public What happens when media no longer seem novel and potentially democratic but rather consolidated and dominant Moving among authors from Brazil Argentina and Uruguay and among the genres of fiction the essay popular journalism and experimental little magazines Sarah Ann Wells shows how writers on the periphery of global modernity were fashioning alternative approaches to these media Analyzing authors such as Clarice Lispector Jorge Luis Borges and Felisberto Hernandez along with their lesser known contemporaries Media Laboratories casts a wide net from spectators of Hollywood and Soviet montage films to inventors of imaginary media to proletarian typists who embodied the machine human encounters of the period The text navigates contemporary scholarly and popular debates about the relationship of literature to technological innovation media archaeology sound studies populism and global modernisms Ultimately Wells underscores a question that remains relevant what possibilities emerge when the enthusiasm for new media has been replaced by anxiety over their potentially pernicious effects in a globalizing yet vastly unequal world

Myths & Texts Gary Snyder, 2013-08-10 Gary Snyder's second collection Myths Texts was originally published in 1960 by Totem Press It is now reissued by New Directions in this completely revised format with an introduction by the author The three sequences in the book Logging Hunting Burning show the remarkable

cohesiveness in Snyder's writings over the years for we find the poet absorbed then as now with Buddhist and Amerindian lore and other interconnections East and West but above all with the premedical devotion to the land and work **Zen and the Birds of Appetite** Thomas Merton, 1968 Merton one of the rare Western thinkers able to feel at home in the philosophies of the East made the wisdom of Asia available to Westerners *A Draft of XXX Cantos* Ezra Pound, 1990 The Cantos have been called Ezra Pound's intellectual diary composed over the course of sixty years Long out of print as a separate volume it was originally published in 1933 this epic of nine groupings of poems is now being issued as a New Directions Paperbook *Clothes for a Summer Hotel* Tennessee Williams, 2015-12-18 This late play by Tennessee Williams explores the troubled relationship between F Scott and Zelda Fitzgerald The late Tennessee Williams's *Clothes for a Summer Hotel* made its New York debut in 1980 Here Scott and Zelda Fitzgerald often seen as symbols of the doomed youth of the jazz age become two halves of a single creative psyche each part alternately feeding and then devouring the other Set in Highland Hospital near Asheville North Carolina where Zelda spent her last confinement this ghost play begins several years after Scott's death of a heart attack in California But the past is still always present in Zelda and Williams's constant shifting of chronology and mixing of remembrance with ghostly re-enactment suggest that our real intimacy is with the shadow characters of our own minds As Williams said in the Author's Note to the Broadway production Our reason for taking extraordinary license with time and place is that in an asylum and on its grounds liberties of this kind are quite prevalent and also these liberties allow us to explore in more depth what we believe is truth of character Williams poses the inevitable unanswerable questions Did Scott prevent Zelda from achieving an independent creativity Did Zelda's demands force Scott to squander his talents and turn to alcohol Whose betrayal emotional creative sexual destroyed the other But he poses these questions in a new way in the act of creation Zelda and Scott are now aware of their eventual destruction and the creative fire that consumed two artists combines symbolically with the fire that ended Zelda's life **The Notebook of Trigorin** Tennessee Williams, 2015-10-17 Tennessee Williams freely adapts Anton Chekhov's Russian classic *The Seagull* From the master twentieth century playwright Tennessee Williams an adaptation of Chekhov's *The Sea Gull* never before available to the general trade *The Notebook of Trigorin* is faithful to Chekhov's story of longing and unrequited love Set on a provincial Russian Estate its peaceful environs offer stark contrast to the turbulent lives of its characters Constantine a young writer must compete for the attention of his mother a self-obsessed often comical aging actress Madame Arkadina and his romantic ideal Nina His rival for both women is Trigorin an established author bound to Arkadina by her patronage of his work and attracted to Nina by her beauty Trigorin cannot keep himself from consuming everything of value in Constantine's life Only in the final scenes do all discover that the price for love and fragility can be horribly high But if the words in *The Notebook of Trigorin* are essentially Chekhov's the voice belongs firmly to Tennessee Williams The dialogue resonates with echoes of the themes Williams developed as his signature's compassion for the artistic soul and its vulnerability in the face of the world's

successfully practiced duplicity Act I **The Two-Character Play** Tennessee Williams, 2016-02-16 A classic play by Tennessee Williams in a definitive author approved edition Reality and fantasy are interwoven with terrifying power as two actors on tour brother and sister find themselves deserted by the trope in a decrepit state theatre in an unknown state Faced perhaps by an audience expecting a performance they enact The Two Character Play an illusions within an illusion and out cry from isolation panic and fear I think it is my most beautiful play since Streetcar Tennessee Williams said and I ve never stopped working on it It is a cri de coeur but then all creative work all life in a sense is a cri de coeur In the course of its evolution several earlier versions of The Two Character Play have been produced The first of them was presented in 1967 in London and Chicago and brought out in 1969 by New Directions in a signed limited edition The next staged in 1973 in New York under the title Out Cry was published by New Directions in 1973 The third version New York 1975 again titled The Two Character Play is the one Tennessee Williams wished to include in New Directions The Theatre of Tennessee Williams series It is this version which is presented in this ND paperback *A Lovely Sunday for Creve Coeur* Tennessee Williams, 2015-10-04 In this masterful play Tennessee Williams explores the meaning of loneliness and the need for human connection through the lens of four women and the designs and desires they harbor for themselves and for each other It is a warm June morning in the West End of St Louis in the mid thirties a lovely Sunday for a picnic at Creve Coeur Lake But Dorothea one of Tennessee Williams s most engaging marginally youthful forever hopeful Southern belles is home waiting for a phone call from the principal of the high school where she teaches civics the man she expects to fulfill her deferred dreams of romance and matrimony Williams s unerring dialogue reveals each of the four characters of *A Lovely Sunday for Creve Coeur* with precision and clarity Dorothea who does even her setting up exercises with poignant flutters Bodey her German roommate who wants to pair Dotty with her beer drinking twin Buddy thereby assuring nieces nephews and a family for both herself and Dotty Helena a fellow teacher with the eyes of a predatory bird who would like to rescue Dotty from her vulgar common surroundings and substitute an elegant but sterile spinster life and Miss Gluck a newly orphaned and distraught neighbor whom Bodey comforts with coffee and crullers while Helena mocks them both Focusing on one morning and one encounter of four women Williams once again skillfully explores with comic irony and great tenderness the meaning of loneliness the need for human connection as well as the inevitable compromises one must make to get through the long run of life One Hundred More Poems from the Chinese , 2014-04-10 An assemblage of delicate Chinese verse which delicately explore the worlds of love nature and meditation Love and the Turning Year includes a selection from the Yueh Fu folk songs from the Six Dynasties Period fourth fifth centuries A D Most of the songs are simple erotic lyrics Some are attributed to legendary courtesans while others may have been sung at harvest festivals or marriage celebrations In addition to the folk songs Rexroth offers a wide sampling of Chinese verse works by 60 different poets from the third century to our own time Rexroth always translated Chinese poetry as he said solely to please myself And he created with remarkable success English

versions which stand as poems in their own right **Love and the Turning Year** Kenneth Rexroth,1970 An assemblage of delicate Chinese verse which delicately explore the worlds of love nature and meditation *The Cosmological Eye* Henry Miller,2013-10-15 This collection first published by New Directions in 1939 contains a number of Henry Miller s most important shorter prose writings They are taken from the Paris books *Black Spring* 1936 and *Max and the White Phagocytes* 1938 and were for the most part written at about the satire time as *Tropic of Capricorn* the period of Miller s and Durrell s life in the famous Villa Seurat in Paris As is usual with Miller these pieces cannot be tagged with the label of any given literary category The unforgettable portrait of Max the Paris drifter and the probably autobiographical *Tailor Shop* are basically short stories but even here the irrepressible vitality of Miller s personality keeps breaking into the narrative And in the critical and philosophical essays the prose poems and surrealist fantasies the travel sketches and scenarios Miller s passion for fiction for telling the endless story of his extraordinary life cannot be held down Life as no other modern author has lived it or can write it bursts from these pages the life of the mind and the body of people places and things of ideas and the imagination **The Cannibal** John Hawkes,2013-07-25 The *Cannibal* was John Hawkes s first novel published in 1949 No synopsis conveys the quality of this now famous novel about an hallucinated Germany in collapse after World War II John Hawkes in his search for a means to transcend outworn modes of fictional realism has discovered a a highly original technique for objectifying the perennial degradation of mankind within a context of fantasy Nowhere has the nightmare of human terror and the deracinated sensibility been more consciously analyzed than in *The Cannibal* Yet one is aware throughout that such analysis proceeds only in terms of a resolutely committed humanism Hayden Carruth **The Death of a Beekeeper: Novel** Lars Gustafsson,2017-05-09 The celebrated Swedish author s American debut *The Death of a Beekeeper* is a gentle courageous and sometimes comic meditation on living with pain In the beginning of the winter thaw Lars Lennart Westin has learned that he has cancer and will not live through spring Told through the journals of this schoolteacher turned apiarist *The Death of a Beekeeper* is his gentle courageous and sometimes comic meditation on living with pain Westin has refused to surrender the time left him to the impersonation of a hospital preferring to take his fate upon himself to continue solitary reflective life in the Swedish countryside I took little walks and noticed that in the last months the pain had actually colored the landscape in a peculiar way Here and there is a tree where it really hurt here and there is a fence against whose post I struck my hand in passing His inner landscape is also re forming This constant concern with an indefinite dangerous secret in one s own body this feeling that some dramatic change is taking place without one s being able to have any clarity about what really is reminds me of prepuberty I even recognize this gentle feeling of shame again The relentlessly intimate burning in his gut provides a point of psychic detachment rendering his survival a unique art form whose level of difficulty is so high that no one exists who can practice it Yet he insists We begin again We never give up **Soulstorm** Clarice Lispector,1989 The twenty none stories in *Soulstorm* were originally published in two separate

volumes in 1974 *A Via Crucis do Corpo* *The Stations of the Body* and *Onde Estivestes de Noite* *Where You Were at Night* and are now combined and sensitively translated into English by Alexis Levitan **Reluctant Gravities** Rosmarie Waldrop, 1999
As the author herself says she cultivates cuts discontinuity leaps shifts of reference in an attempt to compensate for the lack of margin where verse would turn toward the white of the page toward what is not
