Marriage Hearse A Novel:

The Marriage Hearse Larry Duberstein, 1983 The Marriage Hearse Larry Duberstein, 1988-05-01 Maurice Locksley tries to be fair to his wife ex wife and lover but the complexity of the task forces him to reexamine his life **Literature Suppressed on Sexual Grounds** Dawn B. Sova, 2006 Literature Suppressed on Social Grounds Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths challenged widely held assumptions or contained ideas or language unacceptable to a state religious institution or private moral watchdog The entries new to this edition include the Captain Underpants series We All Fall Down by Robert Cormier and Jake and Honeybunch Go to Heaven by Margaret Zemach Also included are updates to the censorship histories of such books as To Kill a Mockingbird and Of Mice and Men **Disorienting Fiction** James Buzard, 2009-01-10 This book gives an ambitious revisionist account of the nineteenth century British novel and its role in the complex historical process that ultimately gave rise to modern anthropology's concept of culture and its accredited researcher the Participant Observer Buzard reads the great nineteenth century novels of Charles Dickens Charlotte Brontë George Eliot and others as metropolitan autoethnographies that began to exercise and test the ethnographic imagination decades in advance of formal modern ethnography and that did so while focusing on Western European rather than on distant Oriental subjects Disorienting Fiction shows how English Victorian novels appropriated and anglicized an autoethnographic mode of fiction developed early in the nineteenth century by the Irish authors of the National Tale and most influentially by Walter Scott Buzard demonstrates that whereas the fiction of these non English British subjects devoted itself to describing and defending but also inventing the cultural autonomy of peripheral regions the English novels that followed them worked to imagine limited and mappable versions of English or British culture in reaction against the potential evacuation of cultural distinctiveness threatened by Britain's own commercial and imperial expansion These latter novels attempted to forestall the self incurred liabilities of a nation whose unprecedented reach and power tempted it to universalize and export its own customs to treat them as simply equivalent to a globally applicable civilization For many Victorian novelists a nation facing the prospect of being able to go and to exercise its influence just about anywhere in the world also faced the danger of turning itself into a cultural nowhere The complex autoethnographic work of nineteenth century British novels was thus a labor to disorient or de globalize British national imaginings and novelists mobilized and freighted with new significance some basic elements of prose narrative in their efforts to write British culture into being Sure to provoke debate this book offers a commanding reassessment of a major moment in the history of British literature **The Contemporary Novel and the City** S. Khanna, 2015-12-04 This book examines the deeply divided terrain of the twentieth century city and its formative impact on narrative fiction It focuses on two major world authors at the two ends of the twentieth century who write systematically about the colonial and postcolonial cities they were born in James Joyce and Dublin and Salman Rushdie and Bombay

Peril and Protection in British Courtship Novels Geri Chavis,2020-10-07 Peril and Protection in British Courtship Novels A Study in Continuity and Change explores the use and context of danger safety language in British courtship novels published between 1719 and 1920 The term courtship novel encompasses works focusing on both female and male protagonists journeys toward marriage as well as those reflecting the intertwined nature of comic courtship and tragic seduction scenarios Through careful tracking of peril and protection terms and imagery within the works of widely read influential authors Professor Chavis provides a fresh view of the complex ways that the British novel has both maintained the status quo and embodied cultural change Lucid discussions of each novel arranged in chronological order shed new light on major characters preoccupations values internal struggles and inter actional styles and demonstrate the ways in which gender ideology and social norms governing male female relationships were not only perpetuated but also

challenged and satirized during the course of the British novel's development. Blending close textual analysis with historical, cultural, and feminist criticism, this multifaceted study invites readers to look with both a microscopic lens at the nuances of figurative and literal language and a telescopic lens at the ways in which modifications to views of masculinity and femininity and interactions within the courtship arena inform the novel genre's evolution. **The Publishers Weekly**, 2000. The Novels of Tobias Smollett ... Viz. Roderick Random, Peregrine Pickle, and Humphry Clinker, (Count Fathom, Sir Launcelot Greaves, and the Translation of Cervantes's Don Quixote) Tobias Smollett, 1821. The novels of Tobias Smollett. To which is prefixed, a memoir of the life of the author [by sir W. Scott] Tobias George [novels] Smollett, 1821. The Day the Bozarts Died Larry Duberstein, 2006. **The Melancholy Man** John Lucas, 2016-07-22. First published in 1980, this book surveys Dickens growing power to drive deep into the causes of his contemporary conditions. It reveals the importance of nature to Dickens as a rich metaphor of human freedom and potentiality and emphasises his concern with time and the problems of freedom. The author considers the peculiarity of Dickens being unanimously acclaimed as a great writer, considering the difficulty in placing him definitively within the literary tradition. The author argues Dickens was an isolated figure indifferent to changing fashions and with a strong sense of the dignity of human nature and that this formed the basis of his character and writings.
