On Watch A Memoir:

On Watch Elmo R. Zumwalt, 1976 The former Chief of Naval Operations recounts his overhauling of naval practices dress and forces his view of America's international role and his frequently unsatisfactory relationships with Nixon Kissinger and other Nixon administration officials Glossary **Quarterdeck and Bridge** James C Bradford, 2013-01-15 This superb collection of biographical essays tells the story of the U S Navy through the lives of the officers who forged its traditions The essayists are leading naval historians who assess the careers of these men and their impact on the naval service from the Continental Navy of the American Revolution to the nuclear Navy of the Cold War **Henry Kissinger The Complete Memoirs E-book Boxed Set** Henry Kissinger, 2013-09-24 This ebook boxed set includes 3 complete memoirs of Henry Kissinger detailing his life and work White House Years One of the most important books to come out of the Nixon Administration White House Years covers Henry Kissinger's first four years 1969-1973 as Assistant to the President for National Security Affairs Years of Upheaval This second volume of Henry Kissinger's monumental memoirs covers his years as President Richard Nixon's Secretary of State 1972-1974 including the ending of the Vietnam War the 1973 Middle East War and oil embargo Watergate and Nixon's resignation Years of Upheaval opens with Dr Kissinger being appointed Secretary of State Years of Renewal This third and final volume of memoirs completes a major work of contemporary history The third final volume begins with the resignation of Nixon and takes the reader through the years of Ford's administration in which Kissinger continued to play a decisive role Years of Renewal is the triumphant conclusion of a major achievement and a book that will stand the test of time as a historical document of the first rank **On Watch** Elmo R. Zumwalt (Jr.), 1977 **Melvin Laird and the Foundation of the Post-Vietnam Military, 1969-1973** Richard A. Hunt, 2015 This biography examines the former Congressman Melvin Laird's efforts to reconstitute the Department of Defense during the last years of the Vietnam war **Melvin Laird and the Foundation of the Post-Vietnam Military, 1969-1973** Richard A. Hunt, 2015 Examines the former Congressman Melvin Laird's efforts to reconstitute the Department of Defense during the last years of the Vietnam war Laird acted to mitigate the adverse effects of the Vietnam War on the department and to prepare the nation's armed forces for the future Foremost was the transition from a conscripted military to an all volunteer force a fundamental policy shift that ended an unpopular and inequitable draft system from jacket *Arms Control by Committee* George Bunn, 1992-08-01 This book is essentially a series of case histories of U S Soviet nuclear arms control negotiations as seen from the American side It describes the processes of governmental decisionmaking for arms control in Washington D C and the techniques for joint U S Soviet decisionmaking at the negotiating table As general counsel of the U S Arms Control and Disarmament Agency and member of U S delegations to disarmament conferences for eight years the author was in a unique position to assess the difficulties of fashioning an arms control treaty that could pass muster within the executive branch of the U S government be approved by U S allies be successfully negotiated with the Soviets and then

win the approval of the U S Senate This process will be even more complex now that the United States will face at least four nuclear powers from the former U S S R The book has three purposes The first is to add to the recorded history of the following negotiations the Limited Test Ban Treaty of 1963 the Non Proliferation Treaty of 1968 the ABM Treaty of 1972 and its companion SALT Interim Agreements and the 1987 INF Treaty The author asks in each case What did the president and his assistants do or fail to do to negotiate a successful agreement The second purpose is to use the case book approach common in law schools and business schools as a teaching device for those who wish to learn how the American government made decisions about arms control negotiations how U S Soviet negotiators reached decisions and what the results of the decisions have been The book s third purpose is to generalize about what works and what does not work in the complex world of arms control negotiations including information on the impact of negotiating committees and comparisons of the process for negotiating arms control treaties with that for achieving arms limits through action and reaction without written agreement The concluding chapter looks to the future What changes will occur in the arms control process given the end of the Cold War and the disintegration of the Soviet Union

Masters of War Robert Buzzanco,1996 Depicts U S political leaders as the consistent driving force behind America s Vietnam commitment **We All Lost the Cold War** Richard Ned Lebow,Janice Gross Stein,1995-07-03 Drawing on recently declassified documents and extensive interviews with Soviet and American policy makers among them several important figures speaking for public record for the first time Ned Lebow and Janice Stein cast new light on the effect of nuclear threats in two of the tensest moments of the Cold War the Cuban Missile Crisis of 1962 and the confrontations arising out of the Arab Israeli war of 1973 They conclude that the strategy of deterrence prolonged rather than ended the conflict between the superpowers

The Geopolitics of East Asia Robyn Lim,2012-10-12 East Asia is a potential area of international conflict with a number of possible flashpoints and with the absence of strong regional organisations able to deal with conflict resolution At the same time global powers frequently get involved in the international politics of the region in order to protect their interests This book presents a comprehensive overview of the geopolitics of the region It focuses in particular on the way geographical and historical forces continue to play a key role in shaping international relations here It considers the role of both regional and international powers and assesses the risks of war in the region
