On The Side Of Angels:

True Moments with God Zahid Khan, God gave birth to love Love has seen such a time in the past of the dark eternity when there was no one to feel it There was no one who wanted to get to know love and no one who wanted to say something about love No one could have an opinion about anything because there were neither angels and human beings nor any other creations existing There was no one who could say and no one who could listen something about love There was absolute silence Even there has been such a time when not even a concept of love was existing There was only one who could give birth to love life and beauty It was God our beloved Heavenly Father I was a small child when I got to know God God travelled together with me in countless heavens In this book I have revealed my observations and experiences with God so mankind can recognize who God really is Throughout human history the ignorance of mankind has brought many invisible curtains between God and human beings However our present time is significant that morning is near to take over this deep dark night This book will give you a deep understanding about who God is and our purpose of life Loyalty Sanford Levinson, Paul Woodruff, Joel Parker, 2013-05-10 Few topics are more ubiquitous in everyday life and at the same time more controversial in practice than that of one's moral obligation to loyalty Featuring essays by scholars working in a variety of subjects from law to psychology Loyalty presents diverse perspectives on dilemmas posed by potential conflicts between loyalties to specific institutions or professional roles and more universalistic conceptions of moral duty The volume begins with a philosophical exploration of theories of loyalty both Eastern and Western then moves to examine several problematic situations in which loyalty is often a factor partisan politics the armed forces and lawyer client relationships A fair and balanced analysis from a wide range of disciplinary and normative viewpoints Loyalty infuses new life into an oft tread avenue of scholarly inquiry Contributors Ryan K Balot Paul O Carrese Yasmin Dawood Bernard Gert Kathleen M Higgins Sanford Levinson Daniel Markovits Lynn Mather Russell Muirhead Nancy Sherman Paul Woodruff Sanford Levinson is the W St John Garwood and W St John Garwood Jr Centennial Chair in Law and Professor of Government at the University of Texas at Austin and author or co author of many books including Framed America's 51 Constitutions and the Crisis of Governance and Our Undemocratic Constitution Where the Constitution Goes Wrong And How We the People Can Correct It Paul Woodruff is former dean of the School of Undergraduate Studies and currently Darrell K Royal Professor in Ethics and American Society at the University of Texas at Austin His latest book is The Ajax Dilemma Justice Fairness and Rewards Joel Parker is Lecturer in the Department of Political Science and Geography at the University of Texas at San Antonio **The Everything Bagel with a Side of Milk and Honey** Sandra Henley, 2017-08-09 Are you concerned or curious about current world events If so between the covers of The Everything Bagel readers will relish greater insight into mysteries concealed but revealed unto those who seek God's knowledge and wisdom The author provides a panoramic view from eternity past where God spoke in a heavenly language bringing forth the invisible particulates of creation into existence and capsulizing

over six thousand years of history into the twenty first century No need to buy numerous books dealing with one subject when readers will enjoy a treasure of nuggets in *The Everything Bagel* This book provides a summary of biblical history marrying the scriptures together with world events allowing for an overview of all things Yahweh Satan s diabolical plan is exposed from its inception and his obsession with destroying God s future kingdom upon the earth It is important to highlight the journey of the Hebrew Israelites and the fulfillment of Messiah coming through the tribe of Judah Traversing through Bible prophecies readers will better comprehend the machinations of the one world order cabal operating through secret societies false religions wealthy overlords and corrupt nations The book of Revelation is pivotal in these last days spotlighting the time frame for the war of Gog and Magog the building of the third temple in Israel and paving the way for Antichrist and the false prophet The world is standing at the precipice of the seven year tribulation period The redeemed of God will embrace their Sabbath rest in a land of milk and honey It is our greatest desire that the contents of this book will open the eyes of the sleeping masses and be a beacon of hope in these perilous times

There's a dark side to Christian discipleship church members ignore to their peril The New Testament has much to say about why and how Christ's followers must deal with the devil Learning to take the evil one seriously without obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end *The Dark Side of Discipleship* is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ's church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians The

Heaven is just as much part of earth as Hell is Heaven wasn't always peaceful and Hell never will be at peace Hell and Heaven is part of life as we journey through it daily as we face our trials and tribulations Life is what you make of it but it is what it is Heaven is real and so is Hell Despite what goodness lies ahead evil always presents itself within There is a God despite what many believe There is always a higher being above spiritual but mysterious Mankind didn't make the world they're just made to help keep the world going Many don't believe in a God but all believe there is a devil But many people despite their belief find themselves calling on God in situations where those who believe know who God is and what he can do But through everything it matters how you choose to live your life and treat people We're here for one another to love help and respect in a way we would want for ourselves We are not here just to live a life we are all here for a purpose We were created out of love and without our choice God chose our families our gender our skin tone as he saw fit God didn't make us to be superior or inferior over others because of our gender our skin tone or because we have or have not Money and power can't give you the peace of mind the happiness you deserve nor the love you desire because the more you get the more you want But prayer is powerful and so is faith In this life the good goes with the bad We can't live this life alone not needing somebody at some time or another You're not liable for how people treat you but you are held responsible for how you treat them Forgiveness and reconciliation is deep and can be a burden uplifted It pays to live life at your best doing what's right than living with regrets We reap what kind of life we sow and what goes around comes around both the good and the bad Jesus was once a kid and did kid things until he reached adulthood he put childish things behind And God like any real father doesn't want to see their kid suffering or hurt as he saw the people mistreat his son on earth But God being a compassionate forgiving and loving God accepted his son's plea to help bring mankind back to him at whatever it took Jesus loved us so much despite our attitude and behavior that he gave up a peaceful life in heaven to come to a condemn world to save us from being destroyed Satan always envied Jesus but he knew Jesus didn't deserve to be mistreated although him himself tried tempting him as he has done to mankind and the angels in heaven Jesus took the abuse tolerated the lies bears the cross and dies out of love for us Satan is desperate for power and control that he only can gain through the people's sinful ways Satan would go through any attempt to get people to give him their soul through lies and temptation Although Satan preys on the weak and vulnerable He doesn't make anyone do anything he just makes bad look good and revenge looks rewarding He knows how to manipulate and deceive you He uses your mistakes and past of secrets against you But through all and in the end good always wins one way or another This book is about life and the things we go through It tells you there's nothing new under the sun even through the different eras of time Most of all it tells you that God is and will always be and
