The Making of Pro-life Activists Ziad W. Munson,2010-07-15 How do people become activists for causes they care deeply about Many people with similar backgrounds for instance fervently believe that abortion should be illegal but only some of them join the pro life movement By delving into the lives and beliefs of activists and nonactivists alike Ziad W Munson is able to lucidly examine the differences between them Through extensive interviews and detailed studies of pro life organizations across the nation Munson makes the startling discovery that many activists join up before they develop strong beliefs about abortion in fact some are even pro choice prior to their mobilization Therefore Munson concludes

commitment to an issue is often a consequence rather than a cause of activism The Making of Pro life Activists provides a compelling new model of how people become activists while also offering a penetrating analysis of the complex relationship between religion politics and the pro life movement Policy makers activists on both sides of the issue and anyone seeking to understand how social movements take shape will find this book essential **Appropriate, Negotiate, Challenge** Dr. Elisabetta Ferrari, 2024-11-19 Activists use digital technologies to communicate coordinate and organize for social change But these big corporate digital platforms are also used to spread disinformation racism and abuse Appropriate Negotiate Challenge investigates the relationship between activism and technology focusing on how activists think and talk about technology s role in social change and what this tells us about the politics of digital technologies Researching movements in Italy Hungary and the United States Elisabetta Ferrari examines how leftist activists construct technological imaginaries that appropriate negotiate and challenge Silicon Valley s vision of technology She argues that these imaginaries reflect and shape the politics of social movements they matter for how activists think about their political possibilities Ultimately Ferrari centers the political and imaginative work that activists need to perform in order to navigate the politics of mainstream digital technologies **Activist Archives** Doreen Lee, 2016-04-28 In Activist Archives Doreen Lee tells the origins experiences and legacy of the radical Indonesian student movement that helped end the thirty two year dictatorship in May 1998 Lee situates the revolt as the most recent manifestation of student activists claiming a political and historical inheritance passed down by earlier generations of politicized youth Combining historical and ethnographic analysis of Generation 98 Lee offers rich depictions of the generational structures nationalist sentiments and organizational and private spaces that bound these activists together She examines the ways the movement shaped new and youthful ways of looking seeing and being found in archival documents from the 1980s and 1990s the connections between politics and place narratives of state violence activists experimental lifestyles and the uneven development of democratic politics on and off the street Lee illuminates how the interaction between official history collective memory and performance came to define youth citizenship and resistance in Indonesia s transition to the post Suharto present Citizen-Soldier Handbook: 101 Ways Every American Can Fight Terrorism Michael Mandaville, 2009-02 Citizen Soldier Handbook 101 Ways for Every American to Fight Terrorism is a How To Guide for Americans to fight the greatest threat to Western Civilization Radical Islam Terrorists declared every man woman and child to be a target We have no choice but to become Citizen Soldiers The Handbook s Five sections Morale Intelligence Physical Training Mental Training and Action encourage Americans of all backgrounds ages and skills to do their part against Radical Islam The Citizen Soldier Handbook is a Call to Arms in the spirit of Citizen Soldiers at Lexington and Concord firing the Shot Heard Round the World brighten the glow of Freedom from the Torch of Liberty Citizen Soldier Handbook puts this power into the citizen s hands with knowledge about the threat of Radical Islam how to empower yourself and how to use media to stop the threat of Radical Islam in the age of Information Warfare This book will
