Dalton,2015-11-19 Children s Bibles have been among the most popular and influential types of religious publications in the United States providing many Americans with their first formative experiences of the Bible and its stories In Children s Bibles in America Russell W Dalton explores the variety of ways in which children s Bibles have adapted illustrated and retold Bible stories for children throughout U S history This reception history of the story of Noah as it appears in children s Bibles provides striking examples of the multivalence and malleability of biblical texts and offers intriguing snapshots of American culture and American religion in their most basic forms Dalton demonstrates the ways in which children s Bibles reflect and

reveal America's diverse and changing beliefs about God, childhood morality and what must be passed on to the next generation. Dalton uses the popular story of Noah's ark as a case study exploring how it has been adapted and appropriated to serve in a variety of social agendas. Throughout America's history the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful angry God who might destroy children at any time to that of a friendly God who will always keep children safe. At the same time Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking. Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies, the history of religion in America, religious education, childhood studies and children's literature.

Making Our Way to Shore Eileen O'Farrell, 2004. Since 1991 members of the Jewish Catholic Couples Dialogue Group in Chicago have celebrated a combination Hebrew Baby Naming and Baptism ceremony as they welcome their children into the world with the support and participation of a Catholic Priest and Reform Rabbi. These ceremonies are spiritual moments created in the spirit of finding new pathways for interfaith families to share in their religious traditions. For some couples their ceremony makes a statement about the religious identity of their child, either in one tradition or another. For others it is an expression of thanks to God for new life and the wish to ask for God's blessing on their family. In either case the celebration is an authentic manifestation of a Divine presence in their new family. In addition to the ceremony, this text includes an overview of the current literature regarding Catholic Jewish families, a review of Hebrew Rites of Initiation as well as a short course on Catholic sacramentality and Baptism, commonly asked questions and answers facing Catholic Jewish couples, a lively conversation between a Rabbi and a Priest regarding rites of initiation, a resource section of books and websites, and a closing chapter on topics of family faith formation.

Old Testament Stories for New Testament Strength Doug Rowland, 2021-01-13. I have always been fascinated with the Old Testament stories that many feel are fairy tales. But to be a true Bible believer, you either believe it all or you do not believe anything it says. Inside you will find some stories from the Old Testament that can change your life in this New Testament time. Use that imagination you have and discover true riches for your daily walk with Christ.

Longing to See Your Face Thomas J. Scirghi, 2017-03-08. Thomas Scirghi, SJ, has trained priests, deacons, and lay ecclesial ministers in the art and theology of preaching for decades. In *Longing to See Your Face*, he makes his insights and experience accessible to a much wider audience. Scirghi begins with a discussion of the purpose of preaching and offers a theological sounding on proclamation, taking up several descriptions of the role of the preacher in relation to the congregation. He also addresses current theological issues for the contemporary preacher. The second part of the book discusses the practical matter of preparing to preach and proposes a method of preparation by following a pattern of reflection, research, writing, and rehearsing. The third part focuses on two specific sacramental celebrations: funeral and weddings.
