One Lost Sheep Rhonda Gowler Greene,2014-03-25 How many sheep are grazing on the mountain One hundred The shepherd watches them with care guards each one from beast and bear But what happens when one becomes lost Children will delight in helping the shepherd search for the one lost sheep in this beloved Bible story brought to life with lyrical rhyming text by Rhonda Gowler Greene and whimsical illustrations by award winning artist Margaret Spengler **An**

Undevotional Jimmy R. Watson,2019-04-30 In the same spirit as his previous book Big Jesus Watson takes us on a journey through the Gospel of Luke with a touch of humor and a wheelbarrow full of insights and information Watson believes nothing is more pretentiously self pious than to write something and call it a devotional unless one has already been canonized as a saint An Undevotional is not a spoon fed offering of theological niceties but rather a head spinning array of possibilities into the mind and ministry of Jesus of Nazareth with contemporary applications At times irreverent at all times interesting this book is un dispensable for Jesus devotees and un devotees alike **Little Ewe** Laura Sassi,2021-02-23 Little Ewe would rather jump on logs and investigate spider webs than follow the shepherd when he calls But what happens when she gets lost How will she find her way home Told in whimsical rhyme this humorous counting book for our littlest ones is a delightful reminder that like a loving parent our Shepherd will find us and care for us even when we wander from the path In Little Ewe The Story of One Lost Sheep award winning author Laura Sassi and illustrator Tommy Doyle tell an endearing tale of a distracted sheep and her persistent shepherd inspired by the Parable of the Lost Sheep in Luke 15

Encountering the Parables in Contexts Old and New T. E. Goud,J.R.C. Cousland,John P. Harrison,2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts
