Only One Life The Biography Of Stephen F Olford:

Only One Life John Phillips,1995-01-01 The story of Dr Stephen F Olford is a remarkable study of living the Christian life in wholehearted obedience to God It offers a challenge to all who desire to serve the Lord more effectively **How to Ruin Your Life By 30** Steve Farrar,2012-04-01 We all have an internal alarm clock that goes off when we re about to make a bad decision Some of us spend our 20 s hitting the snooze button By taking a look at 9 common everyday mistakes which most of us have an opportunity to make on a regular basis Steve Farrar speaks with wisdom and wit in this short book that serves as a wake up call we should all take From starting our 20 s on the wrong foot to neglecting our own gifts and strengths and from isolating ourselves from real community to ignoring God s purpose for our lives *How to Ruin Your Life by 30* will help navigate these treacherous waters we call adulthood No matter where you are at preparing for recovering from or in the midst of your 20 s this short book will help *Searching for the True Church* Roger N. Shuff,2007-01-01 Roger Shuff holds that the influence of the Brethren movement on wider evangelical life in England in the twentieth century is often underrated This book records and accounts for the fact that Brethren reached the peak of their strength at the time when evangelicalism was at its lowest ebb immediately before World War II However the movement then moved into persistent decline as evangelicalism regained ground in the postwar period Accompanying this downward trend has been a sharp accentuation of the contrast between Brethren congregations who engage constructively with the non Brethren scene and at the other end of the spectrum the isolationist group commonly referred to as Exclusive Brethren Besides being the first scholarly study of Brethrenism in England for nearly forty years the book will find a wider audience among present and former adherents of the Brethren movement in its various guises It also offers useful insights for Christian leaders and other professionals who find themselves with pastoral care for people upon whom their encounter with the Brethren has had a profound psychological impact **Exploring Ecclesiastes** John Philips,Jim Hasting,2019-11-26 Sound practical exposition of Ecclesiastes The John Phillips Commentary Series is designed to provide pastors Sunday school teachers and students of the Scripture with doctrinally sound interpretation that emphasizes hands on application of Bible truth Working from the familiar King James Version Dr Phillips not only provides helpful observation on the text but also includes detailed outlines and numerous illustrations and quotations Anyone wanting to explore the meaning of God s Word in greater depth for personal spiritual growth or as a resource for preaching and teaching will welcome the guidance and insights of this respected series Dr Phillips wrote most of this volume before his death and the manuscript was later completed for publication **Let the Legends Preach** Jared E. up preachers that are familiar to so many names belonging to the great cloud of witnesses in black preaching over the last fifty years but it also introduces a new generation of preachers to their powerful stories and homiletical wisdom Each chapter offers readers short biographical sketches on the life and ministry of the preachers that were honored followed by the sermon that they preached or the lecture that they delivered at the annual conference American Book Publishing Record, 1996-05 Prime-Time Religion J.
