Introduction by Capt. Ernest H. Pentecost,...** George Francis Dow, John Henry Edmonds, Ernest H. Pentecost (Cne.), **The English Atlantic, 1675-1740** Ian K. Steele, 1986-09-18 Exploding the curious myth that the ocean is a barrier rather than a highway for communication this unusual interdisciplinary study examines the English Atlantic context of early American life From the winterless Caribbean to the ice locked Hudson Bay maritime communications in fact usually met the legitimate expectations

for frequency speed and safety while increased shipping new postal services and newspapers hastened the exchange of news. These changes in avenues of communications reflected and in turn enhanced the political, economic and social integration of the English Atlantic between 1675 and 1740. As Steele deftly describes the influence of physical, technological, socioeconomic and political aspects of seaborne communication on the community, he suggests an exciting new mode of analyzing Colonial history.

The Golden Age of Piracy David Head, 2018-06-15. Twelve authors shed new light on the true history and enduring mythology of seventeenth and eighteenth-century pirates in this anthology of scholarly essays. The twelve entries in *The Golden Age of Piracy* discuss why pirates thrived in the seas of the New World, how pirates operated their plundering ventures, how governments battled piracy, and when and why piracy declined. Separating Hollywood myth from historical fact, these essays bring the real pirates of the Caribbean to life with a level of rigor and insight rarely applied to the subject. *The Golden Age of Piracy* also delves into the enduring status of pirates as pop culture icons. Audiences have devoured stories about cutthroats such as Blackbeard and Henry Morgan since before Robert Louis Stevenson wrote *Treasure Island*. By looking at the ideas of gender and sexuality surrounding pirate stories, the renewed interest in hunting for pirate treasure, and the construction of pirate myths, the contributing authors tell a new story about the dangerous men and a few dangerous women who terrorized the high seas.
