Place Where God Dwells:

God's Dwelling Place Denise R. Miller, 2024-07-05 Did you know that over 3 000 years ago the Israelites took a very long journey from Egypt to the land that God had promised them This journey is also a picture of our journey with Jesus What does God want to speak to us today through this God s Dwelling Place continues with the second part of Israel s journey beginning with Israel in the wilderness and ending with God s dwelling place in the land of promise It beautifully illustrates and narrates the battles and victories and the miracles God did to bring them into their inheritance and finally into His dwelling place Your child will also learn what it will take for us to satisfy God s desire for us to be as close to Him as possible

My Dwelling Place Deborah L Roeger, 2024-04-16 The concept of God s presence is deeply embedded in Christian teaching from God s presence in the Garden of Eden through the hope of God s presence in the New Earth But what does it that mean Many Christians find it difficult to explain what is meant by God s presence We hear of God being especially present in a worship service or of specific places where God s presence is expected by the pilgrims who travel there We know that God s presence was somehow in the tabernacle and will be part of the new earth when Jesus returns It is also taught that God is omnipresent that is present everywhere and always p But what is God s presence What does it take for Him to dwell among His people and why does it matter In this third volume under the Lost in Translation imprint Deborah Roeger applies her in depth and detailed yet extremely practical approach to Bible study to look at God s presence in its many forms and manifestations from the creation to the restoration of God s creation As she traces God s dwelling presence through the pages of Scripture she looks thoughtfully at what God requires of us so He can be present among us In the process she provides a thematic look at the whole of scripture that can be used as a guide to study other topics with full attention to the overall context of the story we find in Scripture It is the story of God who created for His glory and longs for the restoration of His dwelling presence among His creation This understanding of the broad context will help you put other events in their proper place in the history of God s plan of salvation My Dwelling Place is not just an explanation of biblical terms It is first of all an explanation of what it takes for God to come and dwell among us It is then a call to take up our mission and the gifts God has given us and to learn to practice His presence at all times As in each volume in this series there is a valuable added resource in the appendix discussing how to do word studies and how to use both available tools for Bible study and to take the context of each passage seriously when doing so This study can be read individually but it is especially valuable as a resource for small group study or for a transforming church wide study
