Polygamous Families In Contemporary Society:

Polygamous Families in Contemporary Society Irwin Altman, Joseph Ginat, 1996-07-26 This groundbreaking book examines marital relationships in contemporary Mormon polygamous families

Polygamous Families in Contemporary Society Irwin Altman, Joseph Ginat, 1996-07-26 In this intriguing book social psychologist Irwin Altman and anthropologist Joseph Ginat examine husband wife and wife wife relationships in contemporary Mormon polygamous families The authors describe how husbands and wives in plural families cope with their complex lifestyle in various facets of everyday life including courtship weddings honeymoons adjustments to a new life living arrangements and the husband s rotation among wives Other topics include budget and resource management psychological attachments to homes and the social emotional relationships among family members This pioneering comprehensive analysis of life in modern day Mormon polygamous families uses first hand interviews and observations to describe this unusual family lifestyle It adds to our understanding of close relationships and complements knowledge on other modern relationship forms such as single parent families blended families and cohabitating partners This is important reading for researchers in social psychology anthropology and religious studies Lay readers will also find the subject matter to be fascinating

Modern Polygamy in the United States Cardell Jacobson, Lara Burton, 2011-03-09 Few people realize that polygamy continues to exist in the United States Thus world wide attention focused on the State of Texas in 2008 as agents surrounded the compound of The Fundamentalist Church of Jesus Christ of Latter day Saints FLDS and took custody of more than 400 children Several members of this schismatic religious group whose women adorned themselves in prairie dresses admitted to practicing polygamy The state justified the raid on charges that underage marriage was being forced on young women A year later however all but one of the children had been returned to their parents and only ten men were charged with crimes some barely related to the original charges This book reveals the history culture and sometimes an insider s look at the polygamous groups located primarily in the western parts of the United States The contributors to this volume are historians anthropologists and sociologists familiar with the various groups A legal scholar also addresses the legality of the Texas raid and a geneticist examines the paternity issues Together these authors provide a much needed understanding of the surprisingly large number of groups and individuals who live a quiet polygamous life style in the United States

Polygamy in the Monogamous World Martha Bailey, Amy J. Kaufman, 2010-05-20 This fact filled book on polygamy and plural unions around the world supports an in depth consideration of policy options for Western countries Polygamy and plural marriage have become front and center issues in Europe Canada and the United States notably on two religious fronts among some splinter groups of the Church of Jesus Christ of Latter Day Saints and in Islam Polygamy in the Monogamous World Multicultural Challenges for Western Law and Policy takes both groups into account as it provides a careful examination of legal polygamy in non Western countries and plural unions in North America Comparing these similar but legally distinct forms of union it offers a fresh perspective on how Western

countries should respond to these relationships Specifically the book surveys non Western countries where polygamy is legally practiced then provides an overview of plural unions in North America The problems of polygamy and plural unions are examined including the potential for the abuse of wives The responses of Western governments to such relationships are reviewed and the most effective solutions are identified to ascertain what policies should be adopted going forward

ECOCONSCIOUS EXPLORATIONS-A MULTIDISCIPLINARY APPROACH Dr. Mazahar Ahmed Farooqui,2022-04-07

After Marriage Elizabeth Brake,2016-01-04 In this collection liberal and feminist philosophers debate whether marriage reform ought to stop with same sex marriage Some authors argue for abolishing marriage or for new legal forms such as polygamy or temporary marriage Others argue that the liberal values justifying same sex marriage do not entail further reform

Sex, Culture, and Justice Clare Chambers,2010-11 Autonomy is fundamental to liberalism But autonomous individuals often choose to do things that harm themselves or undermine their equality In particular women often choose to participate in practices of sexual inequality cosmetic surgery gendered patterns of work and childcare makeup restrictive clothing or the sexual subordination required by membership in certain religious groups In this book Clare Chambers argues that this predicament poses a fundamental challenge to many existing liberal and multicultural theories that dominate contemporary political philosophy Chambers argues that a theory of justice cannot ignore the influence of culture and the role it plays in shaping choices If cultures shape choices it is problematic to use those choices as the measure of the justice of the culture Drawing upon feminist critiques of gender inequality and poststructuralist theories of social construction she argues that we should accept some of the multicultural claims about the importance of culture in shaping our actions and identities but that we should reach the opposite normative conclusion to that of multiculturalists and many liberals Rather than using the idea of social construction to justify cultural respect or protection we should use it to ground a critical stance toward cultural norms The book presents radical proposals for state action to promote sexual and cultural justice

Transforming the Struggles of Tamars Lina Andronoviene,2014-05-29 This book explores the unprecedented challenge of involuntary singleness for women and the implications of disregarding this challenge for the Christian and particularly baptistic communities of faith It argues that these communities not only fail involuntarily single women but also in so doing suffer a serious detriment to their own communal health and Christian witness Taking the challenge of involuntary singleness as a test case this book explores the method of convictional theology and argues for a holistic framework that can draw together the personal communal and visionary spheres of human existence Although primarily a work of theological ethics it also draws from a number of different disciplines including cultural studies and sociology as well as intersections of science and theology

FAMILY BUSINESS MOHANAKRISHNAN RAMAN,2020-09-08 Understanding the family business is important for business families Several aspects of running a family business from the values vision building relationship building through reciprocity and gratitude succession planning family constitution family governance and family health and

wellness are important areas of knowledge the family members must know and practice This book is written for anyone who works in a family business Dr Mohanakrishnan has summarized many years of real world experience and explores the family tensions and issues that often plague these companies Following the clear and practical suggestions set forth in this book will surely add to the success of your family owned business John D Adams Ph D Emeritus Professor of Organizational Systems Saybrook University USA Dr Mohanakrishnan has written this book with pragmatic style with many practical examples to make the reader to understand the complex family business issues and challenges The solutions discussed are also of high learning value Santhiran Ramasamy Group Senior Director Business Development and Strategic Alliances Mahsa Education Group Malaysia **Handbook of LGBTQ-Affirmative Couple and Family Therapy** Rebecca Harvey, Megan J.

Murphy, Jerry J. Bigner, Joseph L. Wetchler, 2021-11-29 This comprehensive second edition inspires therapists to utilize clinical work to pragmatically address intersectional oppressions lessen the burden of minority stress and implement effective LGBTQ affirmative therapy A unique and important contribution to LGBTQ literature this handbook includes both new and updated chapters reflecting cutting edge intersectional themes like race ethnicity polyamory and monosexual normativity A host of expert contributors outline the best practices in affirmative therapy inspiring therapists to guide LGBTQ clients into deconstructing the heteronormative power imbalances that undermine LGBTQ relationships and families There is also an increased focus on clinical application with fresh vignettes included throughout to highlight effective treatment strategies Couple and family therapists and clinicians working with LGBTQ clients and those interested in implementing affirmative therapy in their practice will find this updated handbook essential **In Defense of Plural Marriage** Ronald C. Den Otter, 2015-05-28 This book outlines the constitutional argument in favor of plural marriage in the United States Just Married Stephen Macedo, 2017-05-09 The case for marriage equality and monogamy in a democratic society The institution of marriage stands at a critical juncture As gay marriage equality gains acceptance in law and public opinion questions abound regarding marriage s future Will same sex marriage lead to more radical marriage reform Should it Antonin Scalia and many others on the right warn of a slippery slope from same sex marriage toward polygamy adult incest and the dissolution of marriage as we know it Equally many academics activists and intellectuals on the left contend that there is no place for monogamous marriage as a special status defined by law Just Married demonstrates that both sides are wrong the same principles of democratic justice that demand marriage equality for same sex couples also lend support to monogamous marriage Stephen Macedo displays the groundlessness of arguments against same sex marriage and defends marriage as a public institution against those who would eliminate its special status or supplant it with private arrangements Arguing that monogamy reflects and cultivates our most basic democratic values Macedo opposes the legal recognition of polygamy but agrees with progressives that public policies should do more to support nontraditional caring and caregiving relationships Throughout Macedo explores the meaning of contemporary marriage and the reasons for its fragility and its

enduring significance His defense of reformed marriage against slippery slope alarmists on the right and radical critics of marriage on the left vindicates the justice and common sense of the emerging consensus Casting new light on today's debates over the future of marriage Just Married lays the groundwork for a stronger institution

The Freedom to Do God's Will Gerrie ter Haar, James J. Busuttil, 2003 Under the auspices of top international commentators The Freedom to do God's Will considers the global impact of fundamentalism on religious traditions including Hinduism Buddhism Mormonism Christianity Judaism and Islam With special reference to human rights issues women's rights and the influence of social factors it brings a new dimension to a field of study often dominated by purely religious or political perspectives whilst challenging received ideas about the violence and conservatism of fundamentalist movements Illustrated with original case studies the ten investigative essays from a multicultural panel of experts each with specific local and academic knowledge of the faiths and issues they discuss offer an intimate and highly specific portrait of why and how fundamentalism occurs

American Sociology of Religion, 2007-08-31 This is a collection of histories of various aspects of American sociology of religion The contributions range from descriptions of early dissertations accounts of changes in theoretical conceptualization the evolution of studies of particular denominations to the rise of new areas of inquiry such as globalization feminism new religions and the study of the religious traditions of Latino Americans Taken as a whole the volume complements rather than duplicates commemorative issues of the relevant journals which focused on the scholarly organizations in the field It represents a first effort to develop an organized treatment of the fascinating history of the specialty in the U S A

Doing the Works of Abraham B. Carmon Hardy, 2017-08-30 Celestial Marriage the doctrine of the plurality of wives polygamy No issue in the history of The Church of Jesus Christ of Latter-day Saints popularly known as the Mormon Church has attracted more attention From its contentious and secretive beginnings in the 1830s to its public proclamation in 1852 and through almost four decades of bitter conflict with the federal government to Church renunciation of the practice in 1890 this belief helped define a new religious identity and unify the Mormon people just as it scandalized their neighbors and handed their enemies the most effective weapon they wielded in their battle against Mormon theocracy This newest addition to the Kingdom in the West Series provides the basic documents supporting and challenging Mormon polygamy supported by the concise commentary and documentation of editor B Carmon Hardy Plural marriage is everywhere at hand in Mormon history However despite its omnipresence including a broad and continuing stream of publications devoted to it few attempts have been made to assemble a documentary history of the topic Hardy has drawn on years of research and writing on the controversial and complex subject to make this narrative collection of documents illuminating and myth shattering The second relic of barbarism as the Republican Party platform of 1856 characterized polygamy was believed by the Saints to be God's law trumping the laws of a mere republic The long struggle for what was and for some fundamentalists remains religious freedom still resonates in American religious law Throughout the West thousands of families continue the practice

even In the face of LDS Church opposition The book includes a bibliography and an index It is bound in rich blue linen cloth two color foil stamped spine and front cover **Beyond Same-Sex Marriage** Ronald C. Den Otter, 2016-09-06 Although the debate over same sex marriage in the United States has ended no one seems to know what lies on the horizon The conversation about what marriage could be like in the future is no longer confined to academics In his dissent in Obergefell Chief Justice Roberts linked the constitutionally mandated legal recognition of same sex marriage to the possibility that states may also have to recognize multi person intimate relationships as well to avoid discriminating against plural marriage enthusiasts The popularity of television shows like TLC s *Sister Wives* and HBO s *Big Love* suggests that Americans no longer can be dismissive of the possibility that in the foreseeable future marriage could and perhaps should look very different than it does today Rather than settling the question of whether states ought to abolish marriage make it more inclusive contractual or call it something else this book exposes readers to some of the normative legal and empirical questions that Americans must address before they can deliberate thoughtfully about whether to keep the marital status quo where monogamy remains privileged Unlike much of the debate over same sex marriage they exchange reasons with one another as they discuss marital reform This book is for ordinary Americans their elected representatives and judges to help them ultimately decide whether they want to continue to define marriage so narrowly make it more inclusive to avoid discrimination or have the state leave the marriage business This edited interdisciplinary volume contains eight original contributions all of which illuminate important but often neglected areas of the topic **Applied Ethics** Larry May, 2017-07-05 This best selling text continues to fill an existing gap in the literature taught in applied ethics courses As a growing number of courses that include the perspectives of diverse cultures are being added to the university curriculum texts are needed that represent more multicultural and diverse histories and backgrounds This new edition enhances gender coverage as nearly half of the pieces are now authored by women The new edition also increases the percentage of pieces written by those who come from a non Western background It offers twelve up to date articles not found in previous editions on human rights environmental ethics poverty war and violence gender race euthanasia and abortion all of these topics are addressed from Western and non Western perspectives **Polygamy** Miriam Koktvedgaard Zeitzen, 2020-06-15 Forms of plural marriage or polygamy are practiced within most of the world s cultures and religions The amazing variation versatility and adaptability of polygamy underscore that it is not just an exotic non Western practice but also exists in modern Western societies *Polygamy A Cross cultural Analysis* provides an examination and analysis of historical and contemporary polygamy It outlines polygamy s place in anthropological theory and its rich sociocultural diversity in countries ranging from the USA and UK to Malaysia India regions of Africa and Tibet *Polygamy* also addresses often difficult and controversial issues facing modern polygamists such as prejudice HIV AIDS and women s emancipation *Polygamy A Cross cultural Analysis* offers an anthropological overview of the fascinating yet often misunderstood institution of polygamy *Sister Wives, Surrogates and*

Sex Workers Professor Angela Campbell, 2014-01-28 Did she choose that Or more normatively Why would she choose that This book critiques and offers an alternative to these questions which have traditionally framed law and policy discussions circulating around controversial genderized practices It examines the simplicity and incompleteness of choice based rhetoric and of presumptions that women s conduct is shaped in an absolute way either by choice or by coercion This book develops an analytical framework that aims to discern the meaning and value that women may ascribe to morally ambiguous practices An analysis of law s approach to polygamy surrogacy and sex work particularly in Canada the United Kingdom and Australia provides a basis for evaluating the choice coercion binary and for contemplating alternate modes for assessing from a law and policy standpoint the palatability of social practices that appear pernicious to women Weaving together interdisciplinary research an innovative analytical framework for assessing choices ostensibly harmful to women and a critique of the legal rules governing such choices this book bears relevance for students scholars practicing jurists and policymakers seeking a richer understanding of conduct that moves women to the margins of law and society

The Mormon Culture of Salvation Douglas J. Davies, 2018-12-07 The Mormon Culture of Salvation presents a comprehensive study of Mormon cultural and religious life offering important new theories of Mormonism one of the fastest growing movements and thought by many to be the next world religion Bringing social scientific and theological perspectives to bear on the Church of Jesus Christ of Latter day Saints Douglas Davies draws from theology history of religions anthropology sociology and psychology to present a unique example of a truly interdisciplinary analysis in religious studies Examining the many aspects of Mormon belief ritual family life and history this book presents a new interpretation of the origin of Mormonism arguing that Mormonism is rooted in the bereavement experience of Joseph Smith which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion and to traditional Christian ideas of grace The Mormon Culture of Salvation is an important work for Mormons and non Mormons alike offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms Written by a non Mormon with over 30 years research experience into Mormonism this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion as well as all those studying or interested in Mormonism and world religions Douglas J Davies is Professor in the Study of Religion in the Department of Theology Durham University UK He is the author of many books including *Death Ritual and Belief* Cassell 1997 *Mormon Identities in Transition* Cassell 1994 *Mormon Spirituality* 1987 and *Meaning and Salvation in Religious Studies* Brill 1984

Reviewing **Polygamous Families In Contemporary Society**: Unlocking the Spellbinding Force of Linguistics
