International Business provides a general examination of issues vital to the world's economic recovery. In the field of company law, practitioners examine changes in Russia's corporate law and the new Ukrainian law governing joint stock companies. In the area of competition law, lawyers review Serbia and Bulgaria's new laws on the protection of competition and the private enforcement of Articles 101 and 102 in Europe's national courts. Dispute resolution occupies two chapters: one dealing with best practices for drafting arbitration clauses and the other set aside recognition and enforcement of private commercial arbitration awards. A further two chapters treat employment and labor matters relating to distribution and commercial representation indemnity upon termination and processing personal data in the employment context of Hungary. In the area of financial services, practitioners from five jurisdictions deal with fiduciary duty, the European Commission's proposed Directive on Alternative Investment Fund Managers, Swiss disclosure rules on significant shareholdings, restructuring and refinancing routes for mortgage secured debt in Spain, and insurance laws and regulations in Nigeria. Foreign investment is examined by two authors reporting on 2008 and 2009 developments in investment treaty disputes and foreign investment in Indonesia. Intellectual property issues are reviewed in chapters relating to the use of intellectual property as collateral in secured financing and intellectual property licensing in Canada. Finally, lawyers treat a variety of other issues including the tax law of Liechtenstein, European Union-Israel trade in the automobile sector, insolvency risk and creditors' rights in Peru, the modernizing of trust law in Hong Kong, and bridging cultural differences in international Transactions.

Licensing Best Practices Robert Goldscheider, Alan H. Gordon, 2006-03-31. The LESI Guide to Licensing Best Practices to which I was proud to contribute has found solid acceptance in the international licensing community. The new volume of *Licensing Best Practices* maintains this high standard. It was designed to be complementary to its predecessor and broadens the scope of the scholarship. Standing alone, *Licensing Best Practices* is a valuable source of contemporary information. In combination with *The LESI Guide to Licensing Best Practices*, we have a very valuable source of insights and practical knowledge.

Heinz Goddar, Partner, Boehmert Boehmert. Few, if any other intellectual property references lay the required geographic foundation for the scientific business and legal issues presented. Goldscheider and Gordon demonstrate that tech transfer occurs in a global arena. The book lives up to its title, *Licensing Best Practices*.

James E. Malackowski, President/CEO, Ocean Tomo LLC, past president, LES USA/Canada. An invaluable complement to the field's acclaimed book on licensing best practices. Spanning the globe from Scandinavia to Japan and Mexico to Korea, *Licensing Best Practices* provides a comprehensive and user-friendly resource for professionals in licensing and technology management. Featuring contributions from some of the most highly regarded LESI professionals, this definitive guide includes detailed discussions on some of the hottest topics in licensing, including Licensing and Technology Transfer to China, Software Licensing as a Driver of the Indian Economy, Secrets of Successful Dealmaking in Asia, Licensing in Scandinavia, Home of Entrepreneurial Inventors, Industrialists and Philanthropists, Global Innovation and Licensing Opportunities on the Internet, Energy and Environment.
